Dear Nicholas Foster

I sent you a Subject Access Request on the 27/01/2016 along with a letter of authority; I was given your email as was told you are the person that deals with Subject Access Requests. I did get a read reply but have not had an email back saying you are dealing with this request. I know a Subject Access Request can take up to 40 days to deal with. But i do not want to be waiting 40 Days and then find out you are the wrong person to deal with this request.

Could you please reply via email and let me know if you are the correct person that deals with Subject Access Requests please and if not could you give me the person names and email who does deal with this please.

Regards

Lorraine Cordell
