

stated you wrote a letter on 31 January 2017 to arrange a meeting for 9 February 2017, this meeting was also cancelled, the reason these two meetings were cancelled was due to the ongoing complaint that was being addressed by Enfield council that still needs addressing but due to the data that came back from the subject access request and it not being completed properly this letter still needs to be reply to, there was also a subject access request that was put in to Enfield Council that we was waiting to be addressed and to receive the data back which as you are aware did take a considerable amount of time, and also the complaint also was delayed in a reply. As stated to you via email we felt it was unjustified to hold a meeting when there was an ongoing complaint, and a subject access request that we was waiting for, as you are aware there are still issues regarding the subject access request, which does need to be addressed.

You then stated that she wrote again on 16 February 2017 and arranged a meeting for 22 February 2017 which was also cancelled, but you was also notified there was still issues with the subject access request, and that I had a meeting regarding the issues which was set for the 9 March 2017, I stated to you that I would get back to you with a convenient date for the meeting to take place, but due to illness things have got delayed.

You have also stated that it is very unfortunate that there have been repeated refusals to meet in regards to the issues with the neighbours, I feel that this is very misleading we have not refused once to have a meeting with you, but due to ongoing issues meetings have had to be cancelled with a justified reason, so how you can take this as a refusal is beyond me, we have kept you informed at every stage of every letter that you send out giving you reasons as to why the meetings could not take place. Therefore I do not understand how you can interpret this as a refusal.

You will also be aware that my son does have health problems and that he does not leave his flat, not once have you thought in all the letters that you sent out how someone that does not leave his flat is going to be able to attend a meeting at the Civic Centre, therefore I am asking for the meeting to take place at Mr Cordell's home address, due to Mr Cordell's health, arrangements will need to be made that someone is at the meeting with Mr Cordell, and under no circumstances will Mr Cordell be addressing the issues while he is on his own.

You have also stated that if Mr Cordell does not attend or set a knew date that you will be putting an application seeking possession of his home, it seems that Enfield Council have already made their mind up that Mr Cordell is guilty of what has been alleged in the complaints, you also state that if any further allegations are made against Mr Cordell that you can take legal action, since your last update with the dates has there been any more allegations against Mr Cordell?

Next week I have a number of hospital appointments so it will really be hard to do the 22 March 2017, if you could get back to me with some dates that the meeting can take place at Mr Cordell's home address I would be most grateful. or if there is any problem with this please let me know.

Regards

Miss L Cordell
