Dear Ludmilla Iyavoo

Could you please forward the housing management transfer application that Lemmy called me about last night 15/08/2018 at 16:15 hours, as I have the mental health team calling me regarding the like to like section in the application. I have not yet seen the application that has been filled in for my son by Enfield Council, and I would like to see it before it is submitted to the broad tomorrow.

Also would it be possible to get a copy of Enfield Councils guidelines and policies for the management transfer application, I do believe I have a copy but want to make sure I have the correct one.

As you are aware at court it was stated I had to fill an application in by today, but it was not stated as to what application it was, and then it was found out the application had to be done by the council so all the wrong information was told to the judge, and as you are aware what I said to the judge regarding a 2 bedroom and then what Lemmy said to the judge that my son would not get one, then what the judge said to Lemmy regarding a 2 bedroom.

I do not want my son placed into a new home that is not going to be appropriate, I want to get it right for him, after all his health has gone down hill due to all the court cases and what the neighbours were and are still doing to him and Enfield council took no notice of the hell my son was living in all they done was believed the neighbours, then on top Enfield Council basically telling the courts there was nothing wrong with my son's health even though I was telling Enfield Council since the start of 2015 via emails the impact this was having on my son regarding what the neighbours were doing, I want Enfield Council to take this seriously as so far where my son has been concerned you have only blamed him for everything and gone one sided and never heard what my son or I have had to say, I believe if Enfield Council had done the correct investigations they would have seen there was a lot more going on here then what the neighbours was saying, but Enfield Council only blamed without wanting to know the facts.

My son has to be re-housed and I want that to be done correctly even if more time is needed and this is not taken to the panel until next week, I do want it done as soon as possible due to what the neighbours are still doing, I don't want things rushed by Enfield Council because they know now they have done wrong and made beaches regarding my son I want it done correctly, as stated I want the mental health input if they are willing to give it as it seems since I put the complaint in they do not seem to want to talk with me as stated to you outside the court room, but that is being addressed and I am waiting for a call back today regarding the housing issue, I have spoken with a few people over the last week regarding this, but due to a change over with the people dealing with my son and him not given a named worker yet it has been hard.

Also can you tell me if I am allowed to attend the panel hearing and also maybe a mental health worker if they are willing to attend also?

I will await to hear from you today.

Regards

Lorraine Cordell
