

proceedings but named it the organisation of illegal raves they should have just said the organisation of raves because when they put illegal into it, it means that the Dps and Cps now have a say in what is being said

Police Officer; “Muttering you are dead”

Simon; and they are not following the correct protocols

Simon; yes the whole case is up side down form the beginning of the go yes

Police Officer; but where the raves legal

Simon; pardon

Simon; no, no, no they are not raves they are house parties they are house parties and if you go Google

Police Officer; and how many people were at this house party

Simon; yes and if you go to Google, if any place is a place of residence madam yes

Police Officer; hum

Simon; like this is the law yes, if any place is a place of residence or you live in it or I live in it or a squatter or any other person is living in it you have the maximum level of your freedom of rights within your own house, if I choose to swear in my own house and a police officer come s in, he can not arrest me for swearing, all he can do is leave my house because I am aloud to swear in my own house, but In public he can arrest me for a civil matter or a breach of the peace, now, it is the same with the music we are aloud to play music in our own houses or any place or residence the only time that we are not a loud to play music in our own houses is when we are out side in public which is what section 63 says in open air yes these are places of homes and because of that what the police have to do to prove that they are illegal they have to prove any think is prove that profit has been made under the licensing act 2003 under appendix four, we are aloud to play music in our back gardens and in our houses that is it that is the law about it

Police Officer; only up till eleven o clock

Simon; no until any time that we want madam

Police Officer; no

Simon; since 2007, since 2007, no sorry since 2013 since January 2013 the 7th they put new laws into place, which say that they are de restricting the licensing act and what they mead by that is from 8 am till 11 pm there is no noise pollution limits no more decibel reading limits you’re a loud to do plays and theatres and that outside and you don’t really have to apply for a temporary events notice any more

Police Officer; ha, ha
