Dear Trishna

Thank you for the updated email and getting back to me.

You sent me Ludmilla updated order on the 13/08/2018 and I replied saying I did not agree with there order on the 14/08/2018 I sent an attachment with that email showing what I did not agree to, and you said you would rewrite it. But I never heard anything if this had been done, I emailed you a few times after that you was on leave so I rewrote the order and sent to you, you amended that order and it was sent to Ludmilla. And you did not hear back from her.

But this is not how they are saying it happened and it seems I am being blamed for not dealing with it. Also it was funny as when you sent the order to Ludmilla and she never got back to you Her order was sealed at the court a few days after you sent it.

Also Enfield Council is saying a lot to other bodies which in fact are not even in the order, and are misleading everyone they can, they have also never put the application to the panel for the move and are misleading other bodies as to the reasons this has not been done, by way of saying that the order stated Simon had to work with the mental health team and this was agreed in the court order when it clearly was not as the judge would not allow that, this is just some of the issues I am trying to deal with and Simon is suffering each day that goes by.

Regards

Lorraine

Hi Lorraine,

Thank you for your emails.

Please see emails attached sent to Ludmilla in relation to the below.

Emails had been sent to her and she did not respond confirming whether the amendments were accepted or not.

The only time we were waiting for your instructions were when we were waiting for an amendment in the Order.

Kind regards,
