

### **Prioritising between Group 6 applicants – final step**

A sheltered applicant assessed as having a housing need will be prioritised by:

- The local lettings plan for the sheltered scheme and the level of housing-related support currently being catered for. For example, if there are already tenants in a sheltered scheme with high levels of housing-related need, adding an additional person may stretch resources too far. If that would be the case, then applicants with lower housing-related support needs would be looked at.
- Applicants will be chosen in terms of level of their housing related support need (high, medium or low) which is supportable at the time by a sheltered scheme, and where these are equal by date of application, and where these are equal, by length of residence in Enfield.
