

gets back from his work holiday leave, I explained I would be very happy to meet with himself again, as it was a pleasure to chat with himself.

At this stage in my life I had worked hard to achieve in a positive view and it had taken me many years to save and buy what I new to be needed to start the company I wanted to build I would have not been able to start without the help of my family.

I can clearly note that of the facts that by 2010 I had things in place and needed to start on my next step with building my website so I order my domain name <http://toosmooth.co.uk> on the 22/07/2010, my mother was going to try and help build the website as money was an issue and to build the type of website that was needed would have cost a lot of money.

The development of the Website took much longer than anticipated; this was due to the building process and also my mother's health.
The coding beside the website is of a large scale due to the 4 databases that was needed.

By 2012 the website was coming along I order 2 other domains <http://toosmoothentertainment.co.uk> and <http://toosmoothentertainment.com> 22/05/2012 these were ordered, I had also started looking ahead to the summer of 2013 to start bridging out with contacts and doing some unpaid work in the local community so to get my company name known in the public, and help my local community.

I had planned to order the company name just before the work started in 2013.

The following day after of Goodie attending my private home, I was again at home working on my company I remember this date to be 00/00/2015 as for I was programming parts of my website and finding things reasonably hard to achieve, I noticed a knock on my front door and went to see who it was, when I noticed a large group of people, when asking whom them persons were I was told the name of élan, she stated that her occupation was from the mental heath department so I opened up my front door and asked what they wanted to speak to me about in the safety of knowing all was being recorded on CCTV. I showed some concern in regards to the team turning up to my address unannounced and that I felt that this was a breach of my privacy. I was un happy with the way I was spoken to by the Mental Heath team, on this occasion, especially with the understand of what had been portrayed to me and that being that since goodie had gone away on leave that élan and the other people standing at my front door had been made case handlers of myself for no reason I was quite shocked and concerned as goodie was surely happy when he had left prior and never said anything of the sort, it was then explained to me that they wanted to do another assessment on me once again I explained that I had just let goodie into my home less than 2 days, the team soon left.

once again with the concern of being assessed with out no true reason as I new that I had mostly been indoors and had travelled to the shops a few times with friends and family with no concern about my well being, After élan and team had arrived I called the mental health team so to find out why they had truly attended and to raise my
