

I had a curfew so could not stay with the equipment over night and as a company getting ready to start to trade I could not afford the higher of an experienced employee, so in turn I lost the contracts and faith in the justice system that was the main contribution towards the key elements need to cause my self to lose the contracts I and others had worked so hard to gain, due to the value of the products it was impossible to comet my self to a contract of hire any longer, at the same time the probationary conditions thought the interim stage imposed that represented the ASBO order made it once again even harder to continue forward than it all ready was.

Point 5

PC Steve Elsmore States;

A company House Check has been conducted under the name Too Smooth and Mr Cordell's post code and there is nothing registered. I am also asked by Steve Elsmore to provide my company number.

I Simon Cordell State;

My company name was registered on the 10/03/2015 and this was shown to the court at trial. I think there was a mistake in how I explained myself and due to this think you believe my company had been registered before this date. However what I was trying to explain was my domains had been registered since 2010, and 2013. The reason my company was not registered in 2013, which it was meant to be was due to the court case and the conditions of bail I was on. I could not do the contracts I had in 2013 so my company was put on hold until after I was found not guilty at court on the 02/07/2014. But then as soon as I had been found not guilty for that case, I then had to deal with this ASBO order.

Point 6

PC Steve Elsmore States;

On Wednesday 10th 2014, in regards to obtaining Mr Simon Cordell's role also inclusive of any more information that could be obtained relating to him at Kemp Hall Community Hall. Diana Johnson hall manager was unavailable due to being sick, PC Elsmore spoke to assistant Hailey "Football Team Manager" who stated she was not sure of Mr Cordell role and had not seen him for about Two moths in advance to the last meeting to which he had attended due to being ill.

I Simon Cordell State;

Regards Kemp hall, I Simon Cordell was given a Business card by a friend of a woman name as Luvinia De-Terville. Her business card represented a company known as Dems event management who provides licensed out door and indoor events, so I called the number in hope of making good relations relating to professional business possibilities, a meeting was agreed and went well. I was later contacted by Dems Management to help with the on goings of a charity event in aid of a charity called Bliss that helps premature babies, this event had been cancelled and was supposed to have taken place at another community hall other than Kemp Hall to which she had lost her deposit. I arranged another meeting with her and asked her to bring all documents for the event so I could see if there was away to rectify the problems, I took on the project to re launch the event at a new location and Kemp Hall was chosen, a meeting was arranged at Kemp hall for 19th September 2014 with Diana hall manager and Dem, at the meeting I noticed the community halls absinth of articles of association and the down full in the maintenance of the hall, it was explained by Diana that she was having issues with managing the hall due to a lack of communication with committee members and local Authority and that the hall was absent of licensing and no constitution was in place neither funding, on taking a tour of the hall I took a list of problems I could fore see for holding an event for Dem's and that could be rectified for Diana. I prioritised the list as I was going around here is some of the problems I listed.

- No lights in girls/ woman's toilets / this was winter so it was dark early.
- No Baby changing mat
- Girl's toilet door no hinges.
- Boys / Mans toilets no lights
