

As  
for the date of the 09/02/2017 as stated before until we have had all dates  
and  
times and body of  
complaints and the subject access request, I still do not feel  
it is justified my son has a meeting as he will be  
walking into a meeting only  
with very limited information, and due to his health which is being  
caused by  
his  
neighbours and  
Enfield Council doing nothing I feel my son is only being setup due to  
issues  
and the colour of my son's  
skin. And this is why no one from  
Enfield  
council has ever  
taken a report from him about what has been ongoing form a  
long time ago.  
We  
want to clear this up as much as you do, but it seems Enfield Council is  
not  
fulfilling what we have asked  
for in order to be able to do this.

Enfield council claim that We received a report that on 7th February 2017  
you approached the leaseholder of 117 Burncroft Avenue and his plumber  
outside the block as they were attempting to resolve the problem causing  
low water pressure in the flat. You said to the leaseholder that there were  
problems between you and his tenants but did not give any specific  
details. The leaseholder explained to you that his tenants were  
experiencing low water pressure in the flat and you said to him 'you will  
not solve the problem as I am restricting their water supply'. The  
leaseholder later knocked on your door and asked whether you would  
increase the water pressure and you stated 'I cannot do anything at the
