

made some observations whilst in Mr Cordell's property, 109 Burncroft Avenue which are of some concern:

There is a security gate installed on the inside of the front door.

There were 3 large 'industrial' matrix type printers in the property (1 in the hallway and 2 in the living room)

Mr Cordell talked about running 'events'

A non-standard kitchen ie. a wall seemed to have been removed between the kitchen and the living room creating an open plan effect: No fire door

Much of the property was taken up by the printers, boxes and folders – possible hoarding (6)?
