

Are you aware that Miss Cordell has spoken to other officers Re: Rave?
This suggests that you do not want DS Tanner to be examined on these proceedings
because she has information Re knowledge of raves and them not being connected to
W/D.
Spoke to Pc Tanner but not written what – spoke to **(unreadable text)** this year
You have no recorded that you emailed her but then spoken to her.
Emails have been deleted and no copies keep on record.
