Subject: RE: Anti-Social Behaviour Allegations against Mr Simon Cordell [SEC=OFFICIAL]

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.

I have asked for the dates these complaints was put in and yet have had nothing about the dates and times.

Could you please forward me a list of dates and times these complaint was put in, and list them in an order like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.
Complaint from B on date and Time: Body of complaint from B.
Complaint from C on date and time: Body of complaint From C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and failed to supply any other information.

If I can get this back today I would be most grateful, as it has been asked for before.

Also we have said this before more then once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer.

As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his
