Ms Cordell

My sincere apologise for not getting back to you sooner. I have been out the office for a couple of days. Your concerns remain high on my list of things to do but I am yet to have had a conversation with Ma'am Millichap about the issues we discussed.

I fully understand your desire to have your concerns progressed in a timely manner and will provide you an update in due course.

Regards
Steve

Dear Steven Hall

It has been some time since we spoke and we exchanged emails, I have not heard from you since I wrote you the email below and would like to know if Miss Millichap is willing to have a meeting with me or not, I do not think it is too much to ask for a meeting, but it does seem that the police are not willing to act on this unless I give them full facts so it can be investigated before we have the meeting, as said before I do not feel this will work as there is a lot of concerns regarding more than one issue there is also a lot of paperwork I would like Miss Millichap to see.

If Miss Millichap is not willing to see me for a meeting please let me know by 18/06/2018 as I will take it higher, I do not feel I should need to explain to others which has been done many times before with nothing coming of it and it's just like no one was spoken to.

Regards

Lorraine Cordell
