Dear Josephine

How are you I hope all is well? I would appreciate it if you can reply to my questions below. In the understanding of the on goings that did occur at the court mentioning at wood green crown court on the 22<sup>nd</sup> 23<sup>rd</sup> and 24<sup>th</sup> 02/2016, when on that date mentioned the company, who you are acting for that is representing myself Mr. Simon Cordell, that is named Michael Carroll & co solicitors, that you do or did represent a contract with till the 2<sup>nd</sup> June 2016.

Before the 22<sup>nd</sup> 23<sup>rd</sup> and 24<sup>th</sup> 02/2016 when giving your legal guidance to such accusations of incidents, referring to the organisation of illegal graves, that said in my defense this is inclusive of the understanding to the ongoing of the case, that is being brought by the commissioner of the metropolitan police, that being of a stand alone Anti Social Behavior Order 2003, an Act to make further provision in relation to criminal justice and disorder act 1994, itis being said that you did in fact explain before the date of the hearing, that being of information regarding to the past representing barrister Mr. Andy Lock, relating to that of Intel stating that he would not be able to attended due to being on leave and this being of the only issue raised by your self said to be regarding my self, but on the date of the hearing another barrister did apply to the judge in aid of my acting solicitors yourself, so to be sure of that you have to no longer represent me due to a breach in communication between our self's, the judge ruled that Michael Carroll and co's must act till the conclusion of the case, the Point is the judge has ordered the company to act for my self and in that understanding I ask and request for you to direct for my case to becarried out in such a manner, if legal to do so? I request that being of; at the day of my trial to act litigant with my mother as a McKenzie friend and for a barrister we select together to be instructed to represent my self on thedays of court, also I ask of you to set up a meeting within one month of this dated letter, between who will be taking on the case after you leave your office with the acting barrister chosen. I believe and understand that this is within the constraints of the law I take my guidance from <https://www.gov.uk/represent-yourself-in-court/overview>  
I also request that you call for questioning the following officers;

I ask again am I correct in believing that this is my rights and I can still have Michael Carroll and co solicitors represent me if I doso.?
