

The reason that noticed the errors in the first place other than I never committed them enrolled around the gazebo case files from Woolwich Crown court because I got remanded to prison in the start of the proceedings, for failing to surrender, being present on my criminal record.

## Chapter 1

### On the 12/02/2014

Emails again got sent to westminster.go@hmcts.gsi.gov.uk in regards to failing to surrender on my PNC, criminal Record.

Westminster sent the memorandum of conviction to me via an email, after my request to the court house; I received this email on the 17/02/2014, not too long after us paying for it.

When I received the email I acknowledged that it showing clearly what I claimed all about and that it was in error.

The failing to surrender had been dismissed by the court along time before hand, so it should have never of been placed on my PNC record.

And this error on my criminal record is why I got sent to prison, due to no fault of my own.

I clearly, know that it should not be on a copy of my Police Record, stating that I was found guilty of this offence.

In understanding this error and knowing that many more were on my record to which I disputed knowledge about I continued in my search for answers; Then on the 19/02/2014, more Email's got sent to other court house's such as; Highbury Corner Magistrates Court, to have all my PNC records checked, for cases that were heard by Enfield Court which Edmonton Police had dealt with.

This took some time to address as there where a list of Records I wanted checked.

While waiting for my replies from the court houses in regards to my criminal recorded being largely in error I had started to feel really depressed because of all of the ongoing in my life so I attend to the local doctors to explain how the police court case and bail conditions had started to deter ate my way of life.
