

All that were put in
for Enfield Council to address this would include all comments made on
any such
report such
as I have removed all my piping for my heating system
All my housing benefit
and anything to do with my rent account and council
Tax
Any complaints that
have been put in about me this would include any neighbours or police or
any
other body
that Enfield Council has received about me, I do understand that some
sections names would need to have
redaction added for names and addresses but
the date and body of the complaint should be kept and if it a
governing body
such as the police names or IDs should not need redaction
If Enfield Council has
any data I want this subject access request to cover this data and if any
data
is going to
be with held I would like to know this and the reason why it is
being with held
As for dates this
request would go back as far as possible with any data Enfield Council
holds
within all
departments being released
If you could get back
to me about the ID I would be grateful and get this emailed across to you
so
that this can
be dealt with
