On the **17th march 2017**, I got a letter of Lemmy Nwabuisi ASB Coordinator through my letter box he lied in his paperwork and started that I chassed him down the street while swearing at him.

The letter requested that I attended at a meeting at the offices to discuss the allegations and this would be the Enfield civic Centre.  
He states that he offered to me to have a meeting at my mother's houses or the local library, this is not true.

It is said by enfield council that On 17th March 2017 Lemmy Nwabuisi, ASB, Coordinator visited 109 Burncroft Avenue to post a letter through your door and as he got into his car to drive off after posting the letter, you ran after him shouting and screaming abuse. The letter requested that you attend our offices to discuss the nuisance reports being received from your neighbours. By the time he returned to the office, you had telephoned him several times. He telephoned you back and you asked whether he was the person that posted a letter through your letterbox and he said yes. You asked why he did not stop when you ran after him and he stated that he had another visit and did not have the time to stop and talk to you. You stated that you will not attend the meeting at the Civic Centre or any of the council offices as you are unable to leave your flat and that the meeting should take place in your flat. Mr Nwabuisi offered to have the meeting at a neutral venue and suggested the local library or at your mother's house but you refused saying that you have done nothing wrong and accused him of taking sides with your neighbours.
