Subject: Simon's updated statement

Lorraine / Simon

I note that I have not received the updated statement from Simon, nor any additional statements from any witnesses re Dwayne's leaving party. I advised you previously that Dwayne was required to attend court, clearly he cannot as he is travelling, hence the request for alternative witnesses to back up Simon's alibi.

If the updated statement is not received by 3.30pm then I will have to re-schedule the meeting for until such time as the updated statement is received.

Regards

Josephine
