I would be grateful for your urgent help and support for this family. The above named lady lives with her husband and 3-year-old girl and they have been subject to problems from the next door neighbour and her husband was assaulted and had to call an ambulance. They are terrified and especially the young girl and she is crying. Mrs Mahiyagan suffers from hypertension. She is on treatment. Her husband also suffers from high blood pressure and he is diabetic.

Yours sincerely

Dr H I Sweden
