We may use some of the information you provide for research, marketing or statistical purposes. We will not use your information or pass it on to any other person for the purposes of marketing further products or services to you.

If the broker or intermediary you have used to obtain this insurance policy ceases to carry on business, to otherwise trade or to be authorised and regulated by the applicable body, we may transfer your personal data and information to another insurance intermediary who will continue to effect insurance cover for you. Please let us know if you do not want us to share your personal data and information with another insurance intermediary as described above.

Insurers pass information to the Claims and Underwriting Exchange Register, run by Insurance Database Services Ltd (IDS Ltd) and the Motor Insurance Anti-Fraud and Theft Register, run by the Association of British Insurers (ABI) for the purpose of checking information provided and also to prevent fraudulent claims. When we deal with your request for insurance, we may search these registers. Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to the registers.

Your policy details will be added to the Motor Insurance Database (MID), run by the Motor Insurers Information Centre (MIIC). This may be consulted by the Police in order to establish who is insured to drive the vehicle. If you are involved in an accident (in the UK or abroad), other UK insurers, the Motor Insurers' Bureau and MIIC may search the MID to ascertain relevant policy information. Persons with a valid claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. You can find out more about this from Covéa Insurance, or at www.miic.org.uk.

In order to prevent or detect fraud we will check your details with various fraud prevention agencies. If false or inaccurate information is provided and fraud is suspected details will be passed to these agencies to prevent fraud and money laundering. Other users of these fraud prevention agencies may use this information in their own decision making processes. We may also conduct credit reference checks in certain circumstances. You can find out further details explaining how the information held by fraud prevention agencies may be used or in which circumstances we conduct credit reference checks and how these checks might affect your credit rating by contacting us at info@coveainsurance.co.uk.
