Court			Notes
81. (High Court only) The daim has been issued in the High Court. Do you consider it should remain there?	Yes	<b>√</b> No	High Court cases are usually heard at the Royal Courts of Justice or certain Civil Irial Centres. Fast or multi-tra trials may be dealt with at a Civil Trial Centre or at the
If Yes, in which Division/List?			court where the dalm is proceeding.
If No, in which County Court hearing centre would you prefer the case to be heard?			
B2. Trial (all cases) Is there any reason why your claim needs to be heard at a court or hearing centre?	<b>√</b> Yes	☐ No	· ·
(fYes, say which court and why?  Edmonton County Court being the Defendant's loc	al Court.	7	
Pre-action protocols  You are expected to comply fully with the relevant pre-action protocol.  Have you done so?	√ Yes	No	Before any claim is started, the court expects you to h complied with the relevant pre-action protocol, and to have exchanged information and documents relevant
If you have not complied, or have only partially complied, please explain why.			to the claim to assist in settling it. To find out which protocol is relevant to your daim see: www.justice.go ulv/guidance/courts-and-tribunals/courts/procedure- rules/civil/menus/protocol.htm
Case management information D1. Applications			D1. Applications
Have you made any application(s) in this dalm?  If Yes, what for? (e.g. summary judgment, add another party).	Yes	<b>√</b> No	It is important for the court to know if you have alrea made any applications in the claim (or are about to is one), what they are for and when they will be heard. The outcome of the applications may affect the case management directions the court gives.
For hearing on  102. Track  If you have indicated in the proposed directions a track attached which would not be the normal track for the daim, please give brief reasons		<u> </u>	D2. Track The basic guide by which claims are normally allocat to a track is the amount in dispute, although other
below for your choice.			factors such as the complexity of the case will also b considered. Leaflet EX305 — The Fast Track and the Mudd-track, explains this in greater detail.
