Subject: Office appointment 9.30am on Thursday 11th February 2016

Simon

Please attend my office for 9.30am tomorrow morning for an appointment from 9.30am - 11.30am so that I can draft and finalise your updated statement. You make reference in this statement to your mother making enquiries from local councils who have confirmed that the ASBO will affect future applications etc. I need a full statement itemising in chronological order the different persons spoken to contact numbers, emails to demonstrate hardship etc. Please email across this statement as soon as possible.

Please confirm that you can attend this appointment.

Many thanks

Josephine
