Dear Steven Hall

It has been some time since we spoke and we exchanged emails, I have not heard from you since I wrote you the email below and would like to know if Miss Millichap is willing to have a meeting with me or not, I do not think it is too much to ask for a meeting, but it does seem that the police are not willing to act on this unless I give them full facts so it can be investigated before we have the meeting, as said before I do not feel this will work as there is a lot of concerns regarding more than one issue there is also a lot of paperwork I would like Miss Millichap to see.

If Miss Millichap is not willing to see me for a meeting please let me know by 18/06/2018 as I will take it higher, I do not feel I should need to explain to others which has been done many times before with nothing coming of it and its just like no one was spoken to.

Regards

Lorraine Cordell

Dear Steven Hall

As stated on the phone call there is a lot of issues, and I would like a meeting with Miss Millichap. I don't think listing the issues would help I believe she would have a much better view regarding the issues by seeing the paperwork and evidence, I feel this will be the only way this will not be covered up like it has been for far too long now.

If you can let me know as soon as possible if Miss Millichap is willing to have a meeting if she is not I will take it higher.

Regards
