Hello Rachel

Simon did ask Martin the other day about this and Martin said the only document that was missing due to an error on my part was the statement of facts as I had sent him the old insurance one which I corrected by him sending me the one he needed by email and then getting Simon to sign it and sending it back to Martin. Simon has never changed his address on his of Driving Licence or his passport they have always been in my address, if you would need one in his address then we would need to send off to DVLA and get it changed which he has never wanted to do as he feels safer that they always come to my addressee as he sometimes does not get his mail to his address. We have never had any problems before due to them being in my address, do you need the Driving Licence changed to his address for a reason?

On

19th July 2014

it got alleged by police to have got involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at the 198 Great Cambridge Road, Enfield Town, EN1 1UJ. This road is between my home and my mother's house. It is the route that I drive down when I am going to stop at a twenty-four hours McDonald's in my local area. The GMT time zone was around 3:00 hours on a Sunday morning. When on this morning I was passing in my car, what got known as the old Carpetright, 198 Great Cambridge Road, what escalated to proceed next is that I saw a man who I know to be homeless, got detained by police officers, along the roadside, when I noticed them all together, I was taking a right turn out of Lincoln Road and in respect of this I continued to travel on the opposite side of the Great Cambridge Road, to where the police had been?

I turned around at the closest traffic lights, which at the time I understood to be next to the Odeon Cinema. Once I turned my car around to head back towards my friend, I noticed a car park a few premises before 198 Great Cambridge Road, what is a general car park open to the public and belongings to a company named Magnet, I parked there as I could see that the police officer's blocked access to the car park belonging to 198 Great Cambridge Road. In stopping my car, I locked my vehicle and walked up to where the police were detaining the person that I knew. On doing this, a police officer approached me and told me I was under arrest, for a possible breach of the peace, to my surprise. I later got released from police custody and this got achieved with no further action being taken, to be honest, I do not believe I got booked into custody; In that time at the police station I did not get to speak on the phone or in person with a solicitor and I did not have an interview take place. In the early hours of the morning at around 8:00 hours the police de-arrested me and realised I from the Edmonton police station with being the truth is that I never got involved in the organisation of any event on this day at 198 Great Cambridge Road, nor did I supply any equipment, neither did I cause any acts of Anti-Social Behaviour on this date. I got super shocked when months later this day got used in the Anti-Social Behaviour Order against me, so I took a look into the folder after copying the person's Facebook profile whose birthday party had supposed to of taken place. Then I contacted the Hirer of the sound system present at the incident who then supplied me with a headed letter from their company stating that I had not been working for them on this date, I soon after passed the letter to the police and prosecution teams. When taking a finer look into the case paperwork I noticed a few of the following problems;

Information

CAD 10635/19 July refers,
At 2205hrs police were called to the Carpet Right show room on the A10 GREAT CAMBRIDGE ROAD ENFIELD regarding a possible rave in the empty premises. There j was about 20 people inside the premises with sound equipment which they were about to set up. When officers arrived, they blocked the front of the venue to stop anyone else j getting in. The main organiser was spoken to by police.

This male was Simon CORDELL 26/01/1983 of 109 BURNCROFT AVENUE ENFIELD EN3. He admitted to organising the party and said he was expecting several hundred people. Whilst dealing with CORDELL police were told that crowds were gathering outside SOUTHBURY ROAD train station waiting to be told where the rave was. After a long conversation with CORDELL he was arrested to prevent a breach of the peace a take to EDMONTON POLICE STATION C/N 01YE3597/14 refers.

As a result of his arrest the people inside the venue all left. The music system was I loaded into a white van VRM PE52UHW. The owner and driver of this vehicle was Elliot [LAIDLER of 32 GRANTHAN ROAD E12. He stated it was the first time he had worked for CORDELL. The van could not leave the car park as the key for the padlocked gates could not be found. However, after two hours the vehicle was able to leave by driving over the pavement.

Two other vehicles were also able to leave. VRM LD530KB which has a KIA registered I to The Floor Sanding Company 5 WARWICK ROAD EDMONTON N18 and VRM R659YEX a fiesta registered to Bradley DAVIS 79 MEADOW ROAD BARKING.

CORDELL was released at 0400hrs as a breach of the peace was no longer likely to take place.

Clearly CORDELL makes a living by organising raves in NORTH LONDON.

Of note is when officers searched the car park after everyone had left, they found a set of keys by the electronic steel shutters. These keys opened

the shutters to the premises and on the key fob attached to the keys was a PIN number for the alarm system. This is how youths gained entry to the premises. These looked official keys to the venue. It is a I mystery how they came into the possession of the youths. It is possible that CORDELL has obtained them via the security company or an ex-employee. They have been booking into the 66 at YE under the reference **“Blocked Out”**

At 2205hrs police were called to the Carpet Right show room on the A10 GREAT CAMBRIDGE ROAD ENFIELD regarding a possible rave in the empty premises. There j was about 20 people inside the premises with sound equipment which they were about to set up. When officers arrived, they blocked the front of the venue to stop anyone else j getting in. The main organiser was spoken to by police.

This male was Simon CORDELL 26/01/1983 of 109 BURNCROFT AVENUE ENFIELD EN3. He admitted to organising the party and said he was expecting several hundred people. Whilst dealing with CORDELL police were told that crowds were gathering outside SOUTHBURY ROAD train station waiting to be told where the rave was. After a long conversation with CORDELL he was arrested to prevent a breach of the peace a take to EDMONTON POLICE STATION C/N 01YE3597/14 refers.

As a result of his arrest the people inside the venue all left. The music system was I loaded into a white van VRM PE52UHW. The owner and driver of this vehicle was Elliot [LAIDLER of 32 GRANTHAN ROAD E12. He stated it was the first time he had worked for CORDELL. The van could not leave the car park as the key for the padlocked gates could not be found. However, after two hours the vehicle was able to leave by driving over the pavement.

Two other vehicles were also able to leave. VRM LD530KB which has a KIA registered I to The Floor Sanding Company 5 WARWICK ROAD EDMONTON N18 and VRM R659YEX a fiesta registered to Bradley DAVIS 79 MEADOW ROAD BARKING.

CORDELL was released at 0400hrs as a breach of the peace was no longer likely to take place. Clearly CORDELL makes a living by organising raves in NORTH LONDON.

Of note is when officers searched the car park after everyone had left, they found a set of keys by the electronic steel shutters. These keys opened the shutters to the premises and on the key fob attached to the keys was a PIN number for the alarm system. This is how youths gained entry to the premises. These looked official keys to the venue. It is a I mystery how they came into the possession of the youths. It is possible that CORDELL has obtained them via the security

company or an ex-employee. They have been booking into the 66 at YE under the reference

CAD 10635/19 July refers,

At 2205hrs police were called to the Carpet Right show room on the A10 GREAT CAMBRIDGE ROAD ENFIELD regarding a possible rave in the empty premises. There j was about 20 people inside the premises with sound equipment which they were about to set up. When officers arrived, they blocked the front of the venue to stop anyone else j getting in. The main organiser was spoken to by police.

This male was Simon CORDELL 26/01/1983 of 109 BURNCROFT AVENUE ENFIELD EN3. He admitted to organising the party and said he was expecting several hundred people. Whilst dealing with CORDELL police were told that crowds were gathering outside SOUTHBURY ROAD train station waiting to be told where the rave was. After a long conversation with CORDELL he was arrested to prevent a breach of the peace a take to EDMONTON POLICE STATION C/N 01YE3597/14 refers.

As a result of his arrest the people inside the venue all left. The music system was I loaded into a white van VRM PE52UHW. The owner and driver of this vehicle was Elliot [LAIDLER of 32 GRANTHAN ROAD E12. He stated it was the first time he had worked for CORDELL. The van could not leave the car park as the key for the padlocked gates could not be found. However, after two hours the vehicle was able to leave by driving over the pavement.

Two other vehicles were also able to leave. VRM LD530KB which has a KIA registered I to The Floor Sanding Company 5 WARWICK ROAD EDMONTON N18 and VRM R659YEX a fiesta registered to Bradley DAVIS 79 MEADOW ROAD BARKING.

CORDELL was released at 0400hrs as a breach of the peace was no longer likely to take place.

Clearly CORDELL makes a living by organising raves in NORTH LONDON.

Of note is when officers searched the car park after everyone had left, they found a set of keys by the electronic steel shutters. These keys opened the shutters to the premises and on the key fob attached to the keys was a PIN number for the alarm system. This is how youths gained entry to the premises. These looked official keys to the venue. It is a I mystery how they came into the possession of the youths. It is possible that

CORDELL has obtained them via the security company or an ex-employee. They have been booking into the 66 at YE under the reference

On THURSDAY 24th JULY 2014 at around 1625 hours plain clothes officers from YE Gangs Unit had cause to stop the following male on ALMA ROAD EN3: -

Simon CORDELL dob 21/01/1981 I MALE
109 BURNCROFT AVENUE EN3 7JQ PNCID-97/99378V

He was driving a silver Ford Focus vrm MA57LDY on which he is insured but is not the registered keeper. He was stopped as he was driving about 1" from the bumper of the car in front of him, and his driving was erratic. He claimed to know the other driver, this male however he approached officers saying he had been driving like that behind him since YR! CORDELL was obstructive as usual, refusing to get out of his vehicle etc. He stated that his solicitor has a big case going where all his criminal records will be wiped as police, I have unlawfully picked on him for years etc Of interest, he stated that he has 4 brand new speaker systems at home which he is I happy to loan people for raves etc, and that he is inundated with requests to run raves. He stated that he has over 20,000 followers on one social media network, and 70,000 on another. He says that he could organise a rave and get 20,000 people at it without any problems whatsoever, and that he gets a lot of requests from anarchist type groups etc to run raves for them.

On note is that he claims Occupy London, **Black Block**, and other anarchist groups have been asking him to organise one for Notting Hill Carnival so that they can cause carnage and mayhem".

| On THURSDAY 24th JULY 2014 at around 1625 hours plain clothes officers from YE; Gangs Unit had cause to stop the following male on ALMA ROAD EN3: - Simon CORDELL dob 21/01/1981 MALE IC3; | | | |

F509

109 BURNCROFT AVENUE EN3 7JQ PNCID-97/99378V

He was driving a silver Ford Focus vrm MA57LDY on which he is insured but is not the registered keeper. He was stopped as he was driving about 1" from the bumper of the car in front of him, and his driving was erratic. He claimed to know the other driver, this male however approached officers saying he had been driving like that behind him since YR!

CORDELL was obstructive as usual, refusing to get out of his vehicle etc. He stated that his solicitor has a big case going where all his criminal records will be wiped as police have unlawfully picked on him for years etc

Of interest, he stated that he has 4 brand new speaker systems at home which he is happy to loan people for raves etc, and that he is inundated with requests to run raves.

He stated that he has over 20,000 followers on one social media network, and 70,000 on another. He says that he could organise a rave and get 20,000 people at it without any problems whatsoever, and that he gets a lot of requests from anarchist type groups etc to run raves for them.

Of note is that he claims Occupy London, Black Block, and other anarchist groups have been asking him to organise one for Notting Hill Carnival so that they can "cause carnage and mayhem".

I was driving down Alma Road: --

This day was a Thursday and at 16:30 hours and on the **24th July 2014.**

I personally got alleged to have admitted to policing officers that I organized illegal raves and this is too far a distance away from any prospect of a reality for there to be any truth in. What really took place is that on this evening at about 16:30 hours, I was driving down Alma Road. I use this road to travel between my mother's house and my flat as it is the shortest and fastest route on most days. My Nan used to live off Alma Road just before **2014**, so this method of a chosen route means that I would drive or pass by her house, before she stayed at my mother's house. I was travelling from my mother's home on the

24th July 204:

a little while after visiting my Nan and my mother due to my Nan's illness and to also say hello to them and others. The police pulled me over on my travels back to my home, I used Alma Road as a route and not managed to travel less than half of the way to my destination when I noticed an unmarked police car as it was showing to take a right turn, the opposite way from which I was travelling. It took a right turn out of Durant's Road when I realized it was an unmarked police car, I noticed this as I had seen the driver on active duty in the local area beforehand, as I drove past the unmarked police car it changed its sign to the way I was heading, it showed left. The car followed me and then put on its blue lights, so I pulled over to the left-hand side of the road, opposite the BMW repair centre along Alma Road ajar to the football field or rugby field that is on the other side of the road to the plan of field next to the high semi high rise of maisonette flats. When I stopped, I pulled over my car that I had driven on the left-hand side of the pavement that leads to the back entrance of Durant's Park. I took note to the male officer who got out of the passenger side of their undercover car and approached my driver's door. In understanding what they had been like to me, so I decided that the best thing for me to do to aid in their request without my solicitor or no witness being present was to opened my car window to the man just the slightest little, bit and asked politely why I got pulled over. The police officer said he was not sure why, but explained his colleague instructed him to do so. It got easy to think to myself a thought like; all these coppers have gone mad, the police officer told me that he did not know why, he pulled me over, I had questions for him as I asked him more questions; He then hurried and back to his unmarked police car. He soon after re-approached me while I stayed safe locked in my car, but this time he came with the driver his college. I waited for them to approach and then as they arrived and bent down to the gap in my window, I asked again why I got pulled over, this time the driver of the police car pulled out his truncheon and said I had to get out of my car, and that if I declined my window would get smashed. Stunned is how I felt, amazingly stunned, I noticed that he really meant what he said and did not want to pay for a

window, so I got out of my vehicle as I had nothing to hide, I could not have been any, surer of anything other than that I did not commit any offence, in fact I committed no offence whatsoever, and I definitely was not showing up as wanted by the police. It got finally explained to me by the police that I got pulled over because I drove too close to the car in-front of me. This car referred to did not get stopped by the officers and had not gotten stopped by the driver of that vehicle. I then got accused of having drugs, and I continued to get searched, and my vehicle also went through the same procedure of a full custom search and nothing got found as I had nothing illegal on me. It then got asked by the police officers what I had recently got up to, so I said to them both; that I was setting up my company catalogue and that catalogue I was building with a friend, this included talk about my company website; I explained to the police officers that I almost finished completing it, I also said to them that I was trying to achieve positive effects within today's society with my business that I am building a brand for. Once the police checked everything, they needed to get parted after I shook hands with them both and said goodbye. Then I made my way home, and I surely did not cause any Anti-Social Behaviour on the

24th July 2014.

Shortly after the police added this day also into the Anti-Social Behaviour Order and now, I have got the following problems with the case file paperwork and governing laws representing the case.

Information

On arrival at Millmarsh Lane there were numerous young people milling around trying to locate the rave which was eventually found on the North footway just by the Greggs Factory. It was a small strip of concrete completely open to the air with a large amplified sound system at the far end obstructed from view of the street by vegetation. Simon Cordell was at the gate and immediately shut it on police arrival. Eventually, Mr Cordell agreed to let me and APS Ames onto the property to confirm there was no damage or theft offences being committed.

Simon Cordell's car a silver ford focus VRM MA57LDY was present and contained at least three massive nitrous oxide tanks. When queried he admitted he had seen the news article about the dangerous effects of this and how the Government would probably regulate it.

There was about 30 people in so in discussion Mr Cordell was told it was an illegal rave and I would be seeking Supt authority to seize the sound equipment. Mr Cordell began to pack away his equipment stating it was a birthday party only, but he was going.

Whilst stood waiting for him to leave a group of about 100 teenagers turned up on mass and immediately became confrontational stating, they were going to storm the rave. As we had good numbers the group initially dispersed but tried to go via a back entrance to the venue which led to arrests when scuffles with police started.

The group then completely moved off but returned about twenty minutes later in even bigger numbers. The situation quickly escalated as the group started throwing cones and general road furniture towards police, luckily dogs were on

hand and the crowd was dispersed after numerous missiles were thrown at police and a number of arrests were made. The group then hung around and got on trains only to try and enter Progress Way and the

The net result was at least 4 arrests for various public order and one officer injured who previous rave site. It was only large numbers of TSG that prevented the group forcing their way in. Again, Simon Cordell and his silver Focus were present.

Simon Cordell's attitude is that he is a modern day businessman and the actions of the group had nothing to do with him. It was fortunate more officers were not injured.

| <p>On arrival at Millmarsh Lane there were numerous young people milling around trying to locate the rave which was eventually found on the North footway just by the Greggs Factory. It was a small strip of concrete completely open to the air</p> | | | |

with a large amplified sound system at the far end obstructed from view of the street by vegetation. Simon Cordell was at the gate and immediately shut it on police arrival. Eventually, Mr Cordell agreed to let me and APS Ames onto the property to confirm there was no damage or theft offences being committed.

Simon Cordell's car a silver ford focus VRM MA57LDY was present and contained at least three massive nitrous oxide tanks. When queried he admitted he had seen the news article about the dangerous effects of this and how the Government would probably regulate it.

There was about 30 people in so in discussion Mr Cordell was told it was an illegal rave and I would be seeking Supt authority to seize the sound equipment. Mr Cordell began to pack away his equipment stating it was a birthday party only but he was going.

Whilst stood waiting for him to leave a group of about 100 teenagers turned up on mass and immediately became confrontational stating, they were going to storm the rave. As we had good numbers the group initially dispersed but tried to go via a back entrance to the venue which led to arrests when scuffles with police started.

The group then completely moved off but returned about twenty minutes later in even bigger numbers. The situation quickly escalated as the group started throwing cones and general road furniture towards police, luckily dogs were on hand and the crowd was; dispersed after numerous missiles were thrown at police and a number of arrests were made. The group then hung around and got on trains only to try and enter Progress Way and the

The net result was at least 4 arrests for various public order and one officer injured who previous rave site. It was only large numbers of TSG that prevented the group forcing their way in. Again, Simon Cordell and his silver Focus were present.

Information

On SUNDAY 27th of JULY 2014 police drove down MILLMARSH LANE ENFIELD, because information had been received that a rave would be taken place that evening. Police drove down and found the rave, which was on a piece of land between GREGGS and PUGH CHARLES GLASS.

This appeared to be a driveway that was over grow, but had a gate on it, which the people at the rave had the key for.

Police spoke to the people inside and they did not know if they had any first aiders there! and they said that had one fire extinguisher on the site.

The people there let police in and there was no alcohol there, but they had water to drink. The rave was outside on open land. There was a big stack of speakers, which was been powered by a van belonging to Simon CORDELL.

Police saw the van drive out with Simon CORDELL driving it.

The rave was a 20th birthday do for one of people there.

The rave was organised by Simon CORDELL and was connected to another rave on ALMA ROAD.

A friend asking me to attend at Mill marsh Lane: --

The night got dark and stormy, making it so that I could not fall to sleep, I could hear a metal gate getting blown open and closed as it made a creaking sound from not being greased and oiled the sun coming through the curtains meant that it had turned into the following date of the;

27th July 2014

and I planned to stay indoors, right up and till when I received a phone call, this phone call was of a friend asking me to attend at Mill marsh Lane as there was private land with a warehouse being occupied by friends at the rear, so I agreed to meet them all. I had never been there in the first place beforehand, so I brought my coat. Along in my route to my destination I stopped and pick up some MacDonald's for me to eat and when doing this I ordered a few extras; cheeseburgers for everyone else to eat who I met. When soon after, I finally arrived and therefore had attended at Mill marsh Lane I started too relaxed with my friends for that time given to us. In all honesty, I never knew of any event taking place on this day at first, right up and till my friend received a phone call asking him if another one of his friend's birthday parties can take place at where he lived. I understood that an agreement took place between them both, at no part of my own. For a long time, I continued not to understand too much until a convoy of a group of different people arrived and I spoke to some of them who were then present. In talking to the others, they explained that the police kicked them out of another occupied place of residents, while having a private birthday party for a member of the occupation. Then I watched a sound system being set up and other people moving their belongings into the occupied building; the reason being is that I like sound systems. Members of the local police force soon after arrived and were talking to people at the gate, so I took a nosey wander over to see everything going on. It meant to me, that in me doings so, I noticed that the police officers accepted that the occupants had placed LASPO notices on the premises and were treating as their home, even low this got accepted the police officers still got given entry to the premises as an equal to other occupiers. In this being granted they took the opportunity and forcibly kicked every person out of their home. The sound system then got ordered to get removed or would get seized by the attending police officers. I got invited as a visitor but still understand that the sound system had too then get moved at the request of police, so I aided in their help, the true owners of the PA equipment were the occupier's friends and I did not have any hand in this and as a continuation off the events I headed home. On this day I owned none of the sound equipment, and I did not rent or lend any sound equipment to anyone in respect of this occasion or take part in the organisation of anything other than going to see friends. I did not cause any acts of Anti-Social Behaviour on the

27th July 2014

as the police latter stated that I did.

On SATURDAY the 7th JUNE 2014 I was on duty in full uniform, working as YE3N section Supervisor.

At 0203Hrs approximately I attended a disused warehouse at Progress Way EN1, where an illegal rave was being held. I attended with Inspector Hamill YE1N and representatives from the Environmental Health Office at Enfield Council, approaching the gates and asking to 'speak with the organiser'.

There I spoke with a man who I recognised as Simon Cordell, from previous illegal rave events on Enfield Borough. I would describe him as a light skinned black male, AA35 and at the time he was wearing a white long-sleeved T shirt and Grey bottoms, he is approximately f509 tall and of medium build. He refused to provide his details to the council representatives in order that a noise abatement order could be served, however he was provided with a copy. Approximately 10 minutes later we left the scene having risk assessed the incident.;

I returned to the venue approximately two hours later, I again asked to speak with the organiser however none came forward. I asked the two men on the door, who appeared to be party goers to let me in to have a look around. I walked around and there was extremely loud drum and bass music playing, with approximately 100 people dancing. Party goers observed me in Police uniform and ran away into the large open area, presumably because of drug misuse matters - there was significant evidence to suggest illegal drugs were being used such as discarded self-seal bags, and empty canisters consistent with 'laughing gas' use.

At approximately 0630Hrs we received a call to nearby Woodgrange Gardens, to reports of a male assaulted. Following an initial investigation this individual matched the description of a male earlier observed on the warehouse roof. It appeared that he had fallen off of the roof and into some bushes and his injuries were consistent with a fall from height. He was heavily under the influence of alcohol and quite probably illegal drugs. He went to North Middlesex Hospital with the London Ambulance Service.

On Friday 6th June **2014** I on duty in full uniform working as the Duty Officer for the Borough of Enfield. My working hours for this evening were 2200hrs to 0700hrs. During the early hours of the 7th June I was made aware of a potential Rave that was in progress in a discussed Industrial Building on Progress Way. I have had a CAD created reference 1047/7June and dispatched officers to the location to access numbers, crowd dynamics and gather information around times the vent is likely to run until and also to make contact or identify the potential organiser. Officers have reported back that Tyrone Benjamin and Simon Cordell were at location and believed the event organisers. There were approximately 200 people in attendance, the event was covered by security officers who had stated that they were volunteers and not licences through S1A. Officers have spoken with staff to confirm that all fire escapes were clear, that there were sufficient fire extinguishers in place and that there were first aid kits available. The event was also being powered by generators. Staff were forthcoming with information but refused to allow officers inside the venue. Due to call demand during the shift and low policing numbers it was inappropriate to enter the premises to seize the equipment and close the event, but deployed officers to conduct regular visits to the venue, where number at their peak were 500 but reported to be quiet and peaceful. Local authority noise team were contacted reference T548832. The event was expected to run until 0700hrs on Saturday 7th June with plans for the event to continue again later in the evening on the 7th June. During the course of the shift we received a total of calls from local residence complaining about the noise of the rave. On Saturday 7th June **2014** I was again on duty in full uniform working as the Borough's Duty Officer for the hours of 2200hrs to 0700hrs. As with the previous evening I was made aware again of a Rave at an empty Warehouse of Progress Way. As with the previous evening, I have posted officers to make regular visits to the venue to access numbers, crowd dynamics and general intelligence around the event. During the course of the number numbers at the event around 300. At 0200hrs I have attended the venue with A/PS Miles and two environmental officers. Were located to the venue that was located off

progress way, down the side off “Tops Tiles” the warehouse was at the bottom of this side road behind a metal gate. The gate padlock had been removed and a

security officer was opening the gate to allow access. As myself and A/PS Miles and the EO have approached the gate they have closed the gate preventing us access. I have introduced myself and asked to speak with the event organisers, to which a member of staff has disappeared into the venue and returned with a male who I would describe as light skinned black male, Approximate age of 35, wearing a white long-sleeved t-shirt, grey bottoms. I recognised this male as Simon Cordell. I have introduced myself and asked if we could speak at the bottom of the road where the noise levels would allow us to talk. We have all moved to the bottom of Progress Way where I have introduced myself and explained the purpose of the visit and asked “It’s Simon isn’t it?” to which he has replied “Yes” I have then further asked “Simon Cordell” to which he has indicated that it was but not verbally confirmed the answer. I have introduced the two EO’s the

Simon who have explained the purpose of their visit and the fact that they were going to severe a noise abatement order, they have produced the paperwork and asked tire male for his name to which he has refused to provide his details. It was explained that without the name of a person from the venue the EO's are unable to serve the paperwork. As we have been unable to progress this line of action, I have made the request to Simon Cordell to turn the music down. During the course of the 8th June we had approximately 40 calls complaining about the noise. During the course of the shift police had contact with several groups that had been attendance at the Rave, all of which were extremely intoxicated and by their behaviour had clearly been using drugs, which they confirmed they had used, but on police contact did not have any drugs on them. As officers where not permitted access into the venue it is unknown the extent of drug and alcohol abuse which may or may not have taken place within., however, a call from a member of public CAD 2410 of 8th June received at 0535hrs stated that drugs were openly being sold. In relation to any additional calls and increase in demand as the result of this illegal event taking place, at 0310hrs on the 8th June PS 92YE noticed a male from the roof of an adjoining building to the venue. The venue backs onto that of the Police parade site which meant as officers enter and left the premises, they had a full and unobstructed view of the rear of the Rave premises, officers have attended the venue, however, the male had already come down from the roof. Staff where given advise as to ensuring that people do not get onto thereof again. At 0504hrs CAD 2290 8th June police were called to a male assaulted in the street. Officers and LAS have attended the location of Woodgrange Avenue where the male had injuries of suspected broken wrists and a bloody mouth, he initially stated that he had been attacked from behind but on investigation it transpired that this male had been one of the people seen on the roof earlier and had fallen whilst getting down

On Friday 6th June **2014** I on duty in full uniform working as the Duty Officer for the Borough of Enfield. My working hours for this evening were 2200hrs to 0700hrs. During the early hours of the 7th June I was made aware of a potential Rave that was in progress in a discussed Industrial Building on Progress Way. I have had a CAD created reference 1047/7June and dispatched officers to the location to access numbers, crowd dynamics and gather information around times the vent is likely to run until and also to make contact or identify the potential organiser. Officers have reported back that Tyrone Benjamin and Simon Cordell where at location and the believed the event organisers. There were approximately 200 people in attendance, the event was covered by security officers who had stated that they were volunteers and not licences through S1A. Officers have spoken with staff to confirm that all fire escapes where clear, that there were sufficient fire extinguishers in place and that there were first aid kits available. The event was also being powered by generators. Staff were forthcoming with information but refused to allow offices inside the venue. Due to call demand during the shift and low policing numbers it was

inappropriate to enter the premises to seize the equipment and close the event, but deployed officers to conduct regular visits to the venue, where number at their peak where 500 but reported to be quiet and peaceful. Local authority noise team were contacted reference T548832. The event was expected to run until 0700hrs on Saturday 7th June with plans for the event to continue again later in the evening on the 7th June. During the course of the shift we received a total of calls from local residence complaining about the noise of the rave. On Saturday 7th June 2014 I was again on duty in full uniform working as the Borough's Duty Officer for the hours of 2200hrs to 0700hrs. As with the previous evening I was made aware again of a Rave at an empty Warehouse of Progress Way. As with the previous evening, I have posted officers to make regular visits to the venue to access numbers, crowd dynamics and general intelligence around the event. During the course of the number numbers at the event around 300. At 0200hrs I have attended the venue with A/PS Miles and two environmental officers. Were located to the venue that was located off progress way, down the side off "Tops Tiles" the warehouse was at the bottom of this side road behind a metal gate. The gate padlock had been removed and a

security officer was opening the gate to allow access. As myself and A/PS Miles and the EO have approached the gate they have closed the gate preventing us access. I have introduced myself and asked to speak with the event organisers, to which a member of staff has disappeared into the venue and returned with a male who I would describe as light skinned black male, Approximate age of 35, wearing a white long-sleeved t-shirt, grey bottoms. I recognised this male as Simon Cordell. I have introduced myself

and asked if we could speak at the bottom of the road where the noise levels would allow us to talk. We have all moved to the bottom of Progress Way where I have introduced myself and explained the purpose of the visit and asked "It's Simon isn't it?" to which he has replied "Yes" I have then further asked "Simon Cordell" to which he has indicated that it was but not verbally confirmed the answer. I have introduced the two EO's the Simon who have explained the purpose of their visit and the fact that they were going to serve a noise abatement order, they have produced the paperwork and asked tire male for his name to which he has refused to provide his details. It was explained that without the name of a person from the venue the EO's are unable to serve the paperwork. As we have been unable to progress this line of action, I have made the request to Simon Cordell to turn the music down. During the course of the 8th June we had approximately 40 calls complaining about the noise. During the course of the shift police had contact with several groups that had been attendance at the Rave, all of which were extremely intoxicated and by their behaviour had clearly been using drugs, which they confirmed they had used, but on police contact did not have any drugs on them. As officers where not permitted access into the venue it is unknown the extent of drug and alcohol abuse which may or may not have taken place within., however, a call from a member of public CAD 2410 of 8th June received at 0535hrs stated that drugs were openly being sold. In relation to any additional calls and increase in demand as the result of this illegal event taking place, at 0310hrs on the 8th June PS 92YE noticed a male from the roof of an adjoining building to the venue. The venue backs onto that of the Police parade site which meant as officers enter and left the premises, they had a full and unobstructed view of the rear of the Rave premises, officers have attended the venue, however, the male had already come down from the roof. Staff where given advise as to ensuring that people do not get onto thereof again. At 0504hrs CAD 2290 8th June police were called to a male assaulted in the street. Officers and LAS have attended the location of Woodgrange Avenue where the male had injuries of suspected broken wrists and a bloody mouth, he initially stated that he had been attacked from behind but on investigation it transpired that this male had been one of the people seen on the roof earlier and had fallen whilst getting down

Hi Martin

Please see the list of emails that I sent to the insurance company that put the claim in for the 15/09/2014 the ref for this claim for accident exchange was ref: A27/190530 AX REF 403050(11) they were sent from Simon email address. Also please see the attached document that was sent over to KGM so the claim could be taken off of Simon insurance from Chris Garvin from accident exchange. I was the one that had to deal with this to sort this out as you will see as KGM was not doing anything to sort this claim out which was against Simon name. This was cleared from Simon insurance in May 2014 so I cannot understand why it is still on Simon insurance. I have sent this over before to you when it was sorted but it seems to still be on there and KGM did say to me that they would send you the details so it could be taken off. Can this please be addressed, and this taken off Simon insurance so that his insurance is not so high and his no claims can come back into force.

Regards

Thank you so much for your email about organising an international music festival in aid of Mind next year. It sounds like a wonderful idea. We're absolutely thrilled to have your support and would love to help in any way we can with your fundraising. If you could let me know your postal address, I'll pop a fundraising pack in the post to you which should arrive in 10-14 days. There'll be lots of information in the pack by way of a starting point, but we can provide materials for on the day, and advice and support regarding fundraising and help from our media team with publicizing the event if appropriate. It would be great to hear more about the festival and how it will run when you have a minute. Thank you once again for your support and I look forward to hearing from you.

A clear lack of due diligence towards my life has occurred for months now without any vicissitude getting rectified by the Enfield Homes in them taking the right procedures to fine-tune the quandaries with the damp and heating in my flat!

Asbo Case

Mill Marsh Lane!

10/08/2014 Mill Marsh Lane said party, Used in ASBO Case: --

It is further alleged to have got involved in the organization of and/or supplied equipment for and or attended an illegal rave on the

9th to 10th August 2014

at Mill marsh Lane, I dispute this, I did not get involved in organisation of any rave, and I did not supply equipment. The police have alleged that this event got run by Every Decibel Matters, I can confirm that I am not an employee of this organization, or a shareholder, or a director and have no controlling interest in this company, I exhibit a letter sent from Every Decibel Matters Ltd “to whom it may concern” verifying this, I exhibit this as exhibit SC/19. On this day I planned to go to a birthday dinner, but I was not present at an illegal rave. Police came and requested that people leave and so I left, a conversation did occur with the police concerning three empty CO2 gas canisters that I carried in my vehicle, VR****. I displayed knowledge of nitrous oxide, but this was just in a general conversation with the police as it is information I had to learn when carrying CO2 cylinders for welding and I

also remember talking to a police officer about an occupier I met called Jena having passed her first aid test, this was general conversation. It is correct that it disputes encouraging any crowd behind a gate to come in and I did not incite others to breach the peace, and I did not put anyone in danger.

I deny behaving in an anti-social manner on this date, and I caused no Anti-Social Behaviour.

I am a police officer attached to the Anti-Social Behaviour Team as part of the Community Safety Unit based at Enfield Civic Centre.

This is a statement of hearsay evidence compiled from police records to be relied upon in regards to an application as allowed by Section 1(c) of the Crime and Disorder Act 1998 as amended by the Anti-Social Behaviour Act 2003 against Simon CORDELL born 21st January 1981, of 109 Bumcroft Avenue, Enfield. EN3.

I have looked at the following police databases, Police National Computer (PNC), Crime Reporting and Information System (CRIS) and Criminal Intelligence (CRIMINT). The PNC holds information concerning arrests, case progression and previous convictions; it also holds information about vehicle ownership. CRIS is the database police use to record crime and document the investigation. The CRIMINT database holds intelligence provided by Members of the Metropolitan Police Service or information they have been told by members of the public.

This statement aims to show supporting evidence of the course of behaviour by Simon CORDELL I will be providing the hearsay evidence obtained from these police indices as this information has either been witnessed first-hand by the officers themselves or passed on by independent witnesses. There is an operational need to protect the identity of some witnesses who, for example are too frightened due to fear of reprisal by the Defendant to give evidence. Those witnesses who names are known and were content for their identity to be disclosed are given in the statement. In the case of the information obtained from these police indices coming from named Members of the Police Service it is felt that it is neither practicable nor proportionate to require each witness to be called individually to give evidence in court.

Simon CORDELL is known to police and has 28 previous convictions. A copy of his PNC is available with this application.

Illegal Raves

Illegal raves are a strain on society; they break down communities and cause residents and members of the public harassment, alarm, and distress due to noise nuisance and the number of individuals that come into the area. These raves are usually poorly run and cause damage not only to the buildings being used but to the environment. The properties being used for such events are commonly disused buildings; the organisers have no idea as to whether these buildings are safe. Recently there have been a number of deaths at raves; the most recent was a young 15-year-old male who died at a **Rave in Croydon** which was believed to be attended by around 2000 revellers. Raves are notorious for drugs being present. These illegal events have a huge impact on Police. Officers are called to the venues and also there are a huge number of calls from members of the public and residents complaining. This type of illegal event cannot be tolerated, and action must be taken to disrupt these events and if a court order is not granted then Simon CORDELL is free to continue to organise such events. Simon CORDELL has openly admitted to officers that he runs such events and has even bragged about it to Police.

Reports involving Simon CORDELL:

1. On 10th August 2014, Officers arrived at Millmarsh Lane, there was numerous young people milling around trying to locate the rave which was eventually found on the North footway just by the Greggs factory. It was a small strip of concrete completely open to the air with a large amplified sound system at

the far end obstructed from view of the street by vegetation. Simon CORDELL was at the gate and immediately shut it on Police arrival. Eventually, Mr CORDELL agreed to let me and A/PS AMES onto the property to confirm there was no damage or theft offences being committed. Simon CORDELL'S silver Ford Focus VRM MA57LDY was present and contained at least three massive nitrous oxide tanks. When queried he admitted he had seen the news article about the dangerous effects of this and how the Government would probably

regulate it. There was about 30 people in so in discussion Mr CORDELL was told it was an illegal rave and I would be seeking Supt authority to seize the sound equipment. Mr CORDELL began to pack away his equipment stating it was a birthday party only, but he was going. Whilst stood waiting for him to leave a group of about 100 teenagers turned up on mass and immediately became confrontational stating there were going to storm the rave. As we had good numbers the group initially dispersed but tried to go via a back entrance to the venue which led to arrests when scuffles with Police started. The group then hung around and got on trains only to try and enter Progress Way and the previous rave site. It was only large numbers of TSG that prevented the group forcing their way in. Again, Simon CORDELL and his silver Focus were present. Eventually, the group began to move off. The net result was at least 4 arrested for various public order and one officer injured who may require a stitch or two to his arm. Simon CORDELL's attitude is that he is a modern-day businessman and the actions of the group had nothing to do with him. It was fortunate more officers were not injured.

2. On 27th July **2014**, Police drove down MILLMARSH LANE, ENFIELD, because information had

been received that a rave would be taking place that evening. Police drove down and found the rave, which was on a piece of land between Greggs and Pugh Charles Glass. This appeared to be a driveway that was overgrown, but had a gate on it, which people at the rave had the key for. Police spoke to the people inside and they did not know if they had any first aiders there and they said that they had one fire extinguisher on the site. The people there let police in and there was no alcohol there, but they had water to drink. The rave was outside on open land. There was a big stack of speakers which was being powered by a van belonging to Simon CORDELL. Police saw the van drive out with Simon CORDELL driving it. The rave was a 20th birthday party for one of the people there. The rave was organised by Simon CORDELL and was connected to another rave on ALMA ROAD.

3. On Thursday 24th July **2014** at around 1625 hours, plain clothes officers from YE Gangs Unit had cause to stop the following male on ALMA ROAD EN3. Simon CORDELL. He was driving a silver Ford Focus vrm MA57LDY on which he is insured

but is not the registered keeper. He was stopped as he was driving about

1" from the bumper of the car in front of him and his driving was erratic. He claimed to know the other driver: this male however approached officers saying he had been driving like that behind him since YR. CORDELL was obstructive as usual, refusing to get out of his vehicle etc. He stated that his solicitor has a big case going where all his criminal records will be wiped as Police have unlawfully picked on him for years etc.

Of interest he stated that he has 4 brand new speaker systems at home which he is happy to loan people for raves etc and that he is inundated with requests to run raves. He stated that he has 20,000 followers on one social media network and 70,000 in another. He says that he could organize a rave and get 20,000 people at it without any problems whatsoever, and that he gets lots of requests from anarchist type groups etc to run raves for them. Of note he claims Occupy London, Black Block and other anarchist groups have been

asking him to organize one for Notting Hill Carnival so that they can "Cause carnage and mayhem".

Ref: YERT00376229. PC EDGOOSE.

4. On 19th July **2014** at 2205 hours Police were called to the Carpet Right show room on the A10 Great Cambridge Road Enfield regarding a possible rave in the empty premises. There was about 20 people inside the premises with sound equipment which they were about to set up. When officers arrived, they blocked the front of the venue to stop anyone else getting in. The main organiser was spoken to by Police. This male was Simon CORDELL. He admitted to organising the party and said he was expecting several hundred people. Whilst dealing with CORDELL Police were told that crowds were gathering outside Southbury Road train station waiting to be told where the rave was. After a long conversation with CORDELL he was arrested to prevent a breach of the peace and taken to Edmonton Police Station C/N 01YE3597/14 refers. As a result of his arrest the people inside the venue all left. The music system was loaded into a white van VRM PE52UHW. The owner and driver of this vehicle was Elliot LAIDLER. He stated it was the first time he had worked for CORDELL. The van could not leave the car park as the key for the padlocked gate could not be found. However, after two hours the vehicle was able to leave by driving over the pavement. CORDELL was released at 0400 as a breach of the peace was no longer likely to take place. Clearly CORDELL makes a living by organising raves in North London. Of note is when officers searched the car park after everyone had left, they found a set of keys by the electronic steel shutters. These keys opened the shutters to the premises and on the key fob attached to the keys was a PIN number for the alarm system. This is how youths gained entry to the premises. It is possible that CORDELL has obtained them via the security company or an ex-employee.

1. C/N 01YE/3597/14 relates to the arrest of Simon CORDELL as above. He was arrested to prevent a breach of the peace due to setting up a rave. He was later released from custody.
2. CRIS1914855/14 - CAD 11854 20th June 2014. Police discovered a Rave being set up at 1 Falcon Park, Neasden Lane NW10 and closed the rave down on the authority of Chief Superintendent Gideon SPRINGER. All persons at the rave left the venue upon Police advice to leave. However, under S64 CJPO the vehicle and sound system were seized from the DJ again under authority of Chief Superintendent Gideon SPRINGER. The vehicle VRM CX52JRZ a white Ford transit was removed from the property and taken to Wembley Police Station. The owner of the vehicle is Mr Simon Paul CORDELL. The vehicle was later restored. 3. On 7th June 2014, it came to Police notice that a rave was taking place in an empty Warehouse in Progress Way, Enfield EN1.

4. On 25th May 2014 at 23:21 hours, Police were called to Unit 5 St Georges Industrial Estate, White Hart Lane N17 by the security guard at the venue stating, 'suspects were on premises'. Police attended the venue and a large group of approx. 20 young males and females, between 18-35 years of age and of mixed origins ran out of the rear of the industrial estate through an alleyway leading to Thetford Close N13.

Several males were still inside the premises claiming to be squatters. The remote viewing CCTV at the venue was contacted and the alarms had just been activated and it had footage of several suspects causing damage to the security cameras and door locks at the venue upon opening the premises. After several minutes and upon hearing Police organising entry to the premises in order to search for suspects concerned in Criminal Damage the remaining occupants ran out of the rear doors to the venue. The front shutter then opened and a White Ford Transit vehicle VRM CX52JPZ attempted to exit the premises. The driver an IC3 male gave the particulars of Simon CORDELL. He stated that he had just attended the venue to give his friends some food as they were squatting. The rear of the Transit van contained a set of large speakers and music equipment, but CORDELL insisted he used the equipment for festival work and was not setting up for a Rave. 9. On 24th May 2013 at about 2030 hours Police responded to reports of a suspect on at the Old Ponders End Police Station. On Arrival Police contained the area. Simon CORDELL was seen exiting an alleyway to the side of the Police station at the rear of the Kinder Garden Centre. In the car park to the rear of the premises was a Silver Ford Focus MA57LDY. Whilst waiting to gain access Joshua HOLLY-FIELD popped his head over the boarding to the premises and climbed over on Police request. He was detained and searched with nothing found on his person. When asked why he was in the ground of the premises he stated "'Squatters rights', I haven't done anything wrong, you can speak to my lawyer who is with your colleagues round the front". This lawyer turned out to be Simon CORDELL. Whilst officers checked for signs of break-ins it was established through HOLLY-FIELD that they were looking for a place to set up rave over the bank holiday period. The Focus was searched in the presence of CORDELL as it smelt strongly of cannabis with a negative result. CORDELL stated that when he sets up rave's he attracts in excess of 500 people over a 3-day period. CORDELL is planning to set up a rave and actively looking for the premises.

opened the car door to speak to the driver and he said, "What the fuck do you want, you can't stop me". We identified ourselves as Police Officers by displaying my warrant card and he continued to say you have no power to stop me what are your powers. It was explained why we were there and why we had stopped him. He remained aggressive saying that we did not know how to do our job and that we had no powers to search him. The other males in the van were telling the male to calm down and let us get on with it. He was still aggressive saying that he was all legit saying that we had no reason to be there. He then turned off the engine and jumped out the van and walked toward the pavement. We explained he was detained for the search and he continued to shout, "Don't you fucking touch me, I can walk around". He continued to question our grounds and I again explained them to him. An elderly member of the public was walking past, and he shouted at him "Oi mate the fucking Police want to search you coz they think you may be a burglar". The male turned around looked in disgust and walked off again. CORDELL continued to walk around by our vehicle, and it was again explained he was detained for search as he was walking away from him Police took hold of his right arm. As this happened, he shouted "Don't fucking touch me". He was continually aggressive. He was shouting "Get the fuck off me" and members of the public were at their windows trying to see what was going on. PC ASTON was trying to take out his left arm while PC SCOTT was trying to take out his right. He was shouting "Get the fuck off me" continually and another unit arrived. Handcuffs were applied in the rear stack position as he was still being aggressive and uncooperative. As he calmed down it was again explained why he was being searched and he said, "you can't fucking touch me". He was searched under section 1 of pace and nothing was

found. The van was searched and again nothing was found. The other males were searched under the same powers and nothing was found. PC ASTON did check on the van and the Pnc stated that it had no insurance. CORDELL stated he had traders which could not be proved so the van was seized. He said, "you are not fucking taking my van". At 1446 he was arrested for no insurance and section 5 of the public order act as he could not provide a valid name or address. CORDELL was later charged with no insurance and Section 5 public order.

I am a police officer attached to the Anti-Social Behaviour Team as part of the Community Safety Unit based at Enfield Civic Centre.

This is a statement of hearsay evidence compiled from police records to be relied upon in regards to an application as allowed by Section 1(c) of the Crime and Disorder Act 1998 as amended by the Anti-Social Behaviour Act 2003 against Simon CORDELL born 21st January 1981, of 109 Bumcroft Avenue, Enfield. EN3.

I have looked at the following police databases, Police National Computer (PNC), Crime Reporting and Information System (CRIS) and Criminal Intelligence (CRIMINT). The PNC holds information concerning arrests, case progression and previous convictions; it also holds information about vehicle ownership. CRIS is the database police use to record crime and document the investigation. The CRIMINT database holds intelligence provided by Members of the

Metropolitan Police Service or information they have been told by members of the public.

This statement aims to show supporting evidence of the course of behaviour by Simon CORDELL I will be providing the hearsay evidence obtained from these police indices as this information has either been witnessed first-hand by the officers themselves or passed on by independent witnesses. There is an operational need to protect the identity of some witnesses who, for example are too frightened due to fear of reprisal by the Defendant to give evidence. Those witnesses who names are known and were content for their identity to be disclosed are given in the statement. In the case of the information obtained from these police indices coming from named Members of the Police Service it is felt that it is neither practicable nor proportionate to require each witness to be called individually to give evidence in court.

PNC

Simon CORDELL is known to police and has 28 previous convictions. A copy of his PNC is available with this application.

Illegal Raves

Illegal raves are a strain on society; they break down communities and cause residents and members of the public harassment, alarm and distress due to noise

nuisance and the number of individuals that come into the area. These raves are usually poorly run and cause damage not only to the buildings being used but to the environment. The properties being used for such events are commonly disused buildings; the organisers have no idea as to whether these buildings are safe. Recently there have been a number of deaths at raves; the most recent was a young 15-year-old male who died at a **Rave in Croydon** which was believed to be attended by around 2000 revellers. Raves are notorious for drugs being present. These illegal events have a huge impact on Police. Officers are called to the venues and also there are a huge number of calls from members of the public and residents complaining. This type of illegal event cannot be tolerated, and action must be taken to disrupt these events and if a court order is not granted then Simon CORDELL is free to continue to organise such events. Simon CORDELL has openly admitted to officers that he runs such events and has even bragged about it to Police.

Reports involving Simon CORDELL:

1. On 10th August 2014, Officers arrived at Millmarsh Lane, there was numerous young people milling around trying to locate the rave which was eventually found on the North footway just by the Greggs factory. It was a small strip of concrete completely open to the air with a large amplified sound system at the far end obstructed from view of the street by vegetation. Simon CORDELL was at the gate and immediately shut it on Police arrival. Eventually, Mr CORDELL agreed to let me and A/PS AMES onto the property to confirm there was no damage or theft offences being committed. Simon CORDELL'S silver Ford Focus VRM MA57LDY was present and contained at least three massive nitrous oxide tanks. When queried he admitted he had seen the news article about the dangerous effects of this and how the Government would probably

regulate it. There was about 30 people in so in discussion Mr CORDELL was told it was an illegal rave and I would be seeking Supt authority to seize the sound equipment. Mr CORDELL began to pack away his equipment stating it was a birthday party only, but he was going. Whilst stood waiting for him to leave a group of about 100 teenagers turned up on mass and immediately became confrontational stating there were going to storm the rave. As we had good numbers the group initially dispersed but tried to go via a back entrance to the venue which led to arrests when scuffles with Police started. The group the completely moved off but returned about 20 minutes later in even bigger numbers. The situation quickly escalated as the group started throwing cones and general road furniture towards Police. Luckily dogs were on hand and the crowd was dispersed after numerous missiles were thrown at Police and a number of arrests were made. The group then hung around and got on trains only to try and enter Progress Way and the previous rave site. It was only large numbers of TSG that prevented the group forcing their way in. Again, Simon CORDELL and his silver Focus were present. Eventually, the group began to move off. The net result was at least 4 arrested for various public order and one officer injured why may require a stitch or two to his arm. Simon CORDELL's attitude is that he is a modern day businessman and the actions of the group had nothing to do with him. It was fortunate more officers were not injured.

2. On 27th July **2014**, Police drove down MILLMARSH LANE, ENFIELD, because information had

been received that a rave would be taking place that evening. Police drove down and found the rave, which was on a piece of land between Greggs and Pugh Charles Glass. This appeared to be a driveway that was overgrown, but had a gate on it, which people at the rave had the key for. Police spoke to the people inside and they did not know if they had any first aiders there and they said that they had one fire extinguisher on the site. The people there let police in and there was no alcohol there, but they had water to drink. The rave was outside on open land. There was a big stack of speakers which was being powered by a van belonging to Simon CORDELL. Police saw the van drive out with Simon CORDELL driving it. The rave was a 20th birthday party for one of the people there. The rave was organised by Simon CORDELL and was connected to another rave on ALMA ROAD.

3. On Thursday 24th July 2014 at around 1625 hours, plain clothes officers from YE Gangs Unit had cause to stop the following male on ALMA ROAD EN3. Simon CORDELL. He was driving a silver Ford Focus vrm MA57LDY on which he is insured but is not the registered keeper. He was stopped as he was driving about

1" from the bumper of the car in front of him and his driving was erratic. He claimed to know the other

driver: this male however approached officers saying he had been driving like that behind him since YR. CORDELL was obstructive as usual, refusing to get out of his vehicle etc. He stated that his solicitor has a big case going where all his criminal records will be wiped as Police have unlawfully picked on him for years etc.

Of interest he stated that he has 4 brand new speaker systems at home which he is happy to loan people for raves etc and that he is inundated with requests to run raves. He stated that he has 20,000 followers on one social media network and 70,000 in another. He says that he could organize a rave and get 20,000 people at it without any problems whatsoever, and that he gets lots of requests from anarchist type groups etc to run raves for them. Of note he claims Occupy London, Black Block and other anarchist groups have been asking him to organize one for Notting Hill Carnival so that they can "Cause carnage and mayhem".

Ref: YERT00376229. **PC EDGOOSE.**

4. On 19th July **2014** at 2205 hours Police were called to the Carpet Right show room on the A10 Great Cambridge Road Enfield regarding a possible rave in the empty premises. There was about 20 people inside the premises with sound equipment which they were about to set up. When officers arrived, they blocked the front of the venue to stop anyone else getting in. The main organiser was spoken to by Police. This male was Simon CORDELL. He admitted to organising the party and said he was expecting several hundred people. Whilst dealing with CORDELL Police were told that crowds were gathering outside Southbury Road train station waiting to be told where the rave was. After a long conversation with CORDELL he was arrested to prevent a breach of the peace and taken to Edmonton Police Station C/N 01YE3597/14 refers. As a result of his arrest the people inside the venue all left. The music system was loaded into a white van VRM PE52UHW. The owner and driver of this vehicle was Elliot LAIDLER. He stated it was the first time he had worked for CORDELL. The van could not leave the car park as the key for the padlocked gate could not be found. However, after two hours the vehicle was able to leave by driving over the pavement. CORDELL was released at 0400 as a breach of the peace was no longer likely to take place. Clearly CORDELL makes a living by organising raves in North London. Of note is when officers searched the car park after everyone had left, they found a set of keys by the electronic steel shutters.

These keys opened the shutters to the premises and on the key fob attached to the keys was a PIN number for the alarm system. This is how youths gained entry to the premises. It is possible that CORDELL has obtained them via the security company or an ex-employee.

5. C/N 01YE/3597/14 relates to the arrest of Simon CORDELL as above. He was arrested to prevent a breach of the peace due to setting up a rave. He was later released from custody.

6. CRIS1914855/14 - CAD 11854 20th June 2014. Police discovered a Rave being set up at 1 Falcon Park, Neasden Lane NW10 and closed the rave down on the authority of Chief Superintendent Gideon SPRINGER. All persons at the rave left the venue upon Police advice to leave. However, under S64 CJPO the vehicle and sound system were seized from the DJ again under authority of Chief Superintendent Gideon SPRINGER. The vehicle VRM CX52JRZ a white Ford transit was removed from the property and taken to Wembley Police Station. The owner of the vehicle is Mr Simon Paul CORDELL. The vehicle was later restored. Unit 5 St Georges Industrial Estate, White Hart Lane N17

by the security guard at the venue stating, 'suspects were on premises'. Police attended the venue and a large group of approx. 20 young males and females, between 18-35 years of age and of mixed origins ran out of the rear of the industrial estate through an alleyway leading to Thetford Close N13. Several males were still inside the premises claiming to be squatters. The remote viewing CCTV at the venue was contacted and the alarms had just been activated and it had footage of several suspects causing damage to the security cameras and door locks at the venue upon opening the premises. After several minutes and upon hearing Police organising entry to the premises in order to search for suspects concerned in Criminal Damage the remaining occupants ran out of the rear doors to the venue. The front shutter then opened and a White Ford Transit vehicle VRM CX52JPZ attempted to exit the premises. The driver an IC3 male gave the particulars of Simon CORDELL. He stated that he had just attended the venue to give his friends some food as they were squatting. The rear of the Transit van contained a set of large speakers and music equipment, but CORDELL insisted he used the equipment for festival work and was not setting up for a Rave. Whilst waiting to gain access Joshua HOLLY-FIELD popped his head over the boarding to the premises and climbed over on Police request. He was detained and searched with nothing found on his person. opened the car door to speak to the driver and he said "What the fuck do you want, you can't stop me". We identified ourselves as Police Officers by displaying my warrant card and he continued to say you have no power to stop me what are your powers. It was explained why we were there and why we had stopped him. He remained aggressive saying that we did not know how to do our job and that we had no powers to search him. The other males in the van were telling the male to calm down and let us get on with it. He was still aggressive saying that he was all legit saying that we had no reason to be there. He then turned off the engine and jumped out the van and walked toward the pavement. We explained he was detained for the search and he continued to shout, "Don't you fucking touch me, I can walk around". He continued to question our grounds and I again explained them to him. An elderly member of the public was walking past, and he shouted at him "Oi mate the fucking Police want to search you coz they think you may be a burglar". The male turned around looked in disgust and

walked off again. CORDELL continued to walk around by our vehicle, and it was again explained he was detained for search as he was walking away from him Police took hold of his right arm. As this happened, he shouted "Don't fucking touch me". He was continually aggressive. He was shouting "Get the fuck off me" and members of the public were at their windows trying to see what was going on. PC ASTON was trying to take out his left arm while PC SCOTT was trying to take out his right. He was shouting "Get the fuck off me" continually and another unit arrived. Handcuffs were applied in the rear stack position as he was still being aggressive and uncooperative. As he calmed down it was again explained why he was being searched and he said, "you can't fucking touch me". He was searched under section 1 of pace and nothing was found. The van was searched and again nothing was found. The other males were searched under the same powers and nothing was found. PC ASTON did check on the van and the Pnc stated that it had no insurance. CORDELL stated he had traders which could not be proved so the van was seized. He said, "you are not fucking taking my van". At 1446 he was arrested for no insurance and section 5 of the public order act as he could not provide a valid name or address. CORDELL was later charged with no insurance and Section 5 public order.

I am Steve Elsmore, a Police officer attached to the Anti-Social Behaviour Team within the London Borough of Enfield. I make this further statement regarding an ASBO matter in relation to Simon CORDELL. On **16th May 2016**, I was asked to check timings in relation to the schedule that is due to be served on the court. Whilst searching for timings for Crimint HTRT00376798, I found an incident log attached to this Crimint. I do not recall previously seeing this log. Usually the inputting officer would put an indicator on the Crimint to say that there is an attachment. On this occasion there is no indicator referring to this attachment. It is possible that I may have previously missed this attachment due to the volume of incidents that I was searching through. The attachment itself is an incident report from Canary Wharf Group and the incident summary states - Trespassers on site - illegal rave - forced entry shed 4 - Police tasked - no action - group left site. This is dated 12 January **2013**. The incident log details what action was taken by Canary Wharf Group during this particular incident. It also provides detail on the impact to the residents. On page 5 of the incident log there is an entry that states "P BOUZON (CW178) informs the

ECC that the vehicle registrations that he gave me are actually the 2 vehicles that gained access through the fence and arc located within the Shed 4 area". One of the vehicles is MA57LDY. This vehicle was registered to Simon CORDELL as per the Crimint Report.

Information

On arrival at Millmarsh Lane there were numerous young people milling around trying to locate the rave which was eventually found on the North footway just by the Greggs Factory. It was a small strip of concrete completely open to the air with a large amplified sound system at the far end obstructed from view of the street by vegetation. Simon Cordell was at the gate and immediately shut it on police arrival. Eventually, Mr Cordell agreed to let me and APS Ames onto the property to confirm there was no damage or theft offences being committed.

Simon Cordell's car a silver ford focus VRM MA57LDY was present and contained at least three massive nitrous oxide tanks. When queried he admitted he had seen the news article about the dangerous effects of this and how the Government would probably regulate it.

There was about 30 people in so in discussion Mr Cordell was told it was an illegal rave and I would be seeking Supt authority to seize the sound equipment. Mr Cordell began to pack away his equipment stating it was a birthday party only, but he was going.

Whilst stood waiting for him to leave a group of about 100 teenagers turned up on mass and immediately became confrontational stating, they were going to storm the rave. As we had good numbers the group initially dispersed but tried to go via a back entrance to the venue which led to arrests when scuffles with police started.

The group then completely moved off but returned about twenty minutes later in even bigger numbers. The situation quickly escalated as the group started throwing cones and general road

furniture towards police, luckily dogs were on hand and the crowd was dispersed after numerous missiles were thrown at police and a number of arrests were made. The group then hung around and got on trains only to try and enter Progress Way and the

Hi Martin

Please see the list of emails that I sent to the insurance company that put the claim in for the 15/09/2014 the ref for this claim for accident exchange was ref: A27/190530 AX REF 403050(11) they were sent from Simon email address. Also please see the attached document that was sent over to KGM so the claim could be taken off of Simon insurance from Chris Garvin from accident exchange. I was the one that had to deal with this to sort this out as you will see as KGM was not doing anything to sort this claim out which was against Simon name. This was cleared from Simon insurance in May 2014 so I cannot understand why it is still on Simon insurance. I have sent this over before to you when it was sorted but it seems to still be on there and KGM did say to me that they would send you the details so it could be taken off. Can this please be addressed, and this taken off Simon insurance so that his insurance is not so high and his no claims can come back into force.

Also, anything that can get rented by professionals. I.e. slimming world: Sumba, yoga.

Our staff members are all, DBS checked, certified and experienced in their field and profession.

We will work with (Enfield Children & Youth Services, Metropolitan Police & London Fire Brigade) We believe from our calculations and forecast flow, that this is an investment that can only benefit the community in a more positive and productive way, we have all the documentations, management plans, licenses and permits that get needed for this project.

We wish for this to be up and running in use by: This is a much more workable option than an empty building, thus saving the council the £80,000 spending on security, which can get resourced in a more productive way.

*****MISSION STATEMENT*****

Our aim is to bring the community together as one, regardless of age, ethnicity or religion a place within the community for the community.

It was the

13/08/2014

when a meeting got held with a Steve Hudson who is a representative for Enfield Local Authority Council and Jane Johnson who had been the chief superintendent for North London, on behalf of the commissioner of the Metropolitan police and this got done alongside other government officials for the Anti-Social Behaviour Order application, to get placed against me without my knowledge.

On the

13th of August 2014

the local authority and the police held a consultation meeting regarding the Appellant and reached a decision to get taken in the matter of a standalone Antisocial Behaviour Order (ASBO) order to get placed upon the Appellant Statue of Liberties. An anti-social behaviour order (ASBO) (2003) is — was a civil order made in the United Kingdom against a person who has shown, on the balance of evidence, to have engaged in anti-social behaviour. The order got introduced by Tony Blair in 1998 with the legal framework and protocols to create a successful Antisocial Behaviour Order (ASBO) application. Within the Antisocial Behaviour Order (ASBO) guidance it states Voluntary solutions and other remedies should get considered by the pursuant, prior to the multi-agency working together in Co-Hurst at a statutory conference, regarding any application. Any of the following voluntary solutions and alternative remedies should have gotten considered and then implemented, prior to an application for an Antisocial Behaviour Order (ASBO) being considered but was not;

- Mediation: -
- Verbal and written warnings from the relevant authorities including Police: -
- Support Packages: -
- Diversionsary schemes and activities: -
- Rehabilitation programs: -
- Criminal investigations!

The above list has not gotten exhausted its limits.

At no point of time did the applicant get given any of the above listed opportunities, neither has he got asked to attend any official meetings prior to this Antisocial Behaviour Order (ASBO) application and this should have been the opportunity to talk to him about a pre warning or other actions that could have got taken. Please also take note to page number 15 (taking a strategic approach) which states: The more serious the behaviour, the greater the likelihood that the court will grant a geographically wide order, order's that seek to operate in the whole of England and Wales will not get granted without evidence to the actual or potential geographical extent of the problem. Further detail about further effective prohibitions got given in Chapter 7. For the applicant legally to have any conditions imposed, of such a wide scale of areas without correct proof to that extent, is another breach of applicant's human right. The Antisocial Behaviour Order (ASBO) that got granted in the lower court upon the applicant is executed for the whole of the UK, in error.

This statement refers to an illegal rave which took place between 6th June and 8th June **2014** on the industrial Estate near Woodgrange Avenue.

On Thursday 14th August **2014**, I spoke with a resident, who lives in Woodgrange Avenue, Enfield. The resident is an elderly female and both she and her husband are retired.

She has stated that on Saturday 7th June **2014**, she contacted Police regarding a rave that was happening on the industrial estate close to her home address. Her reason for contacting Police was because the music noise was horrendously loud, and this was disturbing their peace and had been going on for some time. She states that both her and her husband were extremely distressed about this whole incident because something similar had happened in the past.

She states that lots of youths had been jumping over fences and she was very concerned and frightened about this and feared that something would happen to them or one of their neighbours. This made them both extremely anxious, nervous and made them worry.

his lady is worried that an incident like this could happen again. She did not want to provide Police with a direct statement as she is frightened that the organisers could trace where they live and make their lives even more of a misery. She is extremely concerned that something like this may happen again in the future.

This statement refers to an illegal Rave which took place between 6th June and 8th June **2014**.

On Thursday 14th August **2014**, I spoke to a resident in WOODGRANGE AVENUE N9, who wished not to be named and remain anonymous.

The resident stated that the rave/Party at Progress Way started on the Friday 6th of June and ended on the Sunday 8th June **2014**.

He stated that he and his wife had contacted the Police numerous times regarding the level of noise. This was so loud that he and his wife had to go and sleep in a different part of the house.

He mentioned that an Ambulance had to attend an incident that happened in the street, apparently someone had fallen off a roof and the ambulance could not gain access. The ambulance men had to attend on foot.

He states that he had discussions with local neighbours during that weekend, who stated that youths had been climbing over fences, and causing damage to the fences.

He stated that this whole incident caused both him and his wife a great deal of distress over this particular weekend.

Timeline: Allocated or needed time for the project?

13 to 14 weeks' date. Commitment: Simon/ Luvinia.

Day's and Times:

Date of event: 8/11/2014?

Time of event: same as before?

Space:

How much bigger is the hall in Tottenham?

Can you get pictures or a link to their site?

How does this benefit you and the event?

Rental: How much cheaper is the hall to hire or how much of a better deal is it?

Funding: How much do you need and have already and what are your expected outgoings for the event, including your expenses and other outgoings that you may occur even over the next 13/14 weeks of the re launch.

Approval: I am sure you got this sorted:]

Security: Now this depends on how many tickets get sold. I say we set a time scale and time will tell.

Equipment: What do you need and what have you already resourced?

Management: I believe a management tree is the way forward controlling all avenues of income and delegation.

Marketing: A fresh flyer and remarketing all involved more may help the event.

I also have a friend in mind he might help as a voice to overlay you and help promote the event.

The same person also makes flyers who I hope to be in contact with, over the next following days and I can keep you updated regarding this.

On Saturday the 19th July **2014** I was on duty employed as the Duty Officer for Enfield Borough. At about 2210hrs a call came in stating that there were about 20 persons pulling into an estate and the informant thought they were trying to set up a rave. The crowd were by an empty building called Carpet Right and had actually gained entry to the rear of the premises. I instructed

officers to go to the venue and try to stop anyone else gaining entry to the premises. I made my way to the scene. There was a metal gate across the entry to the car park, but it had a thick chain and a padlock around it so that it could not be opened. I walked to the rear of the premises where there were several vehicles and about 15 persons. I saw large black boxes which had speakers and sound systems inside them. I received a call from our control room stating they believed up to 100 persons were going to arrive at Southbury Road train station to attend a rave at this location. As a result of this intelligence I believed that the premises were going to be used for a rave.

I saw a male I knew to be Simon Cordell who came out of the building. I have known Cordell for over 20 years. I had previously dealt with him at a rave on the 7th of June which he organised in Progress Way Enfield which lasted for several days. I spoke to him at that rave during the morning as police had received numerous complaints re the noise over a twenty-four-hour period. Groups of youths from this rave were also committing mass shoplifting offences from the petrol station opposite, as a result of these offences the petrol station had to close its shop. Several buildings on the industrial estate were also damaged and thousands of pounds of damage were caused.

Outside Carpel Right I spoke to Cordell. He admitted that he was just organising a party for some friends and that was all. I explained to him that we were expecting 100 plus people to turn up at Southbury Road and to be told where the rave was happening. I explained to him that as the organiser of this rave I was holding him responsible. I then received a call stating that large number of youths were arriving in Southbury Road.

These youths would be trying to find the location of the rave. Due to this and to prevent disorder in the area I requested the Commissioners Reserve of TSG be called out to deploy to Enfield Borough and patrol the area. I also informed Cordell that as the organiser of the rave it was my opinion that his actions would result in breaching the peace in the surrounding area. This could result in damage to property, both the premises and surrounding, area and violence breaking out. As a result of this to prevent of breach of the peace I arrested Cordell. He was taken to Edmonton Police Station and released at 0400hrs when I was satisfied a breach of the peace would be unlikely to now occur.

By removing Cordell (the organiser) the other people present left the premises and eventually drifted away from I Southbury Road. The music equipment was loaded into a van at the scene. However, it could not leave the car! park as the gate was chained and padlocked. At about 0200hrs the van was able to leave by driving over the pavement between the barriers. No further raves happened on the borough that night:

On Saturday 09th August **2014** I was on duty in full Police uniform driving a marked police vehicle in the company of A/Insp King when at 2221 hours we were informed of **CAD 9717** which related to some intelligence received that stated there was likely to an illegal open air rave in the region of Millmarsh Lane, Enfield, EN3. As this was very new information, we attended the location as quickly as possible so that we could assess whether, there was a possibility of ending the rave before it began. We arrived in Millmarsh Lane at 2232 hours and straight away I could see a number of small pockets of young people walking east along Millmarsh Lane. These groups particularly stood out as the area is an industrial estate and is usually very quiet at time of night.

We worked out these youths were making their way to an open-air area next to the Greggs Bakery. This area appeared to be the ground on which a building used to stand. It was fenced off and the front gates were chained shut with a motorcycle chain and a padlock. I could hear

music coming from the venue and I could see small numbers inside and a couple of tents.
We exited our vehicle and approached the gates in order to speak with the organiser.
Manning the gate was a mixed race, IC3 male 1 known as Simon CORDELL. I was aware of a lot of intelligence on our indices that suggests Cordell is known to be the organiser of most of the raves that have been happening in the Enfield area.
We asked if we could come into the venue and speak with him. Cordell refused initially stating that there was no rave. He stated that it was a private 'conference.' He stated that there have been a few people camping on the land as they had nowhere else to go. He stated that they are having a few friends over for a private party. After persuasion Cordell allowed A/Insp King and I entry to survey the area.
Inside I could see around 20 - 30 people milling around, 2 small camping tents, a large set of speakers and sound system and a supply of bottled water.
Cordell was informed that the rave was going to be closed down and despite a slight resistance to this by him

trying to quote legislation at us he agreed to pack up and leave. He was reluctant but co-operative at this stage.

We restricted access to any newcomers to the venue and asked for a few more units to come to the location to help with dispersal of the small numbers that were in attendance and deter any new arrivals.

The venue had more or less emptied, but the organisers were still packing their equipment away. As this was happening a crowd of approximately 100 people arrived in Millmarsh Lane at the same time. This appeared odd to me that so many people turned up all at once. The crowd appeared to be angry at the fact that Police had interrupted their evening and were shouting and advancing on officers. One of the group shouted, "Let's just storm it." Cordell appeared to have realised that this crowd was in attendance and half emerged from the venue and appeared to be encouraging the crowd to act up and try to force their way into the site. After a short time however, the crowd started to disappear. They moved back towards the junction of Millmarsh Lane and Mollison Avenue. A/Insp KING asked some the officers present to follow them up to the junction and restrict access to Millmarsh Lane.

Once this had happened, reports came over the radio that more numbers were arriving and that more officers were going to be needed in order to control the group. There were also reports of missiles being thrown at officers.

A/Insp King and I went to the junction of Mollison Avenue. I could see a large crowd of 200 - 250. Crowd was very verbal and on the whole were advancing towards officers. There were a number of members of the crowd that were throwing traffic cones, traffic beacons and bottles at officers. I ordered the officers to form a cordon across the road and a number of officers also drew and racked their batons as a show of force and a deterrent. I did this also. A/Insp KING had asked for a dog van to attend the scene and the dog and handler assisted in driving the crowd back. TSG commissioners reserve was also on route.

There were two members of this crowd, a male and a female, that persisted and did not back down and leave.

These two were detained and subsequently arrested by officers. The male had to be restrained on the floor.

Following this exchange, the crowd started to move back towards the Brimsdown British Rail station. This is where they stayed for the remainder of the incident. The odd one

or two members of the crowd came forward and was verbal but otherwise they slowly dispersed on to the trains and left the area.

A/Insp King instructed 2 Police units to remain at the junction of Millmarsh Lane and Mollison Avenue in order to keep revellers away from the location.

This incident caused major disruption to the public by temporarily closing Mollison Avenue which is a major artery into North East London. It drew response team officers away from their core business which not only impacted on Enfield Borough but also on surrounding boroughs who had to relinquish resources to assist Enfield.

On Saturday 9th August **2014** I was on duty in full uniform posted as Acting Inspector. Shortly before 2230hrs I was informed via our GPC that Intel had been received via social media that there was going to be a large illegal rave somewhere in the region of Millmarsh Lane, Enfield, EN3. I was advised that this was being advertised on Facebook by “Every Decibel Matters” who am unlicensed events. At this time I was in company with Ps Ames 123YB and we made our way to the location. On route I informed the control room of what was potentially occurring and accepted the offer from some units to attend the location to assist me. On arrival in Millmarsh Lane it was obvious that something was about to happen. There were a number of groups of teenagers who were milling around clearly looking for something. Millmarsh Lane is an industrial road with two major 24hr factories but borders residential areas which are divided apart by Mollison Road. At this time on a Saturday the streets were very quiet, so these groups stuck out. After a brief search I noticed two metal gates next to the Greggs Factory which suddenly closed as we passed them. We stopped and I got out and approached the gates. Although dark, street lighting was on and I could see a male was using a chain and lock to secure the gates. I could hear music coming from further inside. Stood by the gate I immediately noticed an IC3 male who I know to be Simon CORDELL. I recognised Mr Cordell as I have previously spoken to him recently at illegal raves where I have seen him setting up sound equipment and subsequently taking it away when confronted by Police. I explained to Mr Cordell why we were there, but he immediately denied it was a rave. Mr Cordell stated first it was a private conference but then said it was a birthday party. When asked about permission to be there he stated friends were squatting on the land and they had said he could stay. I explained to Mr Cordell that I needed to

come onto the site to see what was going on as for all I knew he could be damaging it or stealing from it. Eventually after promising I would not remove anyone squatting and only myself and Pc Ames would come in, Mr Cordell agreed that we could come in. Near to the gate was a silver Ford Focus index MA57LDY which I knew was Mr Cordell's. The boot was open, and I noticed it contained three large thin industrial gas bottles. From experience I knew this was likely to contain nitrous oxide which is currently used on the rave scene as a

legal high. As we passed the car Mr Cordell quickly lowered the boot. I queried Mr Cordell about the gas and pointed out that it was on the news earlier how Nitrous oxide was dangerous and Mr Cordell stated that the Government would probably ban it soon like everything else. Mr Cordell was polite and showed us around the site which appeared to be a large concreted area that was completely open to the air, there was a large sound system to the rear which was amplified though I could not see any power source. There was a number of people wearing yellow hi-vis jackets who Mr Cordell stated were first aiders and there was a pallet of water near to the sound system as well as a couple of tents closer to the gates. I could see no obvious Toilet facilities nor shelter from what had been forecast as a stormy night. Inside the venue mostly just stood around in small groups were about 30 people, mostly teenagers. Mr Cordell stated he was an entrepreneur and was awaiting licences from the council so that he would soon be legitimate. When I

explained all the “ingredients” for a rave were present Mr Cordell began to try and argue his point that it was not a rave and that it was a private party. I spoke at length with Mr Cordell explaining the legal situation and how by definition this was a rave and that ultimately there were too few people present at the time to stop police and so on this occasion I could act and close the rave. Whilst on an industrial estate it was my opinion that such was the proximity to local housing and my knowledge of the volume music is played and the duration it is played for, often throughout the weekend that a rave would constitute serious disruption. Mr Cordell was clearly not happy but did not want his equipment seized so agreed to start packing up the sound equipment. Whilst talking with Mr Cordell there were small groups of teenagers arriving at the site and entering via a break in the fence, (the gates still being shut at this time). I got Ps Ames to get units to us to prevent further people trespassing on the land and to discourage people from attending the location and exited the venue to await Mr Cordell’s exit with the sound equipment. Whilst waiting I radioed for the on-call Superintendent so I could get the various Rave legislation approved so that I could seize the sound equipment and enforce a rave cordon on Millmarsh Lane to prevent people entering. Whilst stood by the venue a number of people began leaving, most were laughing but the odd one was blaming police for stopping the event. Suddenly there was a huge number of mainly teenagers walking towards me from the direction of Mollison Avenue. Apparently, this group had all arrived together from the nearby railway station. Straight away some of this group headed straight towards us saying they were going to storm the place. I had been joined by a few team officers and we advised them that the rave had been closed down and they would not be allowed to enter. There was some verbal confrontation but the large group which was up to 100 strong moved off round the corner with some overheard saying they would break in around the corner. As they began to move off Mr Cordell stood by the break in the fence and shouted words to the effect of, “Come on, there is more of you”. I quickly went up to Mr Cordell and told him to stop or I would arrest him to prevent a breach of the peace. At this Mr Cordell went back and stayed away. The large group did indeed try to get into adjoining premises that they thought led to the rave venue but were stopped by officers and moved off back into Millmarsh lane, although one officer Pc Wale was injured during a struggle. I requested the attendance of as many units as possible including dogs and TSG as the

group were becoming more hostile towards officers despite there being no music now and being informed of the closure. A short while later officers I had positioned at the junction radioed that there was now an even bigger crowd advancing on them. I arrived at the junction to see a very large number of people, now up to 200 walking with purpose towards officers stood in the road, suddenly objects began to get thrown from the crowd towards police. I saw traffic cones, cone lights, bottles and stones begin to land near Officers so that they had to quickly move out of the way. I again heard phrases similar to “storm them”. Fearing imminent violence, I drew and extended my baton as did my colleagues. I could hear shouts of “get back” but the crowd continued to throw items, some of which were landing on cars that had been temporarily stopped due to the group. We had been joined by two dog units who took the lead in dispersing the crowd. At this point there were two arrests to my left and along with the dogs this seemed to make the crowd withdraw. I told my officers and the dogs not to follow the crowd as they were now by the train station with nowhere to go as the barriers were down. There was a tense standoff for some time, but the group eventually got onto trains and left the area. I was informed by another unit that Mr Cordell had also left, with his equipment. I tasked arriving TSG with local reassurance patrols but shortly after they started, I was advised that most of the group were wandering around near to Ponders End. I tasked TSG with following this group and was informed by their Inspector that their unmarked unit had overheard talk that the rave was now going to be South West of the

original location. I was aware that TSG subsequently saw Simon Cordell by the Crown lane Industrial Estate where he has held a rave before and had stopped the group from forcibly breaking into this location. Finally, after close to three hours later, the group dispersed, and I was informed that social media was indicating the rave would now be Epping Forest. The whole incident took a vast number of resources to police and there were two arrests for drugs possession and two for drunk and disorderly behaviour. One officer was injured with a deep cut to his elbow requiring first aid by the Police FME and emergency calls whilst answered were subject to delay.

On Saturday the 19th July **2014** I was on duty employed as the Duty Officer for Enfield Borough. At about 2210hrs a call came in stating that there were about 20 persons pulling into an estate and the informant thought they were trying to set up a rave. The crowd were by an empty building called Carpet Right and had actually gained entry to the rear of the premises. I instructed officers to go to the venue and try to stop anyone else gaining entry to the premises. I made my way to the scene. There was a metal gate across the entry to the car park, but tins had a thick chain and a padlock around it so that it could not be opened. I walked to the rear of the premises where there were several vehicles and about 15 persons. I saw large black boxes which had speakers and sound systems inside them. I received a call from our control room stating they believed up to 100 persons were going to arrive at Southbury Road train station to attend a rave at this location. As a result of this intelligence I believed that the premises were going to be used for a rave.

I saw a male I knew to be Simon Cordell who came out of the building. I have known Cordell for over 20 years. I had previously dealt with him at a rave on the 7th of June which he organised in Progress Way Enfield which lasted for several days. I spoke to him at that rave during the morning as police had received numerous complaints re the noise over a twenty-four-hour period. Groups of youths from this rave were also committing mass shoplifting offences from the petrol station opposite, as a result of these offences the petrol station had to close its shop. Several buildings on the industrial estate were also damaged and thousands of pounds of damage were caused.

Outside Carpel Right I spoke to Cordell. He admitted that he was just organising a party for some friends and that was all. I explained to him that we were expecting 100

plus people to turn up at Southbury Road and to be told where the rave was happening. I explained to him that as the organiser of this rave I was holding him responsible. I then received a call stating that large number of youths were arriving in Southbury Road.

These youths would be trying to find the location of the rave. Due to this and to prevent disorder in the area I requested the Commissioners Reserve of TSG be called out to deploy to Enfield Borough and patrol the area. I also informed Cordell that as the organiser of the rave it was my opinion that his actions would result in breaching the peace in the surrounding area. This could result in damage to property, both the premises and surrounding, area and violence breaking out. As a result of this to prevent of breach of the peace I arrested Cordell. He was taken to Edmonton Police Station and released at 0400hrs when I was satisfied a breach of the peace would be unlikely to now occur.

By removing Cordell (the organiser) the other people present left the premises and eventually drifted away from I Southbury Road. The music equipment was loaded into a van at the scene. However, it could not leave the car! park as the gate was chained and padlocked. At about 0200hrs the van was able to leave by driving over the pavement between the barriers. No further raves happened on the borough that night:

On Saturday 09th August **2014** I was on duty in full Police uniform driving a marked police vehicle in the company of A/Insp King when at 2221 hours we were informed of **CAD 9717** which related to some intelligence received that stated there was likely to an illegal open air rave in the region of Millmarsh Lane, Enfield, EN3. As this was very new information, we attended the location as quickly as possible so that we could assess whether, there was a possibility of ending the rave before it began. We arrived in Millmarsh Lane at 2232 hours and straight away I could see a number of small pockets of young people walking east along Millmarsh Lane. These groups particularly stood out as the area is an industrial estate and is usually very quiet at time of night.

We worked out these youths were making their way to an open-air area next to the Greggs Bakery. This area appeared to be the ground on which a building used to stand. It was fenced off and the front gates were chained

shut with a motorcycle chain and a padlock. I could hear music coming from the venue and I could see small numbers inside and a couple of tents.

We exited our vehicle and approached the gates in order to speak with the organiser.

Manning the gate was a mixed race, IC3 male 1 known as Simon CORDELL. I was aware of a lot of intelligence on our indices that suggests Cordell is known to be the organiser of most of the raves that have been happening in the Enfield area.

We asked if we could come into the venue and speak with him. Cordell refused initially stating that there was no rave. He stated that it was a private 'conference.' He stated that there have been a few people camping on the land as they had nowhere else to go. He stated that they are having a few friends over for a private party. After persuasion Cordell allowed A/Insp King and I entry to survey the area.

Inside I could see around 20 - 30 people milling around, 2 small camping tents, a large set of speakers and sound system and a supply of bottled water.

Cordell was informed that the rave was going to be closed down and despite a slight resistance to this by him

trying to quote legislation at us he agreed to pack up and leave. He was reluctant but co-operative at this stage.

We restricted access to any newcomers to the venue and asked for a few more units to come to the location to help with dispersal of the small numbers that were in attendance and deter any new arrivals.

The venue had more or less emptied, but the organisers were still packing their equipment away. As this was happening a crowd of approximately 100 people arrived in Millmarsh Lane at the same time. This appeared odd to me that so many people turned up all at once. The crowd appeared to be angry at the fact that Police had interrupted their evening and were shouting and advancing on officers. One of the group shouted, "Let's just storm it." Cordell appeared to have realised that this crowd was in attendance and half emerged from the venue and appeared to be encouraging the crowd to act up and try to force their way into the site. After a short time however, the crowd started to disappear. They moved back towards the junction of Millmarsh Lane and Mollison Avenue. A/Insp KING asked some the officers present to follow them up to the junction and restrict access to Millmarsh Lane.

Once this had happened, reports came over the radio that more numbers were arriving and that more officers were going to be needed in order to control the group. There were also reports of missiles being thrown at officers.

A/Insp King and I went to the junction of Mollison Avenue. I could see a large crowd of 200 - 250. Crowd was very verbal and on the whole were advancing towards officers. There were a number of members of the crowd that were throwing traffic cones, traffic beacons and bottles at officers. I ordered the officers to form a cordon across the road and a number of officers also drew and racked their batons as a show of force and a deterrent. I did this also. A/Insp KING had asked for a dog van to attend the scene and the dog and handler assisted in driving the crowd back. TSG commissioners reserve was also on route.

There were two members of this crowd, a male and a female, that persisted and did not back down and leave.

These two were detained and subsequently arrested by officers. The male had to be restrained on the floor.

Following this exchange, the crowd started to move back towards the Brimsdown British Rail station. This is where they stayed for the remainder of the incident. The odd one

or two members of the crowd came forward and was verbal but otherwise they slowly dispersed on to the trains and left the area.

A/Insp King instructed 2 Police units to remain at the junction of Millmarsh Lane and Mollison Avenue in order to keep revellers away from the location.

This incident caused major disruption to the public by temporarily closing Mollison Avenue which is a major artery into North East London. It drew response team officers away from their core business which not only impacted on Enfield Borough but also on surrounding boroughs who had to relinquish resources to assist Enfield.

I am a police officer in the London Borough of Enfield and have been tasked to contact residents of the borough who had called police to inform them of an illegal rave that took place over the FRIDAY 7th JUNE 2014 and SATURDAY 8th JUNE 2014, in a warehouse in PROGRESS WAY, ENFIELD

On TUESDAY 19th AUGUST 2014 I contacted the caller of CAD 10471/07JUN2014 by telephone, who was happy to give an impact statement regarding how the illegal rave affected her and her husband over the above dates mentioned.

The caller wishes to remain anonymous. I will refer to her as Complainant "A". The original notes taken for the below statement are present in my pocketbook serial 370/14, page 1.

Complainant "A" said "It was a warm evening and we had to keep the windows shut because of the noise. The next day we could not even go out into the garden because of the noise. It kept me and my husband up all night and made us very' anxious the next day. The illegal rave totally ruined our weekend".

This concluded what complainant "A" said regarding this matter

I spoke to the resident at number regarding the illegal party. I live here with my wife and children. This party has had a very negative impact on our life in that we could not sleep. The music was so loud perpetrated through double-glazed glass. The music went all through the night and into the next day. Because of the lack of sleep or between the ages of 11 and 7; did not get any sleep. They were restless because of sleep deprivation. My wife was very tired the next day. Sunday, we had to leave the house in order to get away from the noise and pollution.

I and my partner

got told prior!

I continued to sleep over at my new partners a lot more in the summer and the date had come up to the

23 August 2014,

this date is easy to remember because Notting Hill carnival took place. Me and my partner got told by the clinic of the news and stayed in over the weekend together. In the background of all these things taking place, I arranged for two other events to occur. The first being that my father asked if he could use my flat to stay in over the weekend as he always took my Neisse to the carnival, and he was in the middle of transferring, from where he prior been living at the time and in me letting them stay at my flat for the weekend this would help him, I agreed by saying yes to his request of me. The second reason being is that, I arranged for a friend to collect an amount of nitrous oxide of me that I had been selling. I gave the keys to my flat and half of the agreed stock on bail to the relevant people a couple of days in advance of the carnival taking place. Then at the same time I also agreed that I could deliver more stock to the person who had taken the nitrous oxide of me on his payment that would take place at the day of the advised adult's part of the carnival, taking place, as he told me that he would be there. Due to the issues in my relationship I decide not to avoid answering the phone to people from the day prior to the carnival starting, as we both decided together to relax indoors, at her home. After a multitude of missed calls, I answered my mobile phone messages, on the Adults day of the carnival starting, when I read a text saying I am going to your house to get the stock from the day before, in knowing that I had not been at home but my dad had I gave him a phone call. He picked the phone up to me and after the normal hello to each other I asked him did anyone come to my home while he was there. The answer was, Yes; and then I asked the next question to him; did they take anything; he replied yes; Next to come was the last of the questions that I ask my father; did they leave any money; I heard the reply of; no, so I took a deep breath and carried on, absolutely, mad in silence; My dad got upset with me and told me that it had been my friend who he sees me with all the time and that he thought that this would help me by being what he thought I requested to happen. The second the mobile phone got put down, I spoke with my partner and explained what just happened, while I tried to call my friend/ client, who never picked up the phone, calls that I continued to make and consecutively, I and my partner both together put our coats on and I grabbed the car keys, we were off to the carnival. We took a little while to get there even with me travelling within the legal speed limit, but we still soon arrived as close as possible to the carnival. I and my partner both started our search for our friends/ clients at that moment in time on our feet together; this got done once we could not drive any closer, towards the event due to the crowds. The truth, what can I say apart from, well me and my partner where good at tracking our friends down together, and we both done this as a team in a superb time frame. Upset as most people would be, I requested the stock back and payment for the first package and what had gotten used out of the extra taken from my home. By this time, I got a lot more upset than needed and found myself in the middle of the carnival with my partner and a load of stock. In looking around for a way of carriage I noticed a wheelie dustbin that had been lying on its side and checked the condition that it got left in. It got left clean, and it was available for our use.

We filled up and covered the lid the best that we could. Travelling back towards the car, we enjoyed the carnival, but still with the concern of carry a black wheelie bin around the streets, I cannot remember who noticed them first I bet her; but anyway, we bumped into some friends of ours, I can't remember what happened for a little while because when I looked at my watch the time had disappeared. The streets were slowly starting to empty, and I still had a big black wheelie bin with me, so I see officers that I met before and approached them and asked what the best way back to the car was. After working everything out with the police I turned around at the group of friends waiting and it had grown, I knew that it would be best to

get out of there and head back home with my partner and that is what we did. Now this day is also being wrongfully used in the Anti-Social Behaviour Order Application case against me and I question why?

My Nan passed away!

On the

29/08/2014

a Family meeting had to take place with the doctor looking after my Nan regarding her health. Soon after my mother had to leave the hospital, and this took place at around 19:15 hours, she left with my sister. My mum went back to the hospital with my sister at 21:20

my Nan health got worse, and she notably was having problems breathing. My mum called the family, so I attended with other close members of the family. In the early hours of the **30/08/2014**,

I got left alone while the rest of the family had gone to get well needed rest; I took a seat beside the bed that she was getting taken care in. At the time I can remember myself; feeling her fall to sleep and deciding that it would be best for us all, who knew her; for me to keep on tingling her arm, as it seemed to make her smile while she kept drifting away, so that she never went into a deep coma. I felt this working as I looked at the clock up on the wall in the hospital room that she got placed in being at the time of 1:00 hours. The time ticked on till I last remember seeing the clock handles strike 5:47 and then I recollect a woman's voice who was a nurse or doctor, saying to me Simon, Simon, Simon. While still sitting in the chair with my hand on my Nan's hand, I jumped up without taking a stand and went to analyse what had changed in the room, I look at the nurse or doctor woman then the clock in a quick swift glaze and straight at my Nan. The woman had let her voice pronounces the out aloud from her mouth to me at the same time as my brain told me that it was 06:02 hour and I realised that I had dropped off to sleep for 14 minutes. She said that Simon your Nan has passed away. Fuller of upset I held back the tears as I did not want to believe her at first, but I understood that what she had said, must be correct.

On THURSDAY 24th JULY 2014 I was on duty in plain clothes as operator of an unmarked police vehicle in company with APS 212YE MARTIN, PC 151 YE ROBERTSON, and PC 229YE O'NEILL. At around 1625 hours on Alma Road EN3 we had cause to stop a silver Ford Focus vrm MA57LDY due to the manner of its driving. The driver was a male I know to be Simon CORDELL dob21/01/1981. I know him as I have dealt with on a number of previous occasions. He was initially hostile about having been stopped, but once he had calmed down, he engaged in conversation with us. He stated that he is staying out of trouble now, and he does not get involved in any of the things he used to. He stated that he has 4 brand new speakers at home which are suitable for use at raves, but he does not use them and has offered to lend them to any "youngsters" to use. He went on to say that they are not interested though as these days they just want to steal everything. He said he gets inundated with requests to run raves all the time, but he doesn't get involved now. He claims to have 20,000 followers on one social media site, and 70,000 on another. He said he could organise a rave and get 20,000 people at it with no problems whatsoever, and he gets requests from anarchist type groups to run raves for them. He went on to say that he had been asked by Occupy London, Black Block and other anarchist type groups to run a rave at Notting Hill Carnival for them so that they could cause carnage and mayhem, but he had refused. Whilst on public order duty at Notting Hill Carnival I saw Mr CORDELL walking through the area I was deployed around TAVISTOCK ROAD. He was pushing a wheelie bin, and he was approached by members of a group of around 10-20 people who had been waiting at a junction near our location. This group had been playing drum and bass music and had told officers they were heading to an event but were awaiting the location. It was somewhere between 2200 - 2300 hours when I had seen the group, and Mr Cordell.

Lou Demseventmanagement, Sep 03 19:50:

Hello there!

I am enquiring as to how I can gain access to the full administration of my fundraising page. I optate that the Enfield Council and the Enfield Homes treated the myself and the disrepair issues with reverence by providing me with a subsidiary and timely accommodations when I elevate an emergency issue of concern with their staff, as this does not transpire so far and because of this neglect I suffer!

Disrepair!

what I expect off the Enfield Council and the Enfield homes, when requesting for my health to get taken into consideration, is a replication that does not make me wait for months in an emergency situation of disrepair and with an expeditious outcome of a constructive impact that resolves the quandaries, but this has not transpired as of yet!

Time Spent Building.

In the background of everything going on I continued working on creating a new up to date Temporary Food Stall and policies inclusive of other possible outlets databases for the Too Smooth Entertainment company and I continued to Study and finish at the Time Start: 07:00Am and Time End: 03:00 PM!

My mother also continues to work on building my company website for me with others at the Time Start: 09:00 and Time End: 14:00!

Working at Home doing Court Case Defence Work!

I spent time and resources costing expenditure with my mother also building my defence case, against the allegations getting put against me at the Time Start: 09:00 and Time End: 14:00!

Further to my statement dated 15/08/2014 regarding an illegal rave on Saturday 9th August 2014 I have been asked to clarify the role that Mr Simon CORDELL had during the incident.

On the night I first noticed the location of the rave as a male quickly locked the gates upon apparently seeing my marked police vehicle. This male was Mr Simon CORDELL and it was him that initially said I could not enter, and it was him who was very much in charge of deciding if Police were going to be let in. Indeed, having been let into the venue by Mr Cordell I had a number of conversations with him about whether what I saw constituted a rave and part of Mr Cordell's argument to stop me closing it down included telling me that it was a private party but that ultimately it didn't matter because he was applying for licences from the council

and soon his events would be legitimate and could not be closed. The conversation was very much that this was his event and he would keep running them no matter where he had to go. It was Mr Cordell who showed me around the venue pointing out first aiders and piles of bottled water in an attempt to convince me this was a legitimate party. Having explained that I was going to order the rave closed or seize the sound equipment it was Mr Cordell who passionately argued against this whilst maintaining he did not want his sound equipment seized. Eventually, it was Mr Cordell who told other persons present that the event was closing and told people in yellow jackets to start packing up the equipment.

DIRECTIONS ORDER

5. I make this Witness Statement in support of the Claimant's application for committal as the Defendant is in breach of the Injunction Order with Power of Arrest made against him In the County Court at Edmonton on **9th August 2017**.

6. The Defendant's abusive behaviour towards my family and I stopped for some time after the Claimant obtained the injunction against him although he continued to make general comments towards us whenever he sees me or my wife entering or leaving the block.

7. On **11th November 2017** between 11:30am and 12pm, my wife was at home when the Defendant came up to our front door, opened the letterbox and peeped through it to see who was inside our flat. He started swearing and shouting abuse and banging on the door as soon as he saw my wife. He then ran downstairs when my wife went to get her mobile phone to record the incident. My wife telephoned the police and reported the incident, CAD No. 3230 of 11/11/17.

The police attended about two hours later, went and spoke to the Defendant and came informed my wife that he denied coming to our front door,

8. On **2nd January 2018** at 6:30pm, my wife was inside our flat trying to assemble a cupboard that we bought from Ikea. Our three-year-old daughter and my cousin who was asleep at the time were also in the flat. Suddenly my wife heard someone banging on our front door and she went to the door with her phone and overheard the Defendant shouting that there was noise coming from our flat. My wife told him that she was trying to assemble a cupboard, but he called her a liar and accused her of deliberately banging on the floor. The Defendant then stood outside our front door for more than twenty minutes swearing and shouting abuse at my wife.

9. The Defendant went away and returned half an hour later, he lifted our letterbox flap, stuck his mobile phone through the letterbox and started to record my family while swearing and shouting abuse. This went on for about ten to fifteen minutes. The matter was reported to the police, **CAD No. 5121 of 2/1/18.**

10. On **3rd January at 9:30am,** I was inside our flat with my wife and daughter when the Defendant came and started banging on our front door. I went and asked him what the problem was, and he stated that my wife was banging on the floor yesterday for about an hour. I told him that my wife was not banging on the floor, that she was trying to assemble a cupboard, but he called me a liar and continued to shout and swear at us. He threatened to kill us and burn down our property and stated that we will not be safe no matter where we are. The Defendant then forced his way into our fiat, but my wife managed to push him out and double-locked the door. I called the police and they came and advised us to report the matter to the council, **CAD No. 2098 of 3/1/18.** The officers refused to listen to the audio recording of the incident and advised that we should ask the council to rehouse us.

11. The recent abuse and threats to kill from the Defendant have made it difficult for us to live in our own home. My wife is afraid to stay in our flat alone with our daughter or leave the flat alone without me or my cousin accompanying her. The Defendant's behaviour is also causing a Jot of distress and anxiety not only to me and my wife but also to our three-year- old daughter.

19. On **9th June 2017**, my cousin returned from work late at night and as he opened the main communal door, the Defendant came out of his flat and started to shout abuse at him. and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

26. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

Statement of Truth

I believe the facts in this Witness Statement are true.

On Friday 12th September **2014** I attended the address of Simon Cordell in Bumcroft Avenue EN3 with A/PS 556YE PETRUCCI, PCSO NASSEER and PCSO TILLEY.

I knocked on Simon Cordell's front door at 1230 hours and he opened the door and asked what we wanted; I asked him if he was Simon Cordell, to which he replied, "Yeah." I stated to him that I was here to issue him with a summons to attend Highbury Corner Magistrates Court on 6th October **2014** at 1:30pm. Mr. Cordell stated, "What is this for?" I informed him that it was for an ASBO; I showed him the summons and the folder and as I went to hand him the folder and the summons Cordell stated, "I'm not accepting that, I'm not having that." Cordell then placed the folder on the floor, outside his door, in the hallway. I stated to him that he does not have to accept it and that I have already informed him of the date, time and where to go. Mr. Cordell then shut the door before I could hand him the summons, so I posted it through his letter box. Mr. Cordell was also told to inform his solicitor of this.

Mr. Cordell was a light skinned, mixed race male, with short black hair and was of medium build.

Dear Sir or Madam

I have tried to call the court on a number of occasions regarding my conviction and sentence for no insurance but the phone just rings when I press the number given to ask about this case the telephone number, I am calling is 0208 955 0555. I have now found out the information

to the case but pressing number 7 the lady I spoke to did in fact try and put me to a manager but that also just ring then cut me off. So, I called back again and asked her if she could give me the information which she did. I am making this request to have my case listed in order that I can do the following: -

1. Application to set aside the conviction

2. Re-open the case

My name: Mr Simon Paul Cordell **DOB:** 26/01/1981.

Address: 109 Burncroft Av Enfield Middlesex EN3 7JQ

Case No: 011401596899 Application to set aside the conviction: -

On 01/01/**2014** I was stopped by the police as they did not believe that I held a valid policy of insurance. Due to this being a holiday my insurance company was closed so the police could not check if I was in fact was insured, I was insured and asked the police to check there records due to the amount of problems I had had with my insurance not showing on the MID database and being stopped do many times they did this and could in fact see many times but still impounded my van reg CX52 JRZ. After the holidays I went to the compound and had to again pay for my Van to be taken out of the compound. I never received any summons in relation to this matter and I only became aware that the case had been dealt with in my absence when I received a letter from the DVLA advising me that I had to send in my driving licence. I disputed with the DVLA the points, but I was given an ultimatum that if I did not send in my licence it would be revoked. The offence of no insurance was allegedly committed on 01/01/**2014**. I had a valid policy of insurance from 23/02/**2013** and this policy was valid until 22/02/**2014** The company insuring me was KGM, and my broker was Broadsure direct I am the named policy holder, Mr. Simon Cordell and my policy number is MT3574694. I have points on my licence which I should not have. Can you please as a matter of urgency email me back on this matter so that I can have a date so that the conviction can be set aside and my case heard in order that I can show the court my insurance and the PLO can make the necessary enquiries. I would be grateful if you can inform DVLA that this matter and the points that have been added to my licence is being disputed so this can be put on hold as I do not see why I should suffer when I have done nothing wrong and I was insured to drive. This is in fact have a big effect on my life when I have done nothing wrong and would like this addressed as a matter of urgency. This matter is urgent. I cannot resolve this matter until the case is listed before either a District Judge or Magistrates so I would appreciate your cooperation. I am very disappointed that you have ignored all my emails. This is causing me stress. Can you now please resolve this legal matter by listing the case for an application to set aside the conviction?

I can then forward my documents to the relevant prosecuting authority. Please see attached my insurance documents for this offence in fact showing I was in fact insured. I await hearing from you in relation to this matter and I thank you in advance for your anticipated co-operation in

The start of the Anti-Social Behaviour Order case proceeding for me;

It turned from summer to winter without me even going outside to realise; and in this change of seasons a bundle got said to have got served onto me; "Mr Simon Cordell," at Burncroft Avenue, to which I dispute to be true at all. This Bundle was in the Anti-Social Behaviour Order Case. Being locked up by the police and the local council made life harder for me, in just looking after myself, so how am I supposed to look after another man's child like this or have my own. I refer to: Friday

12th September 2014,

what is the date of the start of the Anti-Social behaviour case, which never got served in accordance with the law; this was for a multitude of reasons, the first being that the application was too big to fit into my letter box, so I did not accept it and also because of this, I disputed that I ever got served the Anti-Social Behaviour Order folder correctly, as it never got handed. What really happened next is, I was in at my home and I was alone, I had got upset because of everything that had been going wrong in my life, but the truth is that on this day, I woke up as normal, so for me to continue with making my plans for a positive future be able to come true. I was doing this by working hard on the right things and by this time I was well into the daily routine of the constructive work towards the development off my company and my future life. I had been drafting a proposal, and all the other noble, little bits of remnants towards the documents I was working on. When I noticed a sound, this sound was coming from outside of my front door; this was a surprise to me because I had not been expecting any visitors. This sound was a sound that I had heard many times before, I knew it to be a police radio and so before they could knock on my front door, I tried to get to the front door spy hole without getting detected, by the police officers. I heard them knock on my front door; So, with this all explained, I was cautious to open the front door, so because of this reason, I approached the door with caution, so to meet the unexpected visitors. I looked into the keyhole and could see what looked like the police through the keyhole. I asked the people outside a question without opening the door what was: what you want of me, they said they needed to talk. At this point of time I knew that I should have nothing to hide, I opened the door just a little, just so that I could see them in the hallway through the small gap in between the door and the door frame and then I used my foot to keep it ready to get locked as fast as possible in the shortest time scale practical of any problems arising. I wanted to see what the police wanted to talk about, once the door got opened a little the police officer then said to me that they wanted to serve documents with me, at which point I then replied that I was not willing to accept anything and closed the door. Upon closing the front door closed, I told the police that I was not rude, but was not willing to accept receipt of any documents, with this being said I noticed through the spy hole, that the police officers had both spoken to each other, so I could hear what was being said between them both clearly, I then moved my ears closer to the gap on the edge of the front door. I listened closer and once I had done this, I could hear what was being said, I then heard the lady police officer say through the closed door: — what the Lady police office said was: — what should we do, to the man police officer and the man police officer said in reply: just put it on the floor in front of the door, and he took letters from the lady police officer and then posted them in my letter box.

Straight away I continued to look through the keyhole again and watched what the police officers was doing, I then noticed the Man police officer posting four pages of papers into my letter box and the lady police officer put a large blue file in plain vision outside of my front door on the doorstep. I then made a phone call to my mother, as fast as I could do, I done this so that she could also know what had happened and in doing so asking her to attend my flat. But due to a death in the family, she could not attend, to my home address until the next day, dated the: - on the 13/09/2014. When my mother did finally get to my home address, she

found out that the folder got placed outside of the front door, in the communal hallway and got left alone, with nobody present; it got left in plain view of everyone.

The Asbo folder got left in the hallway.

It somehow got placed in the hallway and then left open, so that anyone could have looked into it, she got shocked to see this had happened and also found that in the document there was full details of Mr. S. Cordell inside of it and also that of other people personal names, that should have gotten protected from this occurring; under the data protection act 1998, the police should have never left this folder outside any address, which would give anyone accesses to it. My mother, in that moment, on noticing the folder in the hallway, unattended that is to strengthen and further left in the condition, to what it got found, also understood that this was because of the police officers, misplaced conduct. She did not know what to do at first, she got shocked, at what she found and took it back to where it got addressed from, on inspecting the folder it claimed the address of the New Scotland Yard Headquarters, so she took it to Edmonton Police Stations, lost property, so that she could hand the folder back to themselves, as it never got served in accordance off the law and now had become lost and found property. I did not accept the folder, from the police. My mother or I was not sure, if any papers were missing, which should have got placed within side of the folder and as explained by the next day when my mother arrived to mine, she had found the folder opened in the hallway, I believe that the police understood, that this was wrong in law and that when I did not accept the documents from being served, that they should have then taken them right back with themselves to where they just came from, for me to guess that place I would say, the police station or civic centre, so to have rearranged for a true served document to get reissued.

Hi Lorraine,

The Policy is due to be cancelled today at 17.00 hrs. The insurance company have advised the following They are awaiting Counterpart license with issue number 21 The proof of trade is unacceptable, as it needs to be in Simons name, I can adjust the policy show the trading name but it means that Simon will have to trade under that name. Obviously, the license is an issue as the Photo card is issue 21 and the counterpart copy, we have had issue 19a (this means that two licenses have been issued since the copy we have received) I have been trying to ring you so we can get this rectified but have just been told you are not answering you phone as you are ill. If the counterpart is not received by 17.00 hrs then the policy will be cancelled by the insurers and we have no control over this.

Dear Miss Brown

My son was due to attend court today at 2pm but he is very unwell as I said on the phone to you **his Nan has just died** and he also has Crohns disease and depression, due to his Nan passing away this has made his Crohns disease come on very bad. We have tried to leave today to come to the court and had to turn around due to my son needing to change his things

again. Please can this email be passed to the judge to show why my son cannot attend court today. In addition, please show the judge my son's insurance documents and all the emails that went back and forward to the insurance company. Can you please ask the Officer that checks the documents to call KGM which will show he was insured and ask him to talk to Kelly Tiller who direct number is in the emails?

Can you please get back to me with an update to this matter and if the judge will set a new date or deal with this matter today as he will have all the documents needed to show my son was in fact insured.

Regards

Lorraine Cordell

Hello Martin

After Simon has just got off the phone to you and you saying to him that **the full amount would need to be paid to keep the insurance in place or 2 payments at £700** to keep it in place. I fill that this is way too much to ask I have a letter here dated the 26/09/2014 saying that he has 7 days from that date before the insurance is closed. There have been so many errors with his insurance even to the fact we never got any documents for ages as they were left in the fill and forgot to be sent out. So, for ages we never had any documents so did not know when any payments were due. As you are also aware my mother passed away and the family has been dealing with that also. There have been many emails that have been sent to Broadsure and many problems over the last 2 years. Even to the fact from April **2014** when Simon started a next insurance policy that all went wrong also by no fact of his own, and you making a payment to the said company I fill should never have been made. Please can you say what is going on with the insurance policy and if instalments can be made and by how much as ATM there is no way after paying for a funeral that 2 payments of £700 can be made.

Can you also send him over his no claims bonus?

Regards

Lorraine

Dear Miss Brown

My son was due to attend court today at 2pm but he is very unwell as I said on the phone to you his Nan has just died and he also has crohn's disease and depression, due to his Nan passing away this has made his crohn's disease come on very bad.

We have tried to leave today to come to the court and had to turn round due to my son needing to change his things again.

Please can this email be passed to the judge to show why my son cannot attend court today.

In addition, please show the judge my son's insurance documents and all the emails that went back and forward to the insurance company.

Can you please ask the Officer that checks the documents to call KGM which will show he was insured and ask him to talk to Kelly Tiller who direct number is in the emails.

Can you please get back to me with an update to this matter and if the judge will set a new date or deal with this matter today as he will have all the documents needed to show my son was in fact insured.

Regards

Hello Martin

I have spent all weekend trying to get hold of the two Charlton Car Pound as that is where the police have said there will hold a list of what was in the van. The police have told me that the compound has to make a list of every vehicle that is impounded so it covers them also so they will have a list. I have sent 2 emails over the weekend which I do know they have read as I had tracking on them.

I have spoken to Kelly today and she has asked me to make sure you have the information for the compound and can you pass it over to her asap. Also can you find out from Kelly Tiller if

Simon will be covered after 12.00 today while she gets hold of the compound please and let us know as soon as possible.

Hi Lorraine,

Please find response from your insurers

I have listened to the call that took place between the police and my colleague Jessica advising that Mr Simon Cordell was carrying tools in his vehicle so unfortunately, we have no other opportunity but to continue with the cancellation of the policy.

Unfortunately the policy will cease as of tomorrow as per the letter from KGM.

The only way to stop this is to either get the Police officer to contact KGM, or to get a signed statement from him before 1700hrs today.

After the call you made today and talked to myself Miss Lorraine Cordell, I am sending over the information you asked for. I do feel also that KMG asking to speak to the police office is

in breach of my data protection, but I will be willing to write and allow them to do this. As I said to KMG yesterday on a phone that was made to them when I talked to Kelly Tilley I have not been found guilty at a court of law for not having no insurance and it is for a court of law to find me guilty not a police officer who thinks I done something when I have not. Even if KGM does speak to the police office he will still say what he feels and that is not a fact that I am guilty of anything. To be found guilty it would have to be done in front of a judge.

Also Martin as you said on the phone today when you in fact talked to the police on that day not once did they say I had anything in my van that would void my insurance, and in fact I believe at this stage if the police did in fact have proof they would have said to you that my van was full of things which is not the case.

I would like to also know if my insurance is going to carry on while this matter is addressed or if it will be closed down on the 27/11/2013 as the letter says that KGM have sent me. And if KMG is going to close down my policy I would like full written conditions of what part of my policy I have broken.

As for the letter of complain that will be going to the police Simon still has not fully read over it to make sure there is no errors or anything else that needs adding but it does go into details as to what went on, it is only for use by yourself and KGM to read only.

Also as I said on the phone to you today the police are also telling me that the 3 times that my vehicles were seized and I had to pay for them to be taken out of the compound, I will need to claim this back from my insurance company as they had not done their job and put them on the database so they are at fault not the police.

You said to me today that KGM are looking into this as they are on the database and it should show up to the police that I am in fact insured. This has not been the case for me and I have suffered badly due to this and this is the reason I have to carry my insurance policy at all times so when I get pulled over by the police I can show them my documents, as the police say it does not show up as I am insured, this is also the reason the insurance company have had so many calls from the police to asked if I am insured or not since my policy started.

Could you please send me proof that the vehicles where on the database so I can put the claim in to the police to get my money back for the times my vehicles were seized. As at this stage I do not want to have to put a freedom of information act into yourselves or the police to the amount of times that the police have in fact had to call my insurance company to see if I was insured due to the police saying I was not insured..

I have always been very happy with Broadsure Direct that is why I have still use them and would like my insurance to carry on under them.

Dear Martin

Today the 15/11/13 I made a call to be able to speak to you with regard to what happened yesterday the 14/11/2013 with the police. I have talked to Oilly today and he asked me to write this email to you as they are thinking of closing my insurance policy.

Yesterday I went for a meeting with the owner of a night club for a future job position the meeting was set for 14.00 hours.

I drove down for my meeting and got there at around 13.00 hours there were some police at the road side doing stops on cars etc, as I drove pass and pulled over to park by the night club, my friend who was with me got out of the van to get some drinks and food while I waited in the van, as I got to the club early for my meeting.

The police that were doing the stops came up to me, they told me they wanted to do some checks on the van I was sitting in, I asked why, and they told me under the road traffic act.

I then passed the police my insurance policy for them to go over, the police officer also asked me why I had stopped there.

I explained to him I had a meeting in the night club that we were outside, as it was due to open to the public in 1-month time to secure my future position there. While I was there, I was also planning on asking if there were any painting jobs, I explained all this to the police officer I was talking to.

The police looked inside the van and clearly saw it was empty and that there were also no signs on the van showing it to be a company van. But the police officer was still unhappy. He talked to yourselves as the insurance company on the phone and was told I was not insured, at what point I called you myself as my insurance company as I knew I was insured. I explained the situation to yourselves to be told I was covered for commuting to work, social and domestic, as well as motor trade, but not for carriage of goods for a company, which did not matter as my van was empty and still is whilst being in the police impound.

I am putting in a complaint to the independent complaints commission in regard to the unlawful seizure of my vehicle.

Further to this would it please be possible to find out the status of my insurance policy and the reasons as to why I have been told you are in the process of closing my policy.

Yours sincerely

Mr Simon Cordell

Hello Martin,

Thank you for the phone call today to tell me I was still insured.

Could you please pass on the attached documents to Kelly Tiller at KGM one is a Subject access request under the Data Protection Act 1998.

The other letter is just to get Kelly Tiller to confirm by email I am in fact still insured so I have this in writing and also to find out why my van is still not showing up on the database. And also about the logbooks which I am still waiting for them from DVLA I called DVLA today when I got back from the compound and was told it can take 8 weeks for me to get the new logbooks, I will therefore send them right over to you by email as soon as I get them.

Many Thanks

Hi Martin

I have still not had a reply from KGM about the data protection or an email from them to say he is in fact still insured. And on the Mid database the van is still showing as not insured, due to this Simon is not driving the van as he does not want to get pulled again by the police which I don't think is right as he has in fact paid his insurance to be able to drive it if he needs to can this please be sorted out as he really does not want any more problems with getting pulled over due to it not showing up as insured. I also have called DVLA again about the logbook and have been told that they should be with us soon.

Many Thanks

Lorraine

Dear Miss Brown

My son was due to attend court today at 2pm but he is very unwell as I said on the phone to you his Nan has just died and he also has crohn's disease and depression, due to his Nan passing away this has made his crohn's disease come on very bad.

We have tried to leave today to come to the court and had to turn round due to my son needing to change his things again.

Please can this email be passed to the judge to show why my son cannot attend court today.

In addition, please show the judge my son's insurance documents and all the emails that went back and forward to the insurance company.

Can you please ask the Officer that checks the documents to call KGM which will show he was insured and ask him to talk to Kelly Tiller who direct number is in the emails.

Can you please get back to me with an update to this matter and if the judge will set a new date or deal with this matter today as he will have all the documents needed to show my son was in fact insured.

Regards

The website is made with a backend with WordPress The website was at 1st going to be only **Too smooth** hire company for Entertainment He then wanted a section added that included a trade section which would have allowed a user to sign up for an account under a payment method there was going to be 3 payment options which give the user more option for the higher account. With this he wanted them to be able to get their own page and be able to include their form of business. There would have been option that would have included DJs then once for MCs, then one for PA system hire etc. Each section would be under area of location for the hire. This is the section I had problems with as it was in fact like a yellow page for Entertainment but allowing the option for the user to input their company data, so the website needed min input and maintenance. Coding this within the website was where I had issues as I had to make it also work with the WordPress backend database.

After Simon has just got off the phone to you and you saying to him that the full amount would need to be paid to keep the insurance in place or 2 payments at £700 to keep it in place. I fill that this is way too much to ask I have a letter here dated the 26/09/2014 saying that he has 7 days from that date before the insurance is closed. There have been so many errors with his insurance even to the fact we never got any documents for ages as they were left in the fill and forgot to be sent out. So, for ages we never had any documents so did not know when any payments were due. As you are also aware my mother passed away and the family has been dealing with that also. There have been many emails that have been sent to Broadsure and many problems over the last 2 years. Even to the fact from April 2014 when Simon started a next insurance policy that all went wrong also by no fact of his own, and you making a payment to the said company I fill should never have been made. Please can you say what is going on with the insurance policy and if instalments can be made and by how much as ATM there is no way after paying for a funeral that 2 payments of £700 can be made. Can you also send him over his no claims bonus?

Subject: RE: Simon Cordell

Hello Martin

After Simon has just got off the phone to you and you saying to him that the full amount would need to be paid to keep the insurance in place or 2 payments at £700 to keep it in place. I fill that this is way too much to ask I have a letter here dated the 26/09/2014 saying that he has 7 days from that date before the insurance is closed. There have been so many errors with his insurance even to the fact we never got any documents for ages as they were left in the fill and forgot to be sent out. So, for ages we never had any documents so did not know when any payments were due. As you are also aware my mother passed away and the

family has been dealing with that also. There have been many emails that have been sent to Broadsure and many problems over the last 2 years. Even to the fact from April 2014 when Simon started a next insurance policy that all went wrong also by no fact of his own, and you making a payment to the said company I fill should never have been made. Please can you say what is going on with the insurance policy and if instalments can be made and by how much

as ATM there is no way after paying for a funeral that 2 payments of £700 can be made. Can you also send him over his no claims bonus?

Regards

Lorraine

“The date had turned into the!”

The date had turned into the; **06/10/2014** and I had to **attend to court for the first instance of the Anti-Social Behaviour Order**, interim order proceeding to take place; It had got meant for me by the police officer’s having a court hearing for the interim Order to get put into place against me, but when I arrived at court legal aid had not gotten granted for me, so Michael Carroll the director of my acting solicitor firm came to court to explain this fact, the judge overturned and granted legal aid, in my favour. In the start of the application for the Interim hearing, the judge would not hear due to my solicitors not having time to go over the case files, as legal aid did not get granted in time I could remember the CPS and the police did not seem to be thrilled about the decision made by the judge. The court case proceedings were then put off to get reheard at a Hearing on the **22/10/2014**.

And I would like to show you where the police officers' recordings that are being phoning in them telling me that I have been robbed down the phone and all the transcribed. I'd like to show you how I'm illegally being detained by police officers who caused fraud, misconduct under the police the police force that they represent, and they've caused negligence towards my life. How they keep, I have been threatened multiple times by officers. I've had incoming calls that they're threatening me, and I've recorded them, and I'll put them up on my website I am being held.

New Speaker: [02:39](#) Right.

New Speaker: [02:39](#) illegally in my, I phoned yourselves loads of times in regards to sorting things. My neighbours have been allowed to attack me and a sex scandal, was created in my name when there was nothing wrong with me medically wrong and no one had any rights and never served an Asbo and scribbled all over in the Asbo that I'm a black boy on the block and that's why this is happening to me and I don't think want somebody to deal with it. I'm being held in my house today illegally against my will. And

Speaker 1: [03:04](#) who has held you in your house.

Speaker 2: [03:05](#) the metropolitan at woman called Sally Gilchrist.

New Speaker: [03:07](#) ok.

New Speaker: [03:07](#) There is a Sir Hogan Howell himself, um, authorized it and Jane Johnson the borough commander for Edmonton, she authorised it and they've let another gentleman called Lemmy now who works for the council come in whose fraudulently put a possession order against me.

Speaker 1: [03:26](#) Okay. Okay. Okay, well you've obviously got a lot going on there. Can I just take a few details? Can I take your name?

Speaker 2: [03:30](#) My name? Mr. Simon Paul Cordell. My Christian name is Paul. I'm not Christian anymore low, now I don't really believe in Christianity.

| Speaker 1: | 03:57 | My name is Allison Addison. |

| Speaker 2: | 04:05 | communications in Bow, Okay, thank you. Who's in charge in charge of you at the moment? Who's in charge of both at the moment? Who's the senior officer there? |
| Speaker 1: | 04:14 | Well, it'd be a duty officer. |
| New Speaker: | 04:14 | Oh, ok, is it ok if |
| Speaker 2: | 04:17 | I know that one. |
| New Speaker: | 04:17 | You have access to. |
| New Speaker: | 04:18 | Yes go on. |
| New Speaker: | 04:18 | You have access to Google, is that correct? |
| Speaker 1: | 04:21 | No, not while I'm working. No. There'd be no need for me to use Google while I'm working. |
| New Speaker: | 04:25 | AR, so. |
| New Speaker: | 04:25 | Would it not be best. Just go if you've got all this evidence, would it not be best to take it all into a police station. |
| Speaker 2: | 04:32 | I, I'm, I'm in fear of reimbursables of walking into the police station. Every time I walk into a police station I get viciously attacked or, and I've, I've, I've, I've had to lock myself in my house. I've had to block my letter box so that nothing can be put in my house. I've got, I've built a website called Horrific corruption.com I've got all the recordings of the nine, nine, nine call centres that I've ever made, there is 220 phone calls asking for your assistance. I've got all the videos of what my neighbours were doing to me, banging on all the walls, attempting to murder me, taking my right to life. Article 2 and Article 13 I've got all of me explaining then the phones, what they were doing to me, they, they, they. |
| New Speaker: | 05:09 | falsified paperwork. |
| Speaker 1: | 05:10 | Ok but is it's complaints against police, |
| Speaker 2: | 05:12 | it's not just. |
| New Speaker: | 05:14 | And you are not happy. |
| New Speaker: | 05:14 | it's against civilians as well they attempted to murder me and it's attempted murder. It's more a knock a banging noise starts with something called Christie V Davey, which is a tort law, which is okay. Two people started, a woman started banging a block once a long time ago and they created the law, the tort law, the Christie V Davey. Then after that become hate crime. When somebody continues doing that hate crime is an actual crime. It's in a criminal offense than after hate crime. When someone continues to do something for a duration, like a five years torturing you while you're |

| | | inside your house being illegally held and they banging on the walls and an I am phoning the police that becomes attempted manslaughter and it's above section 18 with intent even though it's still does hold a tenant and have spoken to the Supreme courts and I spoke to the European committees and that and I'm building my, I built an official report. I've got loads of police officers that I've let into my house and had dictators in my pockets. I've gone, going through the report with them in my front room. They've not known that on recording, Simon, Simon, I'm going to have to stop you there. |
| Speaker 1: | 06:12 | |
| New Speaker: | 06:14 | For what reason. |
| New Speaker: | 06:14 | Okay. I don't think, I don't think this is something I can deal with over the phone. |
| New Speaker: | 06:18 | why. |
| New Speaker: | 06:18 | Okay. |
| New Speaker: | 06:18 | So, can you send a police officer to my house. |
| New Speaker: | 06:18 | Have you spoken to the Independent complaints commission. |
| Speaker 2: | 06:23 | Yes, I have spoken. I've, I've had dealings with the independence complaint commission, and I've had dealings. |
| New Speaker: | 06:26 | Right. |
| New Speaker: | 06:26 | and I've had dealings with guy. I went through this case through the appeal stage for JR and the plea, the metropolitan police in your course and as a lot of the people that I have on recording from your call centres who's about to most recently lose their jobs because their voice are on there and the names and everything they've signed that said and done, every single one of them is all say that I have been robbed. your black boy on the block. You dead. Do you listen to the recordings now online? Yeah, before I publish it. |
| New Speaker: | 06:53 | I, I, I am not going to do that yeah. Yeah. I'm not going to actually do that. I can't do that |
| Speaker 2: | 06:56 | before I publish. |
| New Speaker: | 06:57 | ok. |
| New Speaker: | 06:57 | them to everybody. Yeah. But you can get a police officer, a police station that can take my case on and deal with it efficiently how it's supposed to be dealt with. You have whistle-blowing policies and procedures. One of them is called the Codes of efficiency, the Act 1999 and 2003 and now I call you and your name and I tell you what that efficiency Act 1999 does and 2003, it says if I tell you what another police officer is doing or another servant who assigned the Alliance of oath and you do not act a formatively and call and interview between you and that person you are as bad as that person if not worse. Now I've informed you that Steve Ellis has fraudulently made an |

Asbo application. You can go to that Asbo application because you are working for that company and you can see that each police officer falsified four statements in them, four statements. They never got victims. They never got no victims to sign for them. The statements, yeah, they falsified the paperwork. All the timestamps to your Cads, the crimits that are come out. Yeah, they made them all up for progress way which is one area because no one really went there.

Speaker 1: [08:06](#) Simon, Simon,. I'm going to have to stop you. This is nothing I can deal with other the phone.

Speaker 2: [08:11](#) You can do connect efficiently. I'm telling you what they're doing.

New Speaker: [08:14](#) Please.

New Speaker: [08:14](#) I'm going to put your record.

New Speaker: [08:15](#) Simon.

New Speaker: [08:15](#) in online in a second and.

New Speaker: [08:17](#) please.

New Speaker: [08:17](#) you're going to be famous as well for not protecting me.

New Speaker: [08:20](#) Please listen to me. I want to help you, you need to listen to me

New Speaker: [08:20](#) My human rights are important,

Speaker 1: [08:21](#) so listen to me. Okay? This is not something I can deal with over phone at the moment. Okay.

Speaker 2: [08:29](#) You can send a police officer under the police reforms at 2003 which or 1999 which is,

New Speaker: [08:34](#) ok, Simon

Speaker 1: [08:35](#) Simon I am going to advice you for the first time. This is not something I can deal with over the phone,

Speaker 2: [08:40](#) so you consider.

New Speaker: [08:41](#) ok if you want an officer, if you want an officer.

New Speaker: [08:41](#) use people do, you have resources that you have available to you.

New Speaker: [08:44](#) Go down to a police station.

New Speaker: [08:44](#) Can you look at, can you look at complaints now and please, can you, can you look a complaint and send it? Can you log a complaint right now for me? Please?

New Speaker: [08:52](#) I am now advising you for the twice.

New Speaker: [08:52](#) Can you, can you please look a complaint from you? I'd like to make an official complaint to you right now in regard for the offices that I'm putting you in receipt of the evidence of, and I want you to log that onto the computers, now in front of you as somebody to deal with that with the duty of your care that you are supposed to

Speaker 1: [09:06](#) Lower your voice then. Lower your voice Simon. Okay.

New Speaker: [09:09](#) Yeah.

New Speaker: [09:09](#) You need to lower your voice So the idea is always, if you wish for me to help you,

Speaker 2: [09:11](#) I'm tongue tied madam, I' am, tongue tied and I have pressured speech. I went to speech therapy as a kid and everything. I don't ever mean to be like that or be any way. It's just lisps when I'm trying to speak. That's what happens sometimes.

Speaker 1: [09:25](#) Okay. So, which what is your new complaints you wish to make?

Speaker 2: [09:28](#) My complaint is that metropolitan police force are illegal.

Speaker 1: [09:32](#) Right. Can you speak slowly as well? Because I do have to type. Okay, so you wish to complain that the met police. Yeah.

Speaker 2: [09:38](#) Yeah. Have promised that once the case, the ASCO case had finished in court that they will, and I've got the recording of this.

New Speaker: [09:46](#) Can you slow down for me. Yeah.

New Speaker: [09:46](#) have promised in the recordings. That I have online that once the Asbo,

Speaker 1: [09:53](#) sorry, sorry, sorry, the Asbo case once it is finished in court.

Speaker 2: [09:57](#) Yeah. That Steve, Tom, Sergeant Thomas on phone me on an incoming call as well as many of our offices did throughout the four years, of its ongoing. And they promised me that the second that the case is over the second iPhone use lot again in regards to putting an official complaint in that you will act efficiently and that you will, you will stop them police officers from working and do whatever has to be done. If the evidence,

Speaker 1: [10:21](#) I'll write slow down slow down because I have no idea what you're talking about. The slow down. So, they promised you that once the case was over, they would efficiently, and the police officers would do what?

Speaker 2: [10:31](#) Take an investigation in regards to the negligence and misconduct that I claim that their officers have pursued in against my free will against me.

Speaker 1: [10:41](#) Okay. Okay. So, they would investigate. Yeah.

Speaker 2: [10:44](#) The negligence and misconduct.

New Speaker: [10:47](#) Against you.

New Speaker: [10:47](#) that the police officers have falsified against me under the Fraudulent companies Act 2006

Speaker 1: [10:55](#) The officers have falsified information. Yeah.

Speaker 2: [10:57](#) They falsified under the companies Act 2006 falsified fraud under the fraud company Act 2006.

New Speaker: [11:02](#) ok.

New Speaker: [11:02](#) and I would, and I've got recordings of loads of the sergeants phoning me telling me that the second I have, I can do this, that they're going to investigate the timestamps that go backwards in your call centres. They're going to investigate the, I'm not the right colour

| | | |

| New Speaker: | <u>11:25</u> | Ok you need to slow down. |
| New Speaker: | <u>11:25</u> | I am sorry Madam, |
| New Speaker: | <u>11:29</u> | It's just me typing. |
| New Speaker: | <u>11:29</u> | I am sorry Madam. Sorry. |
| New Speaker: | <u>11:31</u> | If you want me to help you. |
| New Speaker: | <u>11:31</u> | Sorry, I can type fast. That's what it is. I, I, I'm not even trained. I'm not even trained or in a call centre and used to see how fast I can type. |
| New Speaker: | <u>11:40</u> | Good for me. |
| New Speaker: | <u>11:40</u> | Good for me. That's good for all of us. because I wrote paperwork and policies for all of us, I wrote a model constitution to protect your children, my children and everyone and use and your company discriminated me and scribbled my black boy on the block. They called me a black boy down the phone and I'm going to go public. And then hopefully when the coppers come into work tomorrow, if you look at the website when you go home, if I leave it on overnight, you're going to say to them, why did you come into work? Are you all going to be looking at each other, put in handcuffs on each other? How have your friends in that call centre that I've got on recordings are in so much trouble? It's unreal. |
| Speaker 2: | <u>12:16</u> | You don't need to start taking this very seriously. Cause I want to do an inner body claim and sort this out in a body and you all keep on boying me and telling me to go out and go out of body and go to a solicitor. I'm ready to send my paperwork to solicitor and that's what I'm trying to show you through that website now. Yeah. Yeah. I want somebody to deal with this inner body and what my proposal is to use lot. |
| Speaker 1: | <u>12:36</u> | Simon lower the voice, |
| Speaker 2: | <u>12:38</u> | Sorry, sorry. What my proposal was to use lot what has been in all the recordings. I knew that use lot fraudulently defrauded me from that the company done that to me, but what I'm saying is they never proved, I never really threw the parties. The Facebook parts. The people that really throw the parties. I copied their Facebook profiles and I've put them on Facebook so you can see that I never really throw the parties. |
| New Speaker: | <u>12:57</u> | There dead |
| Speaker 1: | <u>13:00</u> | Simon, I've got to tell you now, I'm not going to be looking at any Facebook. I'm not going to be looking into anything that is in relation to this. |
| Speaker 2: | <u>13:04</u> | It's not Facebook. It's not Facebook, is its. |
| New Speaker: | <u>13:06</u> | Or Google, I am not going to be looking. |
| New Speaker: | <u>13:06</u> | Yes but a police officer, a police officer above you who is supposed to be who is supposed to be acting under |

| New Speaker: | 13:22 | Do you have what you, you are governed under the equality to Rights year. Do you know what the equality work to equality to rights is? |
| New Speaker: | 13:28 | Simon please stop, I am going to. |
| New Speaker: | 13:28 | Non Auditable |
| Speaker 1: | 13:28 | If you do not stop shouting, |
| Speaker 2: | 13:30 | I'm not shouting I'm tongue tied. It's a disability. I get getting money for it. |
| New Speaker: | 13:34 | I do apologize to you. |
| New Speaker: | 13:34 | I said disability. You are having a go at me because I've got a disability because I'm disabled. |
| New Speaker: | 13:38 | I'm not. |
| New Speaker: | 13:39 | Yeah you are. You are. I'm you are. I'm sorry I can't help be in pressured speech. You are. I can't help being like this is the way I was born. I've got, I've got a finger under my tongue and it hasn't been cut so I, that's why I had to go to on the blue bus at school and go and talk and they have to teach my speech therapy my whole life. I've been like, okay |
| Speaker 1: | 14:02 | Simon. Okay, I understand. Okay, I'm postural plate down for you. Would you like a reference number for your calls? |
| Speaker 2: | 14:08 | I would appreciate it and I would like to know if somebody's going to call me back and who's going to call me back? |
| Speaker 1: | 14:13 | I don't know the name of the officer who is going to call you back but it hasn't been passed through to them ok. |
| Speaker 2: | 14:16 | Can I take the number then please and the Cad number two this call and the rest of it. |
| Speaker 1: | 14:20 | The CHS reference, I am on CHS and the reference is three zero, zero, zero nine all right. |
| Speaker 2: | 14:30 | 30009 and then what got today's date at the end of it? |
| Speaker 1: | 14:36 | You put the dates. |
| New Speaker: | 14:40 | And what is today's date again. |
| New Speaker: | 14:40 | Sorry, let me finish speaking. Today's date is the 6th of October 2014 |
| Speaker 2: | 14:45 | Ok, well, do you know what you've listened to this year. If you check on Google mobile phone. Yeah, mobile phone doesn't show of the case files and all the coppers names and everything. Yeah. I'm going to turn the website on for an hour because I believe that some are used. I've got a PC and then you can actually see what's actually happening. I haven't even loaded up half of the audio and the video evidence software yet and I haven't even started on it. I'm about to start on it in a minute. |

|--------------|-----------------------|---|

| New Speaker: | 15:15 | Can I just say, well, can I just say one thing to you? |
| New Speaker: | 15:17 | Yeah. |
| New Speaker: | 15:17 | Now listen to this. This is important for all of you. |
| Speaker 2: | 15:19 | Yeah. Seven years. Yeah. Holding me hostage here. If you work out the hours in seven years, that's one and a half million hours. Yeah. If you take away, then \$500,000 say I was asleep. That's 1 million hours. Yeah. The I've been up studying, doing my defence phoning use lot. Yeah. If I get one pound that means every pound, I get in compensation every hour. Yeah. I'll get 1 million pounds for the seven. It's seven years I've been phone use lot and explaining to you everything that's been going on. Yeah. I want I'm; I want to get what's rightfully mine and what you knew from the beginning. I've got recordings of them doctors in this house and the police in his house going through the Asbo in 2014 with me and always saying I'm not the right colour. Notice in the missing signatures in the report in 2014 , going through my medical notes in 2014 knowing that there's nothing wrong with me, and then use that. Continue spreading all these rumours and this sex scandal. |
| New Speaker: | 16:10 | Simon I am clearing the line. |
| New Speaker: | 16:10 | An endangered Hyde's life Shannon's life and the rest of us. |
| New Speaker: | 16:13 | Simon I am going to have to clear the line good bye. |

at the moment you have all the paperwork relating to the Hall. We have got a meeting with Monica on Monday about training; and not sure what else. You would know from going through the paperwork, what we are missing?

It's a matter I think of let's see what happens then. In the paperwork is there minutes or notes from the last AGM as she would like a copy. We as the committee have got to put together an Asset Register in the hall. Did you call Mark at F.E.C.A about our paperwork down there?

Thanks

Hello Martin

After Simon has just got off the phone to you and you saying to him that the full amount would need to be paid to keep the insurance in place or 2 payments at £700 to keep it in place. I fill that this is way too much to ask I have a letter here dated the 26/09/2014 saying that he has 7 days from that date before the insurance is closed. There have been so many errors with his insurance even to the fact we never got any documents for ages as they were left in the fill and forgot to be sent out. So, for ages we never had any documents so did not know when any payments were due. As you are also aware my mother passed away and the family has been dealing with that also. There have been many emails that have been sent to Broadsure and many problems over the last 2 years. Even to the fact from April 2014 when Simon started a next insurance policy that all went wrong also by no fact of his own, and you making a payment to the said company I fill should never have been made. Please can you say what is going on with the insurance policy and if instalments can be made and by how much as ATM there is no way after paying for a funeral that 2 payments of £700 can be made. Can you also send him over his no claims bonus?

Dear Mr Cordell

Office of used a motor vehicle without insurance on 01/01/2014
Date of conviction 28/07/2014

Thank you for your email received on 12/09/2014. You state you did not know about the court hearing until after the court had started to hear the case. You may be able to make a statutory declaration that you were unaware of court proceedings.

You have **21 days** from the date on which you became aware of the case to make a declaration. If the court decides that it was not reasonable to expect you to make the declaration within this period, it may accept a late declaration made out of time.

You can make a declaration at your local magistrates' court and must attend in person to make the declaration. It can not be done in your absence.

If you make a declaration which you know or believe to be untrue, you could be convicted of perjury, a criminal offence punished with imprisonment of up to two years. Any financial impositions and penalty points remain valid and enforcement of financial impositions will continue until a declaration has been made.

Following the making of a declaration, the prosecution may decide to restart proceedings and the summons may be reissued. You could be given another court date when the matter will be heard.

Yours sincerely,

N Williams-Burton
Administration Officer

Dear Sir or Madam

I have tried to call the court on a number of occasions regarding my conviction and sentence for no insurance but the phone just rings when I press the number given to ask about this case the telephone number I am calling is 0208 955 0555. I have now found out the information to the case but pressing number 7 the lady I spoke to did in fact try and put me to a manager but that also just ring then cut me off. So, I called back again and asked her if she could give me the information which she did.

I am making this request to have my case listed in order that I can do the following.

Application to set aside the conviction

Re-open the case

My name: Mr Simon Paul Cordell DOB: 26/01/1981.

Address: 109 Burncroft Av Enfield Middlesex EN3 7JQ

Case No: 011401596899

Application to set aside the conviction: -

On 01/01/2014 I was stopped by the police as they did not believe that I held a valid policy of insurance. Due to this being a holiday my insurance company was closed so the police could not check if I was in fact was insured, I was insured and asked the police to check there records due to the amount of problems I had had with my insurance not showing on the MID database and being stopped do many times they did this and could in fact see many times but still impounded my van reg CX52 JRZ.

After the holidays I went to the compound and had to again pay for my Van to be taken out of the compound.

I never received any summons in relation to this matter and I only became aware that the case had been dealt with in my absence when I received a letter from the DVLA advising me that I had to send in my driving licence. I disputed with the DVLA the points, but I was

261,

given an ultimatum that if I did not send in my licence it would be revoked.

The offence of no insurance was allegedly committed on 01/01/2014. I had a valid policy of insurance from 23/02/2013 and this policy was valid until 22/02/2014. The company insuring me was KGM, and my broker was Broadsure direct. I am the named policy holder, Mr. Simon Cordell, and my policy number is MT3574694.

I have points on my licence which I should not have. Can you please, as a matter of urgency, email me back on this matter so that I can have a date so that the conviction can be set aside and my case heard in order that I can show the court my insurance and the PLO can make the necessary enquiries.

I would be grateful if you can inform DVLA that this matter and the points that have been added to my licence is being disputed so this can be put on hold as I do not see why I should suffer when I have done nothing wrong and I was insured to drive. This is in fact having a big effect on my life when I have done nothing wrong and would like this addressed as a matter of urgency.

Can you now please resolve this legal matter by listing the case for an application to set aside the conviction? I can then forward my documents to the relevant prosecuting authority. Please see attached my insurance documents for this offence in fact showing I was in fact insured.

Hello Martin

After Simon has just got off the phone to you and you saying to him that the full amount would need to be paid to keep the insurance in place or 2 payments at £700 to keep it in place. I fill that this is way too much to ask I have a letter here dated the 26/09/2014 saying that he has 7 days from that date before the insurance is closed. There have been so many errors with his insurance even to the fact we never got any documents for ages as they were left in the fill and forgot to be sent out. So, for ages we never had any documents so did not know when any payments were due. As you are also aware my mother passed away and the family has been dealing with that also. There have been many emails that have been sent to Broadsure and many problems over the last 2 years. Even to the fact from April 2014 when Simon started a next insurance policy that all went wrong also by no fact of his own, and you making a payment to the said company I fill should never have been made. Please can you say what is going on with the insurance policy and if instalments can be made and by how much as ATM there is no way after paying for a funeral that 2 payments of £700 can be made. Can you also send him over his no claims bonus?

Thank you for your recent enquiry with regards to Unecol House. I am writing to advise you that the Council do not hold presently current blue print plans for this asset.

1032,

I can advise you however that the site is c 30,000 sq. ft in size and the Council maybe seeking to market it in the Autumn for a tenancy. If you may have an interest in this, please by all means send me details of your business and your outline proposal for utilising this premise. (if applicable) I hope this helps for now.

Hi Patsy

1039.

Thank you for your email. In terms of policies there are quite a few required e.g. Health & Safety Policy, Equality & Diversity Policy, Safeguarding Policy, Data Protection Policy, Financial policy etc. We have some good practice guidance of the roles of a management committee which I can bring along next Monday, however the trainer that I will be bringing along will be able to provide advice, guidance and also deliver training to yourselves on both the role of a management committee and your responsibilities of managing a hall, including all the policies. Pricing of the hall needs to be consistent, there is no difference if you are a member or non- member. The current pricing of our halls is £13 per hour for voluntary groups and £23 per hour for commercial/private companies to use. For parties from 11am to 11pm the rate is £230. When you provide the booking to your hirers you should be getting them to sign a hire agreement so that they have something showing their responsibilities and also this is there receipt of payment. We can build on this as part of the training with the committee. Once you have confirmed if 13th October is good for you all, at this meeting, could you provide me with a copy of the minutes of your AGM and your accounts please. Any questions then please let me know.

Hello Martin

After Simon has just got off the phone to you and you saying to him that the full amount would need to be paid to keep the insurance in place or 2 payments at £700 to keep it in place. I fill that this is way too much to ask I have a letter here dated the 26/09/2014 saying that he has 7 days from that date before the insurance is closed. There have been so many errors with his insurance even to the fact we never got any documents for ages as they were left in the fill and forgot to be sent out. So, for ages we never had any documents so did not know when any payments were due. As you are also aware my mother passed away and the family has been dealing with that also. There have been many emails that have been sent to Broadsure and many problems over the last 2 years. Even to the fact from April 2014 when Simon started a next insurance policy that all went wrong also by no fact of his own, and you making a payment to the said company I fill should never have been made. Please can you say what is going on with the insurance policy and if instalments can be made and by how

much as ATM there is no way after paying for a funeral that 2 payments of £700 can be made. Can you also send him over his no claims bonus?

Being at my new living partner home address: --

I can say with a smile on my face that even with the problems that I got faced with, that summer seemed to last forever and in the middle of that summer, I can remember being at my new living partner home address, when I was painting the young Child's bedroom, this was due to the child sleeping down stairs in the front room between us and this was as no other man accomplished this for the pair of them already. While decorating and painting the bedroom; my new living partner at the time had gone for a routine check-up at a sexual clinic in her own area, at the time this was of no concern to me and I went happy for this to go ahead. In the middle of me fixing the bedroom up to a nice standard, my new living partner arrived back home, she asked me to sit down with her, as she had something important to explain to me. We walked into her hallway, this was at the top of her staircase and was outside of the bedroom, that I plastered and decorated, then my new living partner started to explain to me what happened, she said that while she was at the clinic, she got in their medical chair to get her check-up, when the woman looking after her welfare, said to her that she had noticed a spot on the top of her ass cheek and that as the clinician she wanted to test it. My new living partner explained to me that she allowed this to happen and was now waiting for the test to confirm the results, as a result of this; we were both then waiting to find out if this was of any concern to us both. After explaining this to me, she took a seat at the top of her staircase and pulled her trouser bottoms down, pulling her leg right up into the air showing me the top of her ass, this revealed to me what seemed to be a normal spot in my

eyes, that any other person's may see on any other person, that is to explain. With myself being me and what just got told to myself, I never really managed to contemplate on the full understanding of what had just happened to me and how much that moment would change the rest of my life, what got said had yet to sink into my mind. I remember smiling at her and telling her that nothing will matter as I will be there for our family and things will be OK.

The older Nephew / son, the dark secret: -

Meeting Mathiyalagan Markandu family including the older Nephew / son, the dark secret: - This little dark secret used to pretend to me that he lived in the same block of flats as I do, and the flat is supposed to be two up to the side of my flat. In layman terms, his so called flat, got said to be in the same block but on the other side to me and not directly above mine, but months later I found out he was a liar. He used to befriend me, when we would meet in the corridor or outside of the block of flats, whenever I bumped into him as he would go up the stairs, to try to kill me. I never knew it was him at first, who had been attacking me, with his stepfather and mother, I saw him so many times throughout the years of being violated with no help of the police or council and never believed in their being anywhere next to the amount of evil in him and because of this I continued to say hello to him whenever I would see him, as a response to me, believing that he never followed suit with the rest of the involved members of neighbours, I always would be polite and courteous towards him for that portrayed reason. He would display himself as, well-mannered and seemed to be trustworthy, throughout this time. So, when the Mathiyalagan Markandu family had acted ignorant towards my wellbeing I sought further assists of other people and the Mr. Mathiyalagan, elder stepson had become one of them people. I understood for him to live on the same floor as the Mathiyalagan Markandu family, and he was also of the same ethnicity as they; of an Indian culture, so I trusted in him of fixing the issues going on, with his good honest help. In seeing Mr. Mathiyalagan, elder step son, on a sunny day I then had good reason to believe that moment in time would be a good opportunity for me to start reasonable discussions with him and away to further express; how I had prior helped the Matthews in the start of them moving into the flats and in doing so asking him to talk to them, he agreed to do so. I continued our conversation by saying to him it was wrong for his next door neighbours, to be doing the things they do towards me and further asked him for his help in him approaching them, as he was still their friend and he could act as a neutral person who could do a good deed by helping us all to rectifying the problems, after we had finished chatting all had gotten agreed to get accomplished, so I concluded in him and hoped soon after I would get privacy in my home again.

I asked for a lot of this information when Simon attended the office last week. I have had four hours sleep last night. I am attaching Simon's proof of evidence that I am sending on to the barrister. We will be challenging on each and every aspect from definition of rave to whether anti-social behaviour occurred, distances, locations from residential areas etc, **lack of CADs etc.** Email over what you can, and I will somehow get it to court tomorrow in the afternoon.

To Whom It May Concern:

I am writing this email after a call that was made to the **City of London Magistrate Court** on the **10/02/2014** about a list that is on my PNC that is incorrect. I was told to write this email including as much information as I could to get this updated. I have contacted you a few times before about this Error on my PCN and was told that you would get it updated but as of now this has never been done. I was told on the **10/02/2014** when I called due to the date that it would be down to the police to update this. You would have only forwarded the information to the police to get this updated. The Error is for a case that was heard on the **03/03/2008** at the City of London Magistrate Court, for failing to surrender to custody at appointed time, on the **25/01/08**. The error is that I did not go to go but my mum called the court and a sick note was handed to the court and the case was dismissed, so should not be on my record This has caused me problems with bail on a few times and this is why calls have been made before to the court, at this time it has been causing me problems again with a case I am at Woolwich Crown court for.

1051.

I have attached the page for the PNC print out the police did for the case at Woolwich crown court that I am on bail now for. This print out was done by the police on or around the **26**

June 2013 for the Woolwich case. I do feel this is causing me problems with my bail and I am therefore asking for this to be dealt with as fast as possible in order that I can show the court this should in fact not be on my record. I was told on the **10/02/2014** when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record. I am there for asking for the court transcript to be sent to me if there are costs for this please email me back with the cost for this to be sent to me and I will get this paid to the court. Please see attached file for the page in my PNC record which is there in error I have highlighted the case. If this can be done as a matter of urgency due to the impact this is having on my life.

Many Thanks

Mr Simon Cordell

It is the response of the court to each conviction, not all emails sent but rather verification of the information.

The Enfield court bits I picked up I can bring them to court tomorrow as I have them in file format from the court and you can see they are from the court but the copying they did is not great as they was having major issues with their photo copier that's why it took so long to get the information I had asked for, so the scans are really bad so maybe better to just bring the files I picked up at Enfield court with me to court tomorrow. I can send the emails over asking for all the information from the court as that's in email format and clear. Also, some of the cases I asked for they did not add them in as there was so many cases and I think they overlooked some cases. But I marked a PCN so I send that over that way you can see as I done that from the files I picked up from the court. I have also sent the letter from the doctor not sure if you need that also.

Lorraine

I asked for a lot of this information when Simon attended the office last week. I have had four hours sleep last night. I am attaching Simon's proof of evidence that I am sending on to the barrister. We will be challenging on each and every aspect from definition of rave to whether anti-social behaviour occurred, distances, locations from residential areas etc, lack of CADs etc. Email over what you can, and I will somehow get it to court tomorrow in the afternoon.

To Whom It May Concern:

I am writing this email after a call that was made to the City of London Magistrate Court on the 10/02/2014 about a list that is on my PNC that is incorrect. I was told to write this email including as much information as I could to get this updated. I have contacted you a few times before about this Error on my PCN and was told that you would get it updated but as of now this has never been done. I was told on the 10/02/2014 when I called due to the date that it would be down to the police to update this. You would have only forwarded the information to the police to get this updated. The Error is for a case that was heard on the 03/03/2008 at the City of London Magistrate Court, for failing to surrender to custody at appointed time, on the 25/01/08. The error is that I did not go to go but my mum called the court and a sick note was handed to the court and the case was dismissed, so should not be on my record This has caused me problems with bail on a few times and this is why calls have been made before to the court, at this time it has been causing me problems again with a case I am at Woolwich Crown court for. I have attached the page for the PNC print out the police did for the case at Woolwich crown court that I am on bail now for. This print out was done by the police on or around the 26 June 2013 for the Woolwich case.

1056.

I do feel this is causing me problems with my bail and I am therefore asking for this to be dealt with as fast as possible in order that I can show the court this should in fact not be on my record. I was told on the 10/02/2014 when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record. I am there for asking for the court transcript to be sent to me if there are costs for this please email me back with the cost for this to be sent to me and I will get this paid to the court. Please see attached file for the page in my PNC record which is there in error I have highlighted the case. **If this can be done as a matter of** urgency due to the impact this is having on my life.

Many Thanks

Mr Simon Cordell

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around 25/06/2013. I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case. I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues. If the information could be emailed to me, I would be grateful as I am next in court on March 2014 and would like this information of any errors so I can show the judge. Please see below the lists of cases I would like information on.

Hello Martin

After Simon has just got off the phone to you and you saying to him that the full amount would need to be paid to keep the insurance in place or 2 payments at £700 to keep it in place. I fill that this is way too much to ask I have a letter here dated the 26/09/2014 saying that he has 7 days from that date before the insurance is closed. There have been so many errors with his insurance even to the fact we never got any documents for ages as they were left in the fill and forgot to be sent out. So, for ages we never had any documents so did not know when any payments were due. As you are also aware my mother passed away and the family has been dealing with that also. There have been many emails that have been sent to Broadsure and many problems over the last 2 years. Even to the fact from April 2014 when Simon started a next insurance policy that all went wrong also by no fact of his own, and you making a payment to the said company I fill should never have been made.

1143.

Please can you say what is going on with the insurance policy and if instalments can be made and by how much as ATM there is no way after paying for a funeral that 2 payments of £700 can be made. Can you also send him over his no claims bonus?

Regards

Lorraine

Helping out

In the Community Hall!

In the meantime, I became a member at general meetings held at my local community hall Taking part in the daily challenges that a community hall can get presented with. This introduced me to various people who helped me with superb advice towards my company running objectives; these objectives meant that I committed myself to voluntary work in the local community. I was working for events such as Lock to Lock festival, Winchmore hill festival for kids with cellarfuls, Durant's park festival, Enfield town festival, Ponders End festival, while I was supporting a new client with building a charity event for premature babies, I also made agreement's to be a manager of a new nightclub that was being launched in the heart of Brixton. At the time I was building strong relationships with nice, honest, people, this got achieved with a view of developing there's and my running business, so that I could help make a positive effect of today's people and society. I arranged a community charity children's fashion show fundraiser, however, this event sadly did not go ahead as planned as the stress of these proceedings meant I could not take part in it, as to my dissatisfaction I am now signed off from work due to problems that I am having as the court proceedings have made a large deterioration of my health inclusive of members of my neighbour's attitudes towards my human rights, by way of the stress that they have caused.

Weeks, months, slowly, went by, with us both managing the news we had ended up getting told, in contrast, I remember the first few weeks as I was still cautious of the news that I had got explained to me, by my second living partner. In these first few weeks' time period that passed by, we both waited for the test results to arrive.

Throughout this time period, we stayed together as a couple and I continued to have a constructive attitude towards her feelings, but in the back of my mind, I got worried with concern that I may have hurt another person; I tried to continue with work, in this moment of time. Once my second living partner had received her test results, we got told that she was a

carrier, and this meant, that we were both possibly carriers off hsv1, otherwise known as herpes. I felt sick, straight after with worry and ended up back at my own home address a few days later and equally, important, I also attended by the local clinic myself and requested to get a test completed; my request was at first refused, the reason given to me, was Evergreen Clinic, does not do mandatory HSV1 tests, this is due to how common it was amongst every person, I got admit tingly, determined to get tested and showed them I would not leave the surgery until a test got completed, after some persuasion, it got agreed for my blood to get taken, as a test sample. After I left the surgery, I had to wait for my test results.

I trusted in a close friend

Stan!

A few more weeks had passed by, me and my new living partner continued to resolve the issues we got now faced with, time we never argued, with each other. Likewise, I got worried afterwards of what had got explained to me, by my new partner about her test results, so I trusted in a close friend, Stan, this was about my problems, the conversation was polite as always and got held in his own front room, this was while over a drop of whiskey, that he had offered to me, at no point of time, did I leave him any concern regarding any intent of a negative attitude about myself and I surely, raised no concerns of a verbal disrespect, towards my second living new civil partner.

In this time, I only spoke to Stan, about the problems I was having, this was as I looked at him like a father figure by this stage of our friendship. I believed, and therefore trusted in Stan, partly, as I knew that he was already a father figure, so with this full understanding in mind, I thought he would support me, this being while I was looking after another man's child, or partly, as I had always been there for him causing him no problems of concern.

I treat the council officials with reverence in the believe that they must act in a natural manner when dealing with incident relating to their clients but they act Inferior with bios decisions against me, resulting in no logic or fair gain at the conclusion of incidents, once put in receipt of true official evidence and this is at my loss of life without any erroneous doings from myself!

A different part of a continuation: --

A different part of a continuation off my life's true events leaves me with Questions, like:

Can you guess for yourself the next bad thing in the sentence below that got left to materialize?

The Answer: I didn't even get a cup of tea or coffee with any of them in all of them years that I lived beside of them: -

I kept being sick in my home toilet and I got victimised by the Mathiyalagan Markandu family, banging and flushing the toilet above me, I could hear them banging above me wherever I moved in my own home, I could not even take my clothes off and get in my own bath and stay safe, my friends stayed over at mine and if they tried to bathe they would do the same to them, I took victim and witness statements of them all.: -

Stan and Debbie making me go to my mother's home to talk: --

Feeling sick from what Stain Curtis / Fisher and Debra Andrews and the Mathiyalagan Markandu family, were doing to me. What they did got achieved to make me kill myself or

aid in me running away from the problem, I decided I did not want to hurt myself and I was surly, not going to get left in the state of a Mental Health client. I felt, insulted, I was being treated by them as I had worked hard in previously, managing a close knit relationship with them all, especially, the named: Stan and Debbie, so rather than sit in my home and get assaulted one night I left and headed to my mother's home, intending to pick up my fire extinguishers from my catering trailer and taking them home for mine and others safety, I had to go to my mother's as I had really, felt, concerned about them as for their behaviour, was clear torture's acts towards me and on top of all of this I got upset because the Anti-Social Behaviour Order case conditions had started to overwhelmingly, damage my attempts to build a legitimate business.

The regulations were changed on the 1st of March 2013 when a local scheme of charges got introduced. Disabled persons are not exempt from the charge. If paying causes hardship, you may apply for an increase in the amount of Council Tax Support too offset the charge. Please go to

Going, to the court for the Anti-Social Behavior Order

05/11/2014; --

Going, to the court for the Anti-Social Behaviour Order case for the second time meant that when I eventually, arrived at the courthouse, so for the prosecution to apply to place an

interim order conditions on me I got upset, as this would allow the police too also apply for conditions of bail, against my liberties and legal rights, I understood this would be until the application got proven or not, the district judge allowed for the interim order to get granted but without the conditions of bail. If I try to recollect what actually, happened next, I would remember; the prosecution on this day were organising their case and trying to continue to apply for the conditions to get instated on me, I found no judge would grant them. It was peculiar, as the judge, walked out of the court room until another judge took their place and also would not hear this case; this proceeded to happen in the first few of the courtroom hearing instances.

Check to put together same day!

The Asbo interim order got granted against me without conditions.

On the

05/11/2014

I had to attend to court yet again for the Interim order hearing and the order got granted. My Acting Barrister could not attend due to the flood in his home; a next Barrister came to court, but had no paperwork for the case I understood this is why the interim got granted as nothing got said in my defence, when I attended to court and the interim order proceeded to get granted by a funny judge and her name is Xxxx, after the hearing finished, the trial date got set. The atmosphere in the courtroom continues to get wired as somebody had kept on controlling the additional light switch for the courtroom from outside and kept turning the lights on and off, this got done so no person could see each other because of the darkness, this happened in most of the case, right until the judge herself shouted out aloud; for whoever had foreseen this to proceed, to stop, she encouraged this out aloud, so all could hear her voice saying her words. Afterwards she said she would be the judge on the day of my trial. I felt, violated by the justice system, and understood if my own prior arranged barrister could attend who had studied the case files, this should not ever have happened. My barrister could not attend due to a water flood, what took place in his own home; another Barrister, who I had never met beforehand, came to court to defend me, but he had no paperwork for the case files and seemed to do not understand what had gone on so far, in the case proceeding, I am sure this is why the interim order got granted incorrectly, too me, as nothing correct got said in my defence. So, in despair, I headed home and got upset being the judge had allowed this application to happen and started too further look for the right answers to the laws, that should be in place, governing my case, I then took a look at Google for correct answers; I came across the judge's details, who said she would handle the case and granted the order. In reading her online statistics, I noticed a few wired worries, things, weird to me, at least which are: -

The banging at Me

Went Mad!

Debra has gone mad chasing me around my flat, doing her best to attack me and I could prove this got done with stain at this stage, but not with the Mathiyalagan Markandu family and Co, So I contacted the police by way of calling the police 999 call centre and recording the conversations with my own personal dictator about my findings, these are two things that I complained about: --

2

The emergency 999 call centre

Time stamps in the Asbo file got found to be in Error!

I had noticed the emergency 999 call centre time stamps were wrong in my paperwork relating to the Anti-Social Behaviour Order case files I started to not feel safe going around my own home town, as I knew the police would need to stop me from getting to court to explain this, as they would lose their jobs and pensions and this meant I could not freely, walk around and I stayed indoors doors thought the summer and winter time, even when my curfew is not active.

The first recording between me and

The Metropolitan Police that I recorded!

And now this is a true copy of the first recording between me and the Metropolitan Police; --

Tape recording one z0000010; --

Welcome to the Metropolitan police introduction; —

Police Officer; Police operator your reason for calling.

Simon: I was just wondering if you could give me some general, help.

Police Officer; Go on.

Simon; All right basically, in **2014** an application got put against myself for an Anti-Social Behaviour Order, that was for the organisation of illegal raves the respondent's case was, I attended to court and I proved my innocence against the respondent's case under section 63 of the crime and disorder act 1998.

Police Officer: OK before you start, you need not give me all the Acts and sections just basically tell me what has happened.

Simon: Alright, since then I have been to court and proved my innocent's and I got found not guilty (Further Amendment 15/05/2017 "under the respondent's case.)

Simon: What I have worked out since then is that the developer of the application is a Steve Elsmore, and he has done that under a Jane Johnson's Command who is the borough commanding officer for North London, I believe this.

Simon; Now what I understand is that the Urn numbers which are information reports means that every police officer has a special logging when logging into the police national computer and I understand in that development of what the police done 15 police officers sat down at a table and logged in one after the other creating unique urn numbers that run consecutively, one straight after the other, and they changed the created dates on them information logs and what they done was then spread them out other a whole year at the same time they made loads of 999 calls in the actual system and in creating the 999 calls they managed to, the time stamps were wrong in all the 999 calls they are back dating each other now I continually, try to get a police officer a manager of Steve Elsmore to oversee the information I proved that beyond reasonable doubt, I sent them copies of it, the actually, 999 calls when they were being created year.

Police Officer: are you saying the police have been making 999 calls?

Simon: Year, Well I proved I got the evidence I have got a folder here right now I got a bundle and what happened is.

Police Officer; Hang on, hang on, hang on, let me finish.

Simon: yes, sir, go on.

Police Officer: Hang on let me finish so you also say that police are changing reports on the police National computer is that correct.

Simon: Yes, yes that is correct, and I have got evidence of that.

Police Officer: Oh hang, o hangs on, hang on, let me stop you their police can't do that.

Simon: Sir may I say something to you.

Police Officer; Hang on let me finish, let me finish, let me finish OK, police can access the police Pnc as you know well, must know, year all right, they can access the Pnc, but they only the only people that can change the reports and change the information on the Pnc

are the people, who; actuary work for the Pnc burro who are people employed by the government who are not part of the police and don't even work in a police building.

Simon; Yes, um so OK for this information I have listened to you I sort of believed I had that I had that same belief myself, so what I have done Is write to their; is met cc there is storm and there is; arms, I actually write to the developers of the software.

Police Officer: you wrote, you wrote, (Clearly voiced Mutter "there fucked.")

Simon; Pardon.

Police Officer: you wrote to the development.

Simon: Year I wrote to them and what I have of them is what they gave me a thing saying, members of the police Gold command and the same for fire and ambulance can change the created dates now what the problem was.

Police Officer: (Clear background mutter "You was robbed")

Simon: What, the problem was, what the issue is when I, my actual folder here now, I have like ten information, reports of the police where the police have logged into the police computer and done that.

Police Officer: where did you get that from?

Simon: I got served an application an Asbo.

Police Officer: Year where did you get them ten information reports

Simon: Steve Elsmore made them under his own development, now

Police Officer: Yes, but how did you get them?

Simon; Because my solicitor handed them to me, because the application off my case, but now normally, in most instances, this is my issue year, in most instances if this was one criminal case against somebody no one could prove their innocence in this, but what the mistake here that got made here is the police put ten cases, incident on different dates all in one folder, now in doing that the dates all referred to different dates thought an annual, yearly, period, now when I was looking at the information report, which I have in front of me ten different ones with ten different police officers names, they start with Urn numbers and the Urn number is Yert00376227 for instances on this one here, with Steve Elermore's login name, what happens is you go to the next information report which is another date and it has the same Urn number but with just one number above a police officer logged straight in and changed the created dates and I got another one here that does actually, the same it goes up one number and then another one here that goes up another number 798 and they're all unique Urn numbers but the created dates were changed thought.

Police Officer: what is your name?

Simon: my name is Mr Simon Cordell, these police.

Police Officer, where are you calling from tonight then Simon?

Simon: I am calling from my home address where I am being held. Police Office; But why!

Police Officer: but what is your home Address?

Simon: my home address is Burncroft Avenue.

Police Officer: and why are you calling tonight, other than to recite all of this information to me?

Simon: because right, now, I understand.

Police Officer: what is your reason?

Simon; because: I understand my Human rights and what you as an original police officer.

Police Officer: Simon I am going to give you some advice now as a police officer, I am a Police officer, if you got a problem or a complaint to make against some police you need to log that you are not getting fairly, treated.

Simon; sir, sir.

Police Officer: hang on let me finish, let me finish it's my turn to talk.

Simon; yes, OK.

Police Officer: you believe that there is corruption in the police, you need to go to your solicitor and log a complaint with your solicitor or professionally, log a complaint with the police.

Simon: I have.

Police Officer: or you need to go to the Ipecac.

Simon; Sir, Sir.

Simon; OK! Carry on then sir.

Police Officer: if you have already done that if you already done that then you must let them do their job, all right.

Simon; Sir can I just say something, OK I respect what you said to me, but I am asking for the better judgement of yourself, which I understand that you are already trying to give to me, but what my other issue is I have got lots of issues here that this case clearly said that it was illegal the organisation of illegal raves yes therefore if it was illegal then I should have got arrested under that pretence yes because there is; criminal and civil law because I never got arrested for something that is illegal, now what I done was I logged three complaints in, official complaints in through the police procedures and I done that under the Ipecac advice to do that, now they told me, I got a letter here where the complaint got suspended until further, until the case is over because it can cause produce towards the case, the on goings of the case

Police Officer; “A mutter that not auditable.”

Simon; know what has been going on is these police understand, no matter what; the second I get to court I will prove a section 63 should have never got imposed onto me, as for it is only for outdoor events, and implying.

Police Officer: and when you got to go back to court.

Simon: they keep postponing the case until September.

Police Officer; “A mutter that not auditable.”

Simon: But the issue is I have been waiting since **2013** to prove, I am innocent, now what I done to go even further

Police Officer: what you just when you first called was that you were organically, not first found guilty.

Simon: Yes, that is what it was, and I have the transcripts right here to prove that.

Police Officer: what is wrong with you not being found guilty then?

Simon; year but when I got found not guilty what the judge did was wrong under the applicant's case is, I got found not guilty but what they done, I got the transcripts' saying that he wasn't found guilty for the organisation of illegal raves, what she done was she in the court she goes well in **2014** you swore at a police officer, I got it in the transcripts, she goes, so I will give you the Anti-Social Behaviour Order for that, but that is a section four or five under the riot act and I should have got arrested then for that or I should have had a member of the public bring a civil case and no one done that.

Police Officer: and who gave you that a judge?

Simon: yes, and she has done that incorrect and I am waiting.

Police Officer: she, she, have you complained against the judge?

Simon; Yes, yes I wrote two articles six's and handed them in and I proved that all the 999 calls go backwards in time, yes, yes, from the previous one's yes, it happens in about, because I got, they accused me of ninety-three incident numbers yes, but they only gave me the paperwork to thirty of them yes, for one day, now in them thirty days they have blocked out grid hum location numbers yes and forgot to block out all the grid numbers, now when I check the grid numbers, now I am being accused of one place being in Progress Way but the grid numbers show that they are all across the country, Yes I could not be in one hundred places at the same time.

Police Officer; Simon! Simon! Simon! Simon! Simon! Simon! “Bull” why is you actually, calling tonight.

Simon: Because, I am stuck in my house and I am therefore being held hostage, and I get scared to walk down my hometown street!

Police Officer: no, you are not, you can walk down.

Simon; no, I can’t.

Police Officer: hold on, hold on, hold on, let me finish, your court case is not until September.

Simon; yes.

Police Officer: you are innocent until you get proven guilty you can walk wherever you want.

Simon: I have got fifteen of the highest-ranking officers, yes, that have sat there at a table and manufactured the evidence and fabricated it together yes, they, under the article.

Police Officer: who would go and do that?

Simon: under article three of my Human Rights it states that it is inhuman.

Police Officer: why would they do that?

Police Officer: why would they do that why would they do that?

Police Officer: would fifteen high level police officers be interested in you?

Simon: I got the paperwork here to prove that has happened yes and to prove.

Police Officer: what you need to do is bring it to court in September and prove it, they're talking to me, on the phone is not going to change anything

Simon: but I would like to know who oversees, I would like to see who oversees PC Steve Elmore’s work, because he clearly.

Polices Officer, where does PC Elsmore work?

Simon: PC Elsmore is attached, to the Edmonton police station.

Police Officer: OK then that would be the commanding borough commander of the Edmonton then won’t it.

Simon; yes.

Simon: Only the commanding borough of Edmonton?

Simon: now I have written an article six in, which is about the rights to a fair trial yes.

Police Officer; Absolutely.

Simon: I proved in that article six: — the time stamps, I time stamped everything I time stamped every time stamp that went backwards every geological location; I proved all the things.

Police Officer; so why are you telling me this?

Simon: because you signed up to protect us, the people!

Police Officer; why did I?

Simon: your wages are there to protect me and my friends and.

Police Officer; no, no listen, I don’t understand why you are ringing me, it’s going to court you have got your evidence, you have got your solicitor, and you have been to the Pip, you just want to argue.

Simon; because I want a police officer to, I want a police officer, because this police officer has now gotten told to go away and UN retracts everything in the book’s that he forged alongside with the other officer’s and to hand it in.

Police Officer: how do you know that?

Simon: the judge has told them that is their orders right this second.

Police Officer: well you are not going to court right up and till September.

Simon: yes, again, I have been to court already nine times sir.

Police Officer: but you got found not guilty.

Simon: yes, but I have now been to court nine times still trying to get my freedom, right now section 63 is wrongfully, being imposed.

Police Officer: Simon, Simon I will go right now, you have to take it up with your solicitor.

Police Officer: hang on, hang on, I got to go.

Simon: what is your name, sir?

Police Officer: my name is PC Lean, thank you very much.

Simon: PC Lean I have been recording this conversation I hope you would like to know that and if you would like me to play.

I must admit that at the time I had just briefed over the applicant's case files that the police had served on me, as I had just caught a grasp of what other people were doing to me, illegally, alone I understood that I had committed no crimes or Anti-Social Behaviour, so was in the right.

The banging got worse and worse as the families and Stan Curtis banged on the taps and pipes and floor boards so I could not sleep or study while developing my company, their actions towards me made it so that I could not even work on my own website without being assaulted. One day a few months after the occupiers of the flats I complain about in this report had continued to take place in victimizing me, that is to explain in their assault against me on a continual daily basis, with no remorse for their actions. I knocked on Debbie's door and ask why she was doing this to me, she blames the Mathiyalagan Markandu family, I then headed upstairs and asked the Mathiyalagan family the same question with the reply of them blaming Debbie Andrews 113, I knew it to be both addresses including Stan Curtis, I believe that no person can question me about what I state as being false or misleading in any deceiving way, the reason for this is that I recorded the ongoing on camera and by way of an audio dictator recorder and I also had numerous friends stay over at my home who were also violated by the people living in all of the addresses, who are also willing to be witnesses and victims with their statements of truth.

Handshake 1: --

After going up stairs to Debra and then the Mathiyalagan Markandu family flat after, to speak to the people treating me in such a way: they all blamed each other: --

The first handshake with Mr. Mathiyalagan Markandu was in **2014**, the day after when I went upstairs to Deborah's and the Matthew flats, as them and Stan Curtis started to viciously, attack me, so after a few weeks passed with no change I decided to go upstairs and knock on the Mathiyalagan Markandu family flat front doors to speak with them about my questions to why this was happening to me, and if they would help me make it stop if not for me to do it for their child, I spoke to them about Deborah as they accused her themselves, of doing the banging at me, that I got subjected towards in me believing in the Mathiyalagan Markandu family; as I had only helped them in a nice way in the past and I didn't know them or their names, other than that. We spoke politely, to each other and they maintained that it was Deborah Andrews who was doing the assaults against me, when I spoke with them, I asked Mr. Mathiyalagan Markandu whether he would write a letter in regards about Deborah Andrews negative actions and the concern for him having his new born child in the flat around her because of the continuing loud banging noises that got left to happen 24 hours a day, he agreed to write a letter and hand deliver it to my front door, I then asked him whether he would shake my hand in an agreement given his word, he held his hand out and we shock hands, afterwards we both went along in our own days, ways.

Lorraine

I am forwarding the court note from the interim ASBO application. As I indicated to yourself and Simon the restrictions imposed in the ASBO are imposed to prevent anti-social behaviour and do not curtail Simon's legitimate business interests. The cross-examination of the police witnesses is best left until the full ASBO application. With regards to the witnesses that we required, we did ask for all police officers to be in attendance as they were for the initial hearing when there was a flood at the barrister's house. The restrictions imposed in the ASBO appear on first reading to be fair and the District Judge has taken into consideration Simon's human rights. We return to court in 15th March 2014 when the case is set down for two days. You will no doubt note all the other directions made but we have time to comply with these. Any questions please do not hesitate to contact me.

Regards

Josephine

Asking Stain if he would?

Go upstairs to help me or Debra by taking control in a positive aspect!

On this day I asked Stan if he would go upstairs to debris and try to resolve the problems he said: no. When I asked why he explained to me, that one day not so long ago at this time of relevance, he had been in his own back garden when Debra had been upstairs drunk in her flat.

- **Do you ever question yourself when you think?**

Because I do and I keep thinking, personally, that I was better of writing all of the documents for a festival than this report: -

Contacting the council and MP's; - Obviously, the banging never stopped it continued and got much, much, much, worse than ever before. Between the different contacts that I had with the MP's, Enfield council and the police nothing changed for me the banging continued as I explain and got much, much, much, worse. I asked my mother if she could help me in emailing and or calling Enfield Council, so to get the problems addressed, as towards what was being done to me, by members of my neighbours, which my mother and I both did on a

numerous amount of different occasions, many emails got sent to the official departments, I even called them by phone on top of sending emails as did my mother. At the first chance I and my mother had we then after continually, sent the correct correspondence addressed to the relevant complaint departments who would have any relevance in these situations and this got done by us with no correct follow up taking place of them sent correspondents thus so far, this is a serious concern to me: - "the victim" and any others it may affect, indirectly. Nothing was being done by the council I told them I got CCTV of what was going on but they never asked to see it, in the one and only meeting I got with them, they did not even ask to see all the evidence that I have, I offered more than once in the meeting to show them, the lady did not even write anything down throughout, I said to her that Debbie even attacked me outside the flat all of this got told to the council.

To the Local council Enfield: --

A Subject access request got made to the Local council Enfield, so chasing answers, I re-submitted a subject access request in to the local council again, so that I could find out more information as to what was truly, being addressed by them and why and also what was being done about it.

In the request that I sent I asked for some of: -

Any information, as to any complaints made by my neighbours or any other person about me or my personal visiting guests, in any of the times, that they been and visited me, this was to get answers for the time period, of Enfield Council being my Landlords; this was to include any anti-social complaints.

The reply that I received back, that was in acceptance off my Subject access request and was an answer of no there has been no complaints that got made to them, regarding myself or any of my other visiting guest, this got agreed for the time of the first eleven years, which I had lived in my home.

Assaulted with battery and negligence: --

Every day I get assaulted with battery and negligence towards my human right Article 2 the right to life and article 13 the right to a private family life this continues with article 5 the right to freedom and security alongside most of my other human rights that have gotten breached now towards me I can feel the damage that Stain, Debra and the Mathiyalagan Markandu do to me, by banging on the floor and walls inclusive of slamming on and off when abusing the water tap on and off at a compulsive fast rate, they bang so hard and, compulsively, that it causes all the other fixtures in the building to come loose and so that every other close by person within a half mile radius can hear them assaulting me. I believe is

easy for others to see that this is having a negative effect on me, I had done nothing wrong to them all and because the two flats above my flats, main water feed runs through my flat, I cannot get away from hearing them while they assault me with tortures acts and endanger my life, while I try to stay strong. Stain, Debra and the Mathiyalagan Markandu's kept doing the things that I mention about so that other person's children might come into the block and try to also victimise me, while they cause me mental sufferings. On this day this got left to happen to me, by the police and local council once I contacted them about my safety concerns.

2

I Received a Phone Call: --

Also, on this day I received a phone call of my new living partner and got asked to attend her mothers and fathers' home as her mother and father had fallen ill, I attended and done my best for them all and because of this event her father and mother ended up ill in the hospital. I picked my new living partner up from the other side of London from her own house, and we soon both arrived at the hospital. At the time I felt it was best to give them all some additional space for myself, as of what had happened in the accident. I always missed my new living partner and ended up going to meet her in my car whenever I could. If I could drive outside of her home and visit her, regularly, with her consent. At times, we would go out together and afterwards maybe end up driving around for hours; we basically, enjoyed each other's company.

The reason that we never went back to my own flat, like we done prior, was partly because of what members of my neighbours had already done to me: their attack on me that is to explain, since I entrusted in stain and them.

3

One off the times;

That I enjoyed: --

One off the times, that I enjoyed with my new living partner was when we ended up going for a late-night driving lessons together for her, so she could learn how to drive. We did this around Alexandra Palace, so I bought her a bottle of drink and the rest seemed to happen, instant, however and evidently, she drove on her own, by the end of the night. Sadly, we both slowly, faded away from each other after this, as of the problems occurring in our lives.

I received a phone call from the Clinic:

Evergreen!

At the same time, I had already been to the clinic and requested to have my blood test taken, when I received a phone call of the clinic of a woman a few weeks later about my results, she explained to me, that I tested positive in my results for HSV1, when on the phone to the woman I asked her the line of questioning such as: can I still have a healthy sex life, she told me no and that I from now on should not kiss another person or have sexual intercourse. When asked why she continued by saying: - as fluid could come out of any contraception that may get used and it could get passed on to any other partner, being told this information I got left feeling heart broken, I remember putting the phone down and wishing that I was not alive anymore with the thought of it being possible that I hurt a woman and being a man. I left my mother's after this and then travelled home; without talking to her about the phone call or problem yet. After I had received the phone call, I ended up looking to Google for answers and being left even more confused, I read articles about other people who gotten diagnosed with the same problem and wanted out of their life's. A few months later, I was to realise that when I was on the phone to the colimitation I never got asked to attend the clinic for any advice or contraception, leaving me searching for my own answers and understanding of what was taking place. I remember arriving at my mother's house because of members of my neighbour's cruel treatment and I further contemplate on the fact that I had to walk rather than drive, the reason for this was because I had been placed on nine times the amount of

driving bans, this was at no fault of my own, totalling to 46 driver points, there is more about what happened to them occasion later on in this book. On arriving at my mother home, I went upstairs one day and I remember this day to be on a Sunday evening. I was still upset as if in I was down in the dumps, so I went up stair to speak to my mother and sat down at the bottom of her bed. In talking to her I shared my problems with her and explained the problems I was facing, during our conversation I remember feeling like a little child the reason being for this was due to not sitting at the bottom of my mother's bed talking about troubled problems of mine since I was the youngest child for many years prior to this date. During the talk with my mother, she asked me what happened when I got called back in to evergreen clinic after the phone call, I had received from them, that was in reference towards my test results. I explained to her that I did not get called back and this is why I never understood the situation that I was in. She got surprised to understand that I never got called back into their offices and spoken to and was for surely, flabbergasted to understand that I never got given any further guidance or contraception.

He is extremely paranoid towards her; he thinks the television is talking to him and is having quite a lot of trouble with the police. He is very paranoid towards them also. I have given her the number for the Hub to make a referral for her Son. He is currently staying with his Father as he is so paranoid towards his Mother. CRHT:

Mother, Lorraine: [REDACTED]

Father, Ben: [REDACTED]

We spoke initially with mother on phone. She reiterated that Simon has suffered years of harassment by the police for past offences. Not all true. She has spoken with him today and he has been extremely angry with her and the father. We stated to mother that we will be tactful and say only that the family were concerned.

We attended the flat around 17.30. There were police outside. They had been attempting to enter as they had received complaints from neighbours due to Simon screaming out in distress.

We spoke with the officers and explained that we were from the mental health services. They stated that they had not properly spoken with him and observed him to be holding a small gas cannister, possibly sniffing nitrous oxide for recreational purposes.

We all jointly spoke with his mother and she requested that CRHT do not attempt to see him following this as it will antagonise the situation.

19.30: Spoke with Lorraine. She stated that a friend is currently with him and he is calmer. The coincidental timing of the police attending has caused him to blame Lorraine for calling police. He is convinced that she is also conspiring against her. he has stated to her that he is feeling persecuted, he is paranoid and suffering ideas of reference from the TV constantly. Lorraine explained that he has had an ASBO put on him due to being aggressive when in court, he has been bailed to his own address c/o a burglary accusation in June **2014**. Lorraine spoke of her own mother who has been treated for BPAD and was prescribed clozaril with good effect. Mother is now deceased c/o cancer complications. Lorraine states that Simon has suffered sexual abuse as part of a paedophile ring when younger. This is the source of his anger and subsequent treatment under CAMHS. He has refused to talk about it for years and has declined any therapy / counselling for this so far. Lorraine states that she does not want him to be asked about any sexual abuse. I informed mother of the remit of HTT and that he may be potentially prescribed an antipsychotic for his emerging paranoid psychosis. She reiterates that he will most likely refuse all medicine interventions. He has been prescribed medicine for Crohn's disease. He does not take.

We have mutually agreed to plan:

- CRHT to call mother tomorrow am to negotiate another visit to assess

The Medical home treatment team came to set me up and get me because of Ozzie: - Clinic!

With the whole understanding, my mother sub jested that I rearrange a meeting at the clinic and attended with my issues of concerns being raised, so I arranged the appointment for the following morning. When I attended the clinic for the second time I once again had to wait for what was a long time to get seen, when a acclimatizing asked me to follow her into a room, by me doing what she requested we took a seat in the room and spoke, while discussing the issues that I was trying to solve, so to be sure of the full understanding of a true and whole picture of what was going on in my life, I took a look into the folder the culmination had in her position on her desk top table, this folder related to my medical notes, on doing this and taking the best glance possible of the paperwork, I noticed the test result said it subjected that I may be a carrier of the blood, so showed my upset and requested an official company headed letter to get made to my person so for it to state this new information of relevance and also request that of a formal apologise, the clinicians agreed for this to get completed and I left their premises to go back home.

The Medical home treatment team came to set me up and get me because of Ozzie: - Update: 19/11/2014

Not being able to bear the sound problems with my flat anymore; I thought what gets done to me, is; “wrong.” This was when I was to realise how inadequate the sound proofing in my flat really, was. Because Ozzie had wanted his friend to live with him, he kept pretence that he could not hear me and my first partner over the first five years. I was to find out how much this was a lie. I was angry with Ozzie because he caused a lot of unneeded stress on my relationship, for so many years prior and he kept breaking promises to fix the problem. So, when the police arrested me in the burglary case and I got put on the bail conditions I had gone to Ozzie house and spoke to him, I took a seat in his flat with him, so to sort out the problems in mine and my partner’s life’s, I did this so to address Ozzie with the issue. I explained myself in full and how this was having an effect on us. After coming home, I had been upset due to what had got explained to me, by my new partner at that point in time. What I was to find out later was that Ozzie had been listening through the walls of my upset. I still to date cannot believe what he has done to me, and my loved ones, he had made an emergency 999 phone call to the police about overhearing me in my own home and then the police called the doctors to arrive for the first time in my life and this was not be the only time the doctors would visit me. Allegations state that I became paranoid about my mother to whom I and my mother disputed, the home treatment team attended my home address on this date and made a call to my mother. When the home treatment team turned up to my flat the police was already there, the Home treatment team phoned and spoke to my mother asking her, if she understood why the police was there, which she replied to them no, she also explained to the Home treatment team that the police kept coming into my flat for no reason. The Home treatment team then talked to the police and left my mother on hold. My mother heard what got said by the police to the Home treatment team as too why they were at my address again. The police said they got a phone call: stating that I was shouting, they gave the Home treatment team 3 different door numbers to my entrance door, which were all wrong. Not one person admitted that they understood who made the 999 calls to the police. The Home treatment team told the police to leave. On this day I was fine until the police turned up at my flat once again. I was not shouting or upset, so do not really, believe someone called the police, worried about me or if they did, they were setting me up. Due to how the police are with me, I got upset and would not open the door, so I sometimes shout to the police in these situations, through the door, as I feel safer, the police do not leave me alone, so why would I open my door when I am on my own, I always feel safer waiting until someone I have contacted gets to my flat, so they can see what is going on. Home treatment team told my mother I seemed to upset for them to talk to and she told them it was no wonder the police are going to his flat all the time when he has done nothing wrong.

Stain knocked on my letter box and woke me up again this morning, when he is leaving his premises playing with my letter box!

117 Burncroft Avenue and 113 keep on continually, reiterating to flushing the toilet when I am in the bathtub!

113 and 117 woke me up by assailing me intentionally by stamping and dropping articles above my head in my front room and all other living rooms!

Slamming the main, communal ingress door closed!

Victimizing me with intent of using the same repeated items of the building fixtures such as slamming on and off the water taps to have tortures effects on me within my rented home is unfair living circumstances!

T/C was made to Simon's mother this morning to inform her that we were planning to come and Ax Simon this morning. She informed me that Simon remains very paranoid, guarded and abusive to individuals. Currently she said his father is with him.

Having arrived at Simons property I called Simons father on the phone. I asked him whether we could Ax Simon. He said at present was not good, we would aggravate Simon further. I tried to ask him how Simon has been however he was reluctant to answer fearing Simon may know who he is talking too.

Simon was heard shouting in the background. 'who the fuck is you talking to? what do they want? Get the fuck out of my house et out I don't want anything. 'Simon continued to shout abuse at his father. He was heard to have been very paranoid and abusive. Simon's father then said we would not come back and that we should leave Simon alone. He was heard trying to calm Simon down in the background.

We were unbale to Ax Simon. Given the risks posed by Simon and the concerns from his family and neighbour, Simon is not willing to engage with the HTT or be Ax. I feel that this needs to be discussed with the team consultant for possible MHAA??

PLAN

Discuss with team consultant for possible MHAA??

If Simon is to have a MHAA then a warrant will be required as Simon has an extensive forensic history and also at present will not allow anyone to see him.

Dear Rachel and Martin

I am writing this email as I said on the phone the other day to you there is big problems with Simon Licence due to KGM I do not have counterpart issue 21 Simon lost it ages ago. Due to KGM and all the times Simon vehicles was sized due to then showing as not insured Simon cannot even drive as his licence has been revoked for no insurance. Which as you are aware, he was in fact insured. As I said, no summons came for 2 of the seizer so we did not know about them going to court and they found him guilty of no insurance when in fact he was insured the reason we found out was DVLA wrote to us asking for Simon Licence to be sent to them to add the points, these 2 cases I am asking the court to set them aside, and reopen the cases in the email to the court I have sent a copy of Simon insurance. But the 2 courts are taking their time about it to do anything or set a new date. We got one summons out of the 3 cases that I am trying to deal with and sent that off saying not guilty I done this by email also and sent a copy of insurance but this is the case where the police officer spoke to KGM and Martin to which both said he was in fact insured then the police officer said Simon had tools in his van which he did not and KGM was going to void his insurance due to this Martin is well aware of this one and so is Kelly Tiller at KGM I have asked both KGM doe data about this and also Martin to write an email about this but none has done this as I have had not repose to what I asked. There is also the fact no letter come from the court with a date this was going to be heard, this case is listed to be heard at court on the

26/11/2014

Therefore, as you can see due to KGM and Simon insurance not showing on the MID database this has had a huge impact on Simon if I could apply for a new Licence I would but due to it being revoked I cannot get this. Therefore, the counterpart you need cannot be dealt with until all of this goes to court and is sorted, and this is no fault of Simon's. Simon licence at this time due to the no insurance will have points on it due to the no insurance this is a mess due to what KGM done with Simon insurance, I have kept asking for things to send the court but have had nothing, so ATM Simon has insurance and cannot even drive. Which in itself is totally wrong. I am also at this time writing a letter to the insurance ombudsman as it has gone too far Simon losing his licence when in fact he did have insurance and it did not matter how many times we called Martin and KGM the MID database was not corrected, until the compound noticed what was wrong and then we forwarded this information over to Martin and KGM, at this point KGM did in fact sort his car out on the database but not his van this did not happen for some months after due to us keeping on about it to KGM. And it was all due to a space being placed in the database within the reg of the vehicles. Simon ATN is out of packet by a lot of money due to the sizers and also due to paying for insurance that he cannot even use now due to this mess which is not right. I do not know how this is going to be dealt with as I cannot send you the document you are asking for Broadsure knows my

son has a licence as Simon has been using Broadsure for the past 3 or 4 years can you please get back to me about this matter as you said you would talk to Martin after our last call and I have heard nothing.

Lorraine

T/c to Lorraine Cordell) mother on 0208 245 7454, Lorraine said that Simon has been set up by the police. He was accused of burglary in June 2014, but the court threw the case out due to lack of evidence. She also alleged that Simon is being harassed by the police; monitor his flat on a daily basis. The police often stop and search him and believe that he is being targeted. She described him as a good person who recently stopped a youth centre from closing in Enfield.

Lorraine is concerned about Simon as he has stopped medication and is low in vitamin D. Four weeks ago, he was admitted to North Middlesex Hospital. She said that the police have him on there at risk register for suicide. Simon has been put on an ASBO due to nuisance (was unable to elaborate on this) Lorraine said that Simon called her in the night and talks about the police harassment. She thinks he needs treatment but would be unwilling to accept it. She stated that Simon called his father and apologized for his behaviour yesterday towards him and HTT. Lorraine said that his father Ben is the oldest therefore he is the nearest relative within the meaning of the mental health act (1983/2007). However, Lorraine said that she provides significant and substantial support and sees or has contact with Simon on a daily basis.

Lorraine then received a call from Simon's best friend who advised her that Simon was coming to see her. Due to this I ended the call as Simon was outside and said that I would call back later.

T/c to Ben (father) on 07415 388 734 no reply or message facility

T/c to Ben and discussed the nearest relative. Ben said he is the oldest parent but Simon's mother Lorraine provides significant and substantial support and has contact with him on a daily basis. Ben said that Simon is very depressed after experiencing the loss of his grandmother; broke up with his girlfriend, being placed on an ASBO and being harassed by the police. Ben took three days off work to stay with Simon and yesterday he seemed a lot calmer. However, he continues to state that he does not want other people such as HTT to be involved. I explained that HTT have requested that Simon be assessed under the Mental Health Act. Ben said that it might make Simon worse, so would talk to Lorraine and assess the situation. I agreed to contact Lorraine and gain her views.

T/c to Lorraine, Simon was present, so she was unable to talk but replied yes or no to my questions. She agreed that he was a little calmer and that she would not want the police to be involved. I asked Lorraine to talk to Simon about seeing the HTT again as this would be the least restricted alternative to hospital. Lorraine said she felt he would be ok over the weekend and I advised her to contact the police if she felt threatened or take him to North Middlesex Hospital A&E.

Plan

I will contact Lorraine on Monday and review the situation.

To Whom It May Concern:

I am writing this email due to a letter from the court that my son Simon Cordell DOB 26/01/2014 had a case on the

06/11/2014

in Bromley Magistrates Court It says on the letter it was for a case of no insurance the case number is 011402647845. The problem is we did not know he was due to come to court on this date we have had no summons and my son is insured he always has insurance and would not drive without it. There has been a number of issues with his insurance and this is due to it not showing up on the MID database. There has been a number of Seizers to his vehicles for no insurance when he was in fact insured. Could you please send me details of what date this offence of no insurance happened? This way I can send the correct insurance policy by email. and can work forward to clearing this matter up.

I am writing this email due to a letter from the court that my son Simon Cordell DOB 26/01/2014 had a case on the 06/11/2014 in Bromley Magistrates Court

It says on the letter it was for a case of no insurance the case number is 011402647845

The problem is we did not know he was due to come to court on this date we have had no summons and my son is insured he always has insurance and would not drive without it.

There has been a number of issues with his insurance and this is due to it not showing up on the MID database. There has been a number of Seizers to his vehicles for no insurance when he was in fact insured.

Could you please send me details of what date this offence of no insurance happened? This way I can send the correct insurance policy by email. and can work forward to clearing this matter up.

Regards

Lorraine Cordell

Going to my Mothers

Because the Police Set me and my Friend Up!

When sitting down at home alone I wonder; who told the coppers and them involved pacific members of neighbours, that it was OK to try to kill me, I had found my person getting locked in my own home like a prisoner oh how the average normal days slowed down that went past, and turned bad, this is the day that I ended up at my mother's :-I had been at my own home at first with a good friend all day when at around the time of eleven o'clock I received a phone call on my personal mobile phone, this was to my surprise as I had just brought a new phone- smart chip card and I had yet had the chance to supply the telephone number to any other person, when asking the person who they were while on the phone they replied "police," they explained to me, that they had been a couple off police officer's earlier in the day whom had been outside of my home address and together they had been trying to gain entry and to do this they needed the entry code. When asked why they continue to explain: — so that they could speak to me. I asked the reason for their visit and this never got explained to me, so that got clearly explained to me, to understand, so instead I gave the right entry code minus the last correct digit, I pacifically recollect asking repeatedly, for the person on the phone to give me their badge number and I got refused, so in completing our conversation we said bye to each other and it came to an end. On consultation with my friend to what had just happened on the phone, we both walked towards my mother's home and got done as for our own belief in our safety. Before walking towards my mother's home, we phoned the emergency services, so to ask if there was any record on the police computers, what would have been of a police officer that had made the phone call, which I had received. The reply given by the police civilian's while on the phone was a simple, blunt answer of, "No. The next decision me and my friend made was to make another phone call, this was to call my mother, so for all to explain the version of events to each other regarding what had happened and also in doing so to make sure that we had highlighted our concerns of our own safety to her, while still on the phone we all together made the agreement for me and my friend to make our way to her home. After the phone call had finished me and my friend chose to statically, plan our chosen route and then made our way on foot. By this time both of our resources of available capital had become low, for me this was due to the police restrictions I had gotten placed on the bail conditions that get compiled together with the additional, driving bans had taken the role on me. We started our mission to get to our location when while on route we were both compromised in our plan for a peace full walk;

this got managed by members of the met police force, as we had foreseen may have happened prior, I remember knowing that this was to our own dissatisfaction. This incident got added latter into the on goings of the Anti-Social Behaviour Order. In the full search for the true incident of occurrences that happened on this night: a person will find out that this is what really occurred; On this night we were latter to understand what happened the reason being is:- my mother made a phone call to the police, this was once me and my friend had got off the phone to her, she done this so that she could understand what had truly, happened and why it had, It got explained to her after calling the emergency 999 number from her mobile phone, that police officers attended my home address earlier, the reason that the officer done this got said to have been because they claimed to have received a phone call from myself earlier in the day, to which I dispute as this was not true. The police officers who said that they had come to my house where the officers who latter pulled me over with my friend and were the same officer to then later update an Anti-Social Behaviour Order application with this incident. When we got pulled over on this incident we got stopped, we got searched and after the event, we got let to go free pretty soon after, this problem occurred with the police alongside a roadside and this road was the same as any other road, it had adjoining roads that lead to other destinations, on this occasion roads leading off the road to where we all got pulled over, was towards industrial estates, to which my Anti-Social Behaviour Order conditions will condemn me to prison for, if ever found guilty and would mean up to the time of five years in prison and if this was to happen, then it would also mean, that I would gain a mark on my criminal record, as an Anti-Social Behaviour Order is not a criminal offence on its own, but once found guilty for what it probates, the Anti-Social Behaviour Order conditions of any proven breach become a criminal offence. At present, I do not have a criminal record that I have to declare to any person, as they were minor offences when I was a young man known as "Time Spent." When I and my friend finally, reached into my mother's house we both stayed and sleep there over the night and have something to eat and done so, in the morning my friend left to his own house.

This led to a full

24-hour assault of Cruel inhuman treatment!

A long time has passed by and I am still being victimised by the already mentioned.

Stan and Debra inclusive of the Mathiyalagan family members and they have now breached my human rights on a day to day and night to night basis this is while Stan and Debra are always both drunk and fuelled on alcoholic drinks when they are both together, this tortures behaviour of theirs towards me gets done to an extent off an attempted manslaughter charge that would be in accordance to section 18 of that Act and would also include proof of clear intent for the reasons such as sport "Cruel inhuman treatment is what they force upon me to

suffer with. I know this as I rapidly, told them all that are definitely involved in the un human act of torture that I personally, had not gotten in a sense, tricked by their evil banging on the floorboards and walls at me, even with or without foreign objects being used at different times by them, on numerous instances this evil behaviour of theirs contains the use of their feet and hands inclusive of the objects and fixtures they use against me that I did past mentioned about. Together they work in collaboration to maintain a 24-hour assault on myself to get overseen and managed in their wrongful self-gains.

yet again and this had not got done of any wrong doings of my own, they came to my home address with no prior warnings, I found out that their intentions were to do a MHA assessment on my person, even low there clearly found nothing wrong with me in the past, but I still allowed this assessment to take place, so for it to happen to me, and once the doctors finished doing their further checks on me, they all together stated, after they finished testing me out, that I seemed to be acting much calmer than the last time that they attempted to visit my home, after we all spoke to each other I knew that something did not seem official about why they kept doing too me, when the kept attending unannounced at my home and then intimidating me with their mental health acts, I remember closing the door on them as they left and feeling like I could tell that they would be back again.

Enfield CRHT

Summary of assessment

Patient's name Simon Cordell

Date of assessment 25/11/2014

1. Referral details and any other precipitating factors

Mr Cordell was referred to the Enfield CRHT by his mother on 19/11/2014 as she was concerned that he was mentally distressed, paranoid towards her and thinking that the television was talking to him. According to his mother, he has had several incidents with the police recently and they were also worried about his well-being. Mr Cordell's mother was concerned that he was not willing to accept any help from the family. Mr Cordell's father had tried to help him on 19/11/2014 and went to his flat but Mr Cordell had asked his father to leave his house after seen his father talking to professionals from the mental health service (HUB). According to his mother, Mr Cordell had suffered years of harassment from the police due to his past offences. The police had attended the property as Mr Cordell's neighbour had complained that Mr Cordell was screaming in distress. The police had observed him holding a gas canister, which is usually used for recreation purpose and spoke with the CRHT colleague about his current situation. Mr Cordell's mother had requested the ECRHT colleagues not to see him on that day as she had feared that it might antagonise him. When the ECRHT colleague went to see Mr Cordell on 20/11/2014, they observed him being abusive towards his father and did not want to meet with the CRHT colleagues. Mr Cordell was subsequently referred for a MHA as he had refused to engage with the ECRHT.

2. Relevant social and medical history

Mr Cordell is living in a council flat on his own. He was in a long-term relationship, but his girlfriend had broken up with him 2 years ago. He was a victim of a large paedophile gang as a young child and was seen by CAMH and has a history of violent suicide attempts in the past. He has had many incidents from the police since in his late teens. According to his medical records, he was put in a Young Offender's Institution at the age of 16 for repeated driving offences, mainly driving without a license. Mr Cordell has an ASBO put on him due to him being aggressive when he was in the court for burglary in June 2014. The case at that time was dismissed. He has reported his ASBO is affecting his ability to do anything constructive in his life. He said that has tried to set up a business for providing party entertainment, but he has not been able to do anything due to the restrictions of his bail. He was attending a youth centre in Enfield up and fought hard to keep it open with petitions etc. He is suffering from Crohn's disease and according to his mother, he has not been taking medication for this disease.

3. Record of interview with patient (Include where it was conducted who was present and use of police if required during process)

The interview took place at Mr Cordell's home address. Those attended - M G, AMHP, I A, AMHP trainee, Dr M and Dr A S12 doctor. Mr Cordell put his dog in the back yard. The reason for the visit was explained to Mr Cordell and he was interviewed appropriately. He was very calm throughout the interview. He said he has been stressed with the fact that he had not been able to do anything in his life due to the previous bail conditions. The ASBO is affecting his business opportunities. He said he would like to build up his business and get on with his life, but he is not being able to do this. He said he is spending most of the time indoors and occasionally taking his dog for a walk. He said he is working on his computer, trying to fix his website. He stated that he is getting sleep but found it being difficult for few days as he was working on his computer late at night. He denied drinking alcohol or taking any illicit drugs recently. When asked about the support he would require from the mental health service, he said that he would like to get some advice and move on with his life. He said he has not thought of harming himself or others. He was optimistic that he would go through this difficult situation and recognised that his grandmother's recent death had also contributed to his problems. He has agreed that he would contact the mental health crisis service if he needs help or he would go to the North Middx A&E if he felt bad in the future. He said that he had contacted the crisis service in the past and he knows how to access services.

4. Assessment of risk to patient and/or to others

Mr Cordell had told the mental health professional in March 2014

that he had suicidal thoughts and he had been E-searching the ways to kill himself on YouTube. However, he said today that he is a strong person and he has no intention of harming himself or others.

As he has not had any thought of harming himself recently, the risk remains low at present. He said that he knows how to get help if he needs any support in the future and he was given contact information about the ECRHT.

Risk of social isolation: He has stopped attending youth centre and not going out as he used to do in the past. He was advised to go out at least for a walk with his dog daily and he has agreed for this plan.

5. Consultation with Nearest Relative and process of identifying the Nearest Relative

Mr Cordell is not married and living on his own. He has no children aged over 18 years of age. His parents are ordinarily residents in the UK. His father is the eldest of the two. However, his mother is

providing significant and substantial care for him on daily basis. His father does not see him regularly and or provide any substantial care for him as his mother. Therefore, his mother is the Nearest Relative according to S26 (4) of the MHA. She described a complicated relationship with the police since he was 14 and guilty of driving stolen and other cars without a licence. More recently he has grown up and she still feels he is repeatedly targeted by the police. They often stop him to ask about his welfare and then use this to search him. She denies that he used any street drugs but then admitted he used to do this, and the last assessment had been after he had attended a festival and gave in to peer pressure taking lots of drugs. She claimed he is not using drugs now but then admitted he does use (laughing gas) from time to time

6. Consultation with Assessing Doctors

Both the assessing doctors had agreed that his problems are mostly related to his early history and losses of significant others over the past 2 years. **Dr Moorey** was of the opinion that counselling could make matters worse and that he should be encouraged to continue to work towards his long-term goals. The doctors felt that Mr Cordell is managing his difficult situation well and said that he can call crisis service if he requires support in the future.

7. Views of others consulted

Mr Cordell is reported to saying that he did his best to help but, on the whole, left the caring to Simon's mother his ex-partner who is heavily involved.

8. Mental Capacity Act 2005

Mr Cordell has capacity to decide on his present crisis situation. He has agreed to call the mental health service if he requires support in the future.

9. Reason for the decision to make the Application (including choice of section

It was decided there were no grounds to admit him to hospital as the doctors who attended the Mental Health Act assessment agreed that Mr Cordell is not suffering from a mental disorder that would require a hospital admission either voluntary or compulsory.

Enfield AMHP service:

Completed an MHA assessment today as planned.

He talked about his current situation in a more eloquent manner. No medical recommendation from both the doctors. There is no need for any involvement from the mental health service at present. He was given information about how to contact the service if he required in the future. He seemed to be aware of the process and said that he had used crisis service in the past. AMHP report will be uploaded shortly and the bed manager was told about the decision.

Looking more into the:
Anti-Social Behaviour Order!

The more I looked into the Anti-Social Behaviour Order Case files I noticed that these people that proceeded with the application were not good police officer, they were criminals. I needed to safeguard myself from their actions and after contemplating on what would be the best way forward for me and anyone involved, I called the Metropolitan police 999 call centre again to ask for more advice and security and this is a copy of that conversation that got recorded then transcribed.

There has been a number of issues with his insurance and this is due to it not showing up on the MID database. This way I can send the correct insurance policy by email. and can work forward to clearing this matter up.

Dear Miss S E Leslie

Thank you for the reply to my email, I did in fact speak to someone at the court yesterday Mr Mark Dredge as I explained my son was due in court yesterday on a next matter of no insurance when he was insured. After speaking to that court, they told me to ask the CPS dealing with that case to deal with the other 2 matters of no insurance which my son never got a summons for. Mark Dredge told me the case at Bromley was in fact a date of **20/05/2014**

so, I attended court with my son yesterday with my son's insurance papers for that date. I did ask the CPS yesterday to deal with these other 2 matters, but she said she could not and I would have to contract the court which I had told her I had already done. Please see attached file of my son's insurance. You can contact me on 07961 833021.

403. Lorraine Cordell _Re_ Simon Cordell Section 9 statement for court

lorraine32@blueyonder.co.uk

Sent: 27 November 2014 16:40

Subject: RE: Simon Cordell Section 9 statement for court

Hi Martin

Definition of an 'admissible witness statement' To be admissible (allowed) in court section 9 of the Criminal Justice Act (CJA) 1967 states for a witness statement to be used as evidence in any criminal proceeding, other than committal proceedings, it must:

- Be a formal written document of a person
- Be a set of facts relating to a certain event, or events
- Be signed by the person who makes it, to confirm that the contents of the document are true, this is known as a statement of truth, and have had a copy served on the other parties before the trial. If all of the above apply, the witness does not always need to attend the trial to give oral evidence. But once they have made a written statement, they may be called on to attend court and give their evidence in person. The jury do not see witness statements so the evidence contained in them will either be read out by counsel or be given orally by the person who has given the statement. When you can produce a witness statement as evidence in court to be admissible in court, evidence must be relevant to a fact which has to be proved, or disproved. Every fact, and document relied upon in court must be proved by admissible evidence. You can produce a witness statement as evidence in court when:
 - The relevant conditions in section 9 of the CJA 1967 are met:
 - This allows the defence to agree to a statement being read at trial where it has been served in advance to them. For more information on the act, see related link.
 - Section 116 or 117 of the CJA 2003 applies:

I had telephone contact with Simon's Mother Lorraine Cordell [REDACTED] today at 12.35pm. She believes the symptoms that her son is experiencing, they are all related to carbon monoxide poison. The council have turned off the gas and I advised the mother to get medical advice from the GP.

Welcome to the Metropolitan police introduction: --

Police Officer: Hello this is a police officer, what is your reason for calling, today.

Simon: hello I would like to put a complaint in, and I was just wondering if you could help me do this please.

Police Officer; yes, is it a complaint against police.

Simon: yes, that is correct.

Police Officer: yes, I can take the complaint.

Simon: I would like to; can you forward an **email to** Jane Johnson please.

Police Officer; Jane Johnson.

Simon; yes, superintendent for Edmonton police station the commissioner.

Police Officer; let me just have a look, just one second.

Police Officer; Jane Johnson yep chief superintendent.

Simon: yes, that is correct.

Police Officer: yes, that is ok, is this complaint that has already got made or is it that you need to make a first one.

Simon: this is just a fresh **email to** herself it is more of a request than a complaint at the present time, but it may turn into an official complaint depending on how she disciplines her officers that she represents.

Police Officer; OK

Police Officer: and that is too Jane Johnson ok go ahead with the contenance and I will get the email sent to you.

Simon: my name is a Mr Simon Paul Cordell.

Police Officer; Paul Cordell.

Police Officer; Cordell.

Simon: yes, that is correct madam.

Simon; and.

Police Officer; and your contact number 0208-245.

Simon: yes, that is correct.

Police Officer; right go ahead.

Simon; and the issue is of concern that I have her signature at the bottom of an Asbo Order a standalone Asbo Order and there has been a lot of corruption represented in side of it, that she has instructed, a Steve Elsmore too complete an application for an Anti-Social Behaviour Order for the organisation of illegal raves and in that application there is lots of police corruption and foul play where the evidence has gotten manufactured, now I am asking her to oversee her officers that she has instructed to make such an application and then to check the time stamps relating to the Cad's and to check the Urn numbers that run consecutively, over an annual year period when they should not, I am asking her to oversee this and to inform me of my case being manufactured and for this it will get dropped or I am calling her, herself to the court as a witness and I will investigate myself against her also for her actions and decisions.

Police Officer; OK

Simon; to what is allowed to happen, she is basically, the boss of all the police and she is charge of Steve Elsmore, she has told Steve Elsmore to make the application and either she told Steve Elsmore to manufacture the application in such a way and or to falsify information contained within it or she does not know that Steve Elsmore has done that and I would like her to know that Stave has done that and I would like her to decide to whether she is going to suspended him right now and give the case to somebody else to handle or what she will do and I would like her to contact me back at

Re_wired@ymail.com

as soon as practically, possible.

Simon: I know I was going fast, but did you manage to get the full gist of what I am explaining to you madam.

Police Officer: yes, I got the jest I made the points for you.

Simon: so, she will contact me back at

Re_wired@ymail.com

as soon as practically, possible regarding how she will represent this case, because at the present time I am being held captive within my own home because she is not doing her job, correct.

Simon; I have handed in an Article six twice now sine this case started at the courts with a complete copy, if she would like to get a copy of the court case she can and contained within this is a copy of the Article six with all the drafted corruption inside it and also I have handed in three complaints, three official complaints that get now issued on the police Pnc computer this will also show this information.

Police Officer; OK

Simon: and if she would like to hold a meeting with me and I would be happy to come to the police station and show her the evidence I have

Simon: either she is a part of the corruption or she is separate from the corruption and for her to be separate she must do her job correctly, and this must mean that I am not being held captive in my own home

Police Officer; OK

Simon: to law's that do not even exist.

Police Officer; right; OK, then

Police Officer: what I will do for you right now Simon is getting this email sent over to her right now, please can you just confirm your email address again

Re_wired@ymail.com

Simon; thank you.

Police Officer; ok good buy.

Simon: you have a good day

Stain and the rest doing his and their best to scare me: --

Stain continued to play with his front door locks so to intimate me on a regular daily basis, I knew this not to be his normal actions due to me, leaving besides him for so long. I could hear the locks being turned and locked so to warn me of the needed securing towards my own

premises due to their misplaced behaviour towards me, so I got a security gate in my back garden from my last prior council flat laying down on the floor, it got placed there for about ten years prior since I moved into this home of mine and got left as dormant. The council was not protecting me neither was the MPs when informed of what I was being subjected towards by others, against my free will. I invested in a welder, of my own and did this so to put the gate up and in place, to secure my premises, as I always left my front door pretty insecure because; I trusted in stain and other residents on my living estate, but this trust got broken into peace by them mentioned neighbours, as I used to feel secure in my home before they started their tortious acts.

Going to the shop and seeing Debra: --

Shortly, after this day, I had gone to my local shops, when walking into the shop I looked at the display chiller, which holds the alcoholic drinks in it. On looking at this feature, I noticed Debra picking up a large bottle of cider I knew this to be so that she could get ready to pay for it. I also was sure that she would then come home and get drunk and start with me and also understood that she would do this while she was attacking me, I understood this would happen to me, because it was a normal, daily, routine, of my life, by this stage. While still in the shop, I decided not to let her know that I was there and watched her for a minute or so, this got completed for me not to get noticed, I had to slip up the other side of the ale that was in the shop. On doing this, I pick up what I came for in the start. Then I hurried and in one quick, swift movement, I had successfully completed my goal so far, I then sneaked back down the other ale to where I first seen her standing once she had moved. Then from myself being in the right position, to where she had originally, been standing, I could now see here paying at the till. I felt my heart beating out of my chest. More than ever right there and then I wanted to understand why she had been treating me the way in which, she had been doing, with the others. I also wanted to find out what I done wrong to her, for it all to have started in the first place.

Catching up with Debra after seeing her in the Local shop: --

I do not believe in people bleaching the colour of their skin, just to get let into society by others as they seem to want to make many people feel. If I knew this, I might have been able to stop it from happening to me; I wanted to know these things, so that I could consider the circumstances of what she was doing to me, all over the nice different valuable good things that I done for her, in the past. It was simple: I wanted for her to reply about what I had done wrong to her and now this was my first opportunity to talk to her outside of the block of flats since it had all taken place against me. I waited and not approach her as I knew this would be the best action to take, I have done this, and she still did not know that I was in the shop, as soon as she left, I quickly, paid for what I wanted and then hurried to the front door, I looked to the right as I knew this to be how she would walk back home to our block of flats, but I had not anticipated seeing her with friend's, like she was then, so I had to re contemplate on my method of approach and hurried towards her and her associates. Seconds passed by and I was behind them both, I had to keep my footsteps quiet, within the last two feet I found myself: — saying in a reasonably, loud voice, why are you doing this to me. I noticed them jump towards me it was a surprise to them, as too me, this was a woman that I had known for years and even picked up from the roadside in the rain in my vehicle to take back home safe on other accountable days in the past, who I was now talking to about assaulting me. She

never explained and she seemed to make a screaming sound for around two seconds, so I felt remorse for her and walked away. When I got home, I kept absolutely, quiet as I could hear her deliberate loud footsteps and her banging get louder and louder while she got drunk, nothing had changed the banging continued and I was right about her intentions on this day, as she had started again. In being Free, for the eight week's that I was free after the burglary case had finished, I had met my new second living partner, as explained and had our own so-called problems and I was continuing with the exceptional work, that I had been creating, right until the moment off noticing members of the government officials were creating a true concern towards my well-being and now this is the beginning of the Anti-Social Behaviour proceedings.

2

Emails got sent to my Insurance Broker: --

On the **30/11/2014**, Emails got sent to my Insurance Broker, who are Broadsure Direct and KGM who were my insurance underwriters the reason to why I contact them both is because KGM had not dealt with my subject access requests under the data protection Act 1998. I wanted to sort out about being found guilty and I understood that KGM held the tapes from the roadside with the police officer talking to them and I had to wait for the reply.

RE: Council Tax 55508596

I am writing this letter due to you saying I owe council tax for

2013/2014

And

2014/2015

I believe this is due to the new changes that came into force on

April 2013

I believe a mistake has been made and I do not feel I come under the team for the 19.5% council tax that came into force in

April 2013

The reason I believe this is because I feel I am exempted from this payment the reason why is I am on support rate of sickness benefit and have been for many years due to ill health. I feel the issue has not been seen by the council due to the reason I will write below.

- I am still on the old payment method I get Incapacity Benefit but due to not paying enough contributions I get income support; this was a lifetime award.

- When the new DWP system came into force, which is now called ESA. The problem I have is under the new ESA system I will be classed as in the support group for my illnesses.
- There are still many people that are on the old system of Incapacity Benefit but due to not paying enough contributions get income support, And the DWP changing the deadline for moving everyone over to the new system has meant these people are not getting the right council tax award.
- These people have not yet been moved over to the new system and this is at no fault of their own, this is down to how long the DWP are taking to move every one of the old systems onto the new one.
- I would ask you to look into this issue and address it and until then any action that has been taken against me be put on hold until this matter is addressed. As I have had a letter from Equita saying I owe a lot of money which I would never be able to afford to pay and that they are coming to my home, this is making my health worse.

1194.

I do have reading and writing issue and over the past year have had more problems within my life that has made my health even worse and a breakdown with the people that help me. This has just been resolved and I am getting help with writing this letter to yourselves to address the payment you say that I owe.

- Can you please get back to me as soon as possible about the above issue as all this money that you say I owe is making my health worse and I cannot take no more I just need to try and get all the matters that have build-up of the last years addressed.

Yours sincerely
Mr Simon Cordell

RE: Council Rent: 497630

I am writing this letter because I owe some rent to you, and I would like to try and get this addressed. I believe I owe something around £260.00, and that my weekly payment should be £06.01 As you will be aware, I am on housing benefit due to illness and have been for some time I get Incapacity Benefit but due to not paying enough contributions get income support, I am still on the old system as the DWP has not moved me over yet to their new system ESA as of yet. I do have reading and writing issue, which you are aware of and need help with dealing with these issues over the past year I have had more problems within my life due to a breakdown with the people that help me. Therefore, issues have not been dealt with in the manner they should have as I did not have the support to address these issues. This has just been resolved and I am getting help with writing this letter to you to address the payment I owe to my rent payment. I am asking you to deal with this issue if it can be by way of you applying to the DWP to take the £06.01 a week out of my benefits along with the minimum payment to pay back the money I owe you for my rent. Could you please get back to me as soon as possible to explain what can be done about this issue and how it will be addressed.

Hi Martin

Thank you for getting back to me about this matter, and for you contacting KGM and getting this addressed, please see the below information that will be needed. We will also still need the section 9 witness statement from you. The below section is what will be needed from KGM. Section 9 witness statement

From: Jessica about the call that she took, from the police officer who called KGM after Simon Cordell was stopped on the

14/11/2013

This statement will include what was said on the phone call by the police officer and what Jessica said to the police officer this would also include what sort of tools the police officer said there was in the van. Any other information as to the date of the

14/11/2013

and after this date as to any dealing Jessica had with the stop on the

14/11/2013.

Copy of all phone recordings between the police officer, and Jessica on the date of

14/11/2013.

All phone recordings of any calls that were made, to KGM from Simon Cordell or Lorraine Cordell to try to stop his insurance policy being cancelled and to address the stop that was made on the

14/11/2013.

The phone recording of when Kelly Tiller had asked Simon Cordell to go to the police compound, and get someone from the compound to call Kelly Tiller about the list of tools that was meant to have been in the van when the police stopped Mr |Simon Cordell on the

14/11/2013

I believe Simon Cordell went to the police compound on the

26/11/2013

and this is where the manager of the compound and Simon Cordell spoke to called Kelly Tiller and confirmed there was in fact no tools in the van. Copies of all emails that were sent from KGM to Broadsure and Broadsure to KGM with regard to the police stop of Simon Cordell on the

14/11/2013

This would include all emails of dates after the

14/11/2014

when Simon Cordell was trying to stop his insurance policy from being cancelled and was trying to address this matter of what the police had said about there being tools in his Van which was why the insurance policy was going to be cancelled. Section 9 witness statement from Kelly Tiller as to any dealing she had with the police stop on Simon Cordell on the

14/11/2013

This would include all dealing with Broadsure about this matter and any calls that was made to her by Simon Cordell and Lorraine Cordell, and any calls Kelly Tiller made about this matter about the cancellation of the policy and the stop by the police on the

14/11/2014

until this issue was addressed. This would also include all details of the call that was made by the police compound to Kelly Tiller on the

26/11/2013

to prove there were no tools in the van. Which in turn stopped the cancelation of the insurance policy as I believe the reason for the cancellation was due to Kelly Tiller saying he had voided his insurance due to there being tools in the van. Full details as to why the insurance policy was going to be cancelled and what Mr Simon Cordell was meant to have done wrong which would have in fact made his insurance policy void. Full details as to why in the end the insurance policy was not cancelled and the reasons for not

1199.

cancelling which was due to Mr Simon Cordell going to the police compound and the police compound confirming to Kelly Tiller over the phone there was in fact no tools in the van. The reason why until

Jan 2014

that Mr Simon Cordell's insurance did not show up on the MID database. Confirmation Simon Cordell did have insurance to drive on the

14/11/2014

and did not void his insurance in any way. Why Kelly Tiller did not deal with all the data protection requests that had been submitted to KGM, under the data protection act 1998 subject access request, as if this had been done Simon Cordell would not be in the court system for this case.

Dear Lorraine,

Thank you for your email as it appears that your attempt to deal with the prosecution in one go was not a success. This will mean that your Son will have to complete a Statutory Declaration at Bromley Magistrates Court. I would suggest that you either ring the court or email to confirm when your son heard about the case. Often this easiest dealt with over the phone and we can book your son in a Statutory Declaration in one of Bromley's Traffic Courts.

Dear Miss S E Leslie

Thank you for the reply to my email, I did in fact speak to someone at the court yesterday Mr Mark Dredge as I explained my son was due in court yesterday on a next matter of no insurance when he was insured. After speaking to that court, they told me to ask the CPS dealing with that case to deal with the other 2 matters of no insurance which my son never got a summons for. Mark Dredge told me the case at Bromley was in fact a date of **20/05/2014** so I attended court with my son yesterday with my son's insurance papers for that date. I did ask the CPS yesterday to deal with these other 2 matters, but she said she could not and I would have to contract the court which I had told her I had already done. Please see attached file of my son's insurance. You can contact me on 07961 833021.

To Whom It May Concern:

I am writing this email due to a letter from the court that my son Simon Cordell DOB **26/01/2014** had a case on the **06/11/2014** in Bromley Magistrates Court It says on the letter it was for a case of no insurance the case number is 011402647845 The problem is we did not know he was due to come to court on this date we have had no summons and my son is insured he always has insurance and would not drive without it. There has been a number of issues with his insurance and this is due to it not showing up on the MID database. There has been a number of Seizers to his vehicles for no insurance when he was in fact insured. Could you please send me details of what date this offence of no insurance happened? This way I can send the correct insurance policy by email. and can work forward to clearing this matter up.

By the United Kingdom laws it must be forbidden that any person gets held Without Correct Law and judgement being passed as a rule of the land in any instance were an error has got passed as a judgment ruling the justice system equals to an error or errors of shambles as has happened in my case load so far over the years, a mutable amount of noticeable critical errors have been passed as legal law towards my dissatisfaction and suffering as throughout the proceedings of my case of the anti-social behaviour order the fundamental legal guidance towards such an application has gotten breached with disregard for the truth and correct legal principles getting accomplished I am the person that gets left to suffer with emotional distress and disheartened belief in a fair and legal justice system because off the corruption that I hire light to the relevant official persons who do not act as reasonable official person within the legal guidance provided for them I can prove beyond reasonable doubt that the context of the application is forged within the time stamps of the 999 calls also there is no audio recordings of the 999 calls as Sally Gilchrist has explained they have been destroyed this is also an error of the law because once the recordings are used within a case they must not get destroyed and even when not used in a case they must get set aside and archived safely for a period of 50 years as has no of the X to y reference location Coordinates not having any reference towards the incidents that I am being accused of when checked most of the XY locations out of Crown Road and not progress way I'm also concerned in regards to the police notebooks being in non-existent as I understand if they were provided when requested as I have in Disclosure they would prove my innocence Another major critical error of my concerns is the facts of there being no first-hand material evidence a clear lack of victims when I request for them to attend court.

I get treated by them: like they wanted to prove that they are Inferior to everybody else!

Victimizing me with intent of using the same repeated items of the building fixtures to have tortures effects on me within my rented home is unfair living circumstances!

Victimizing me by Banging above the Barth to which I get into, once they understand that I have stopped running the water for my bath to be ready, this is after they wait for any other

tail, tail signs that I have gotten undressed and soaked within the water, creating a brutal attack against my person in their wrongful self-gains!
Banging with objects onto the internal main buildings walls and floors, so to intimidate surely me and maybe others living close by whom may be present to an extent only worthwhile for the perpetrators selfless glory, In them perpetrators knowing that their behaviour would only leave all those getting victimized towards getting left by their wrongful actions as to being put into a state of a mental health patient and not rightfully with this occurring within mine and their rented or paid for homes!
I knew by their actions after realizing that I am in the right that they never got resentful for their foul playing towards my life!
The noise stopped me from going to sleep!

Dear Miss S E Leslie

Thank you for the reply to my email, I did in fact speak to someone at the court yesterday Mr Mark Dredge as I explained my son was due in court yesterday on a next matter of no insurance when he was insured. After speaking to that court, they told me to ask the CPS dealing with that case to deal with the other 2 matters of no insurance which my son never got a summons for.

Mark Dredge told me the case at Bromley was in fact a date of 20/05/2014 so I attended court with my son yesterday with my son's insurance papers for that date.

I did ask the CPS yesterday to deal with these other 2 matters, but she said she could not, and I would have to contract the court which I had told her I had already done.

Please see attached file of my son's insurance.

You can contact me on 07961.

To Whom It May Concern:

I am writing this email due to a letter from the court that my son Simon Cordell DOB 26/01/2014 had a case on the 06/11/2014 in Bromley Magistrates Court

It says on the letter it was for a case of no insurance the case number is 011402647845

The problem is we did not know he was due to come to court on this date we have had no summons and my son is insured he always has insurance and would not drive without it.

There has been a number of issues with his insurance and this is due to it not showing up on the MID database. There has been a number of Seizers to his vehicles for no insurance when he was in fact insured.

Could you please send me details of what date this offence of no insurance happened? This way I can send the correct insurance policy by email. and can work forward to clearing this matter up.

Regards

Lorraine Cordell

In the Evening and of the Night!

Thinking that the occupiers of Address 111 – 113 – 117 otherwise known as the tenants of Burncroft Avenue would get away with their misplaced behaviour towards me, they all

Stain today banged on the kitchen wall for hours at a time with intent of victimising me!

Summary!

I believe that any other person will feel the same as I do if I showed them the evidence that I support towards my Innocence in the anti-social behaviour order that I keep putting the so-called official reasonable persons in receipt of without any change within the circumstances that the application present me with on a day-to-day basis that do cause me to suffer with bad health and continue to do grade my defamation of character and infuse that is sensational that the Enfield Council and metropolitan police forces Constabulary staff getaway with their damaging corruption towards me without being disgraced for that dishonour in fortune the anti-social behaviour order for their own self gains!

The tenants of 117 and 113 and 111 Continued to victimizing me and without the Enfield local council protecting me like gets requested of them they left these members of my neighbours to Mock me for their breaches of criminal and civil laws that they break and get away with!

When I got back home, I continued to get attacked by the occupiers of 117 and 113 and 111: they all continued to be victimizing me with their neglects for my life!

I tried to do my work studies but kept getting brutally victimised whenever Debra 113 could hear me typing on my computer keyboard then the Mathiyalagan 117 would join in and also Stain 111.

The Enfield Council and the Enfield Homes employees aloud the occupiers of 117 and 113 and 111 Continued to victimizing me by these problems and leave me every day and night doubtful of the right resolution occurring from the relevant persons, as they continue to breach and neglect their conditional responsibilities, towards me!

Simon-Council-Tax-Letter-30-11-2014.doc

Dear Mrs J Kokai

I sent you a new email on the 04/12/2014 which as of yet I have had no reply to, please see below email. Also, as I said in my 1st email about this council tax, I do not feel I owe any money and asked you to look into this. Please see attached document. I did say in this email I had a letter from Equita Bailiffs demanding money from me or removal of good due to some sort of Liability order issues to them from yourselves. I did ask you to put this on hold while this issue was dealt with, which has not been done. I have never seen this notice of liability order and therefore ask for notice of request for true and original copy of court liability order Which should show a wet ink Signature of the Judge or Justices Clerk who signed it on the day (Not a facsimilia signature) The Royal Identifier (i.e. Royal Coat Of Arms) Please put on hold Equita Bailiffs until the issues I have raised in my two emails one with attachment document letter which I have also attached to this email are address.

Dear Lorraine,

Thank you for your email I must apologise for the delay in getting back to you, it would seem that you will have to go through the court system and “waste the courts time” again this is unfortunate and a shame but we must work through the procedures that are set. I was more concerned with wasting your time as a customer and it seems that you will have to put in for a Statutory Declaration her at Bromley under you case ref gives below. This will be completed in one morning and hopefully this will be the end of the matter

Dear Lorraine,

Thank you for your email as it appears that your attempt to deal with the prosecution in one go was not a success. This will mean that your Son will have to complete a Statutory Declaration at Bromley Magistrates Court. I would suggest that you either ring the court or email to confirm when your son heard about the case. Often this easiest dealt with over the phone and we can book your son in a Statutory Declaration in one of Bromley's Traffic Courts.

Dear Miss S E Leslie

Thank you for the reply to my email, I did in fact speak to someone at the court yesterday Mr Mark Dredge as I explained my son was due in court yesterday on a next matter of no insurance when he was insured. After speaking to that court, they told me to ask the CPS dealing with that case to deal with the other 2 matters of no insurance which my son never got a summons for. Mark Dredge told me the case at Bromley was in fact a date of 20/05/2014 so I attended court with my son yesterday with my son's insurance papers for that date. I did ask the CPS yesterday to deal with these other 2 matters, but she said she could not, and I would have to contract the court which I had told her I had already done. Please see attached file of my son's insurance. You can contact me on 07961 833021.

To Whom It May Concern:

I am writing this email due to a letter from the court that my son Simon Cordell DOB 26/01/2014 had a case on the 06/11/2014 in Bromley Magistrates Court It says on the letter it was for a case of no insurance the case number is 011402647845 The problem is we did not know he was due to come to court on this date we have had no summons and my son is insured he always has insurance and would not drive without it. There has been a number of issues with his insurance and this is due to it not showing up on the MID database. There has been a number of Seizers to his vehicles for no insurance when he was in fact insured. Could you please send me details of what date this offence of no insurance happened? This way I can send the

1216,

correct insurance policy by email. and can work forward to clearing this matter up.

1220,1221,1222,

The banging Started!

This Morning the same happened again when I went to get into my Bathtub 117 and 113 started to slam the taps on and off above my head at a fast rate none stop making the pipes in my flat shake so loud that everyone else on my estate would have been able to hear the problems I explain about and at the same time flushing the toilet when I am being sick in it: I cannot even take my clothes off in any room in my flat because they stand above me jumping on the floor so to assault me. I left and went to the community hall to get away from them including stain. Police Officers attended my local community hall I was helping manage and strip searched me in front of all persons for no reason.

I am not known for drugs or other serious offences to ever get searched like I was when working in the community hall in front of the children. For the Asbo proceedings!

Summary!

The Metropolitan Police's Constabulary police office of the law inclusive of the Enfield Council employees act in joint circular in the disregard for my fundamental human right and by doing this in danger my life while leaving me with intentional infliction of emotional distress. Summary!

The Enfield Council and Metropolitan Police force created an anti-social behaviour order and fulfilled it with wrongful corrupted evidence, that is within side its context in completing this folder and serving it under a false pretence of law the staff achieved my dissatisfaction with dishonour, so to hold me captive within my own home with a 10pm curfew for 7 years. Once I noticed the corruption and filed the evidence of this fail play, I had no option other than to pass the intelligence I hold back to the same creators of the Anti-Social Behaviour order who in development never wanted to get caught for their crimes against me. The refused to do the right thing by law once in receipt of such overwhelming evidence and now I get left in fear of walking within London's boroughs due to the official persons further having more negative effects on my life by stopping me on my travels before the hours of my curfew due to the police and councils official staff not facing disciplinary action for the corruption they took part into when creating the Anti-Social Behaviour Order application, after I highlighted their fraudulent errors and now this is causing me the risk of re perusals of them staff protecting their jobs by even further criminal intent of setting me up even more than they have once again!

| Speaker 3: | 05:23 | Yeah. it's his, first name, last name Colinparfons@. Enfield.gov.uk |
| Speaker 2: | 05:29 | Enfield.gov.uk. Okay. Is there any way that you can transfer me through to the ASB team department please because I have a few concerns I'm trying to resolve right now? I've been placed under an Asbo an Asbo by Enfield council and this Asbo is for the organization of illegal raves, it States illegal and I was never, I've never been arrested for something that was illegal. I looked into the case obviously that they put onto me that Enfield Council was in support of this application and basically for something that the maximum sentence is six months. do, um, do six months in prison, do, three months inside. I've seemed to have got seven years for it. Yeah. I never committed the offences in the beginning, so basically, I was accused of being 10 different people that I don't that um, three of them are close friends and the rest of them, I don't know. |

- Speaker 2: [06:14](#) They're younger kids to me, while I was on curfew or throwing events now these people done what they done on their own. I didn't hire them, no equipment. It wasn't nothing to do with me. Yeah. But the police somehow changed all their pictures and set me up for being these people trying to turn me into a super grass in a sense. Now what I've done is I copied all these people's Facebook profiles now from copying their Facebook profiles. I can prove that I never done it, but I've never gave the police these people's Facebook profiles because I don't want to do their line of investigations for them. Yeah. Then I know I went, I went to court under the grounds that I, I wasn't going to be a grass and I noticed that a section was on all of these doors.
- Speaker 2: [06:56](#) Now if a section is on somebody's front door that gives them the right to live in that building. You can't defer somebody because they're rich and own a company. You can't defer the difference. Everyone that's living in a premise in the United Kingdom is entitled to have their own parties. Now it's for the police. Once something's proved to be a private residential place, it's for the police to prove commercial gain or that someone was doing something for commercial reason and the place never proved none of this. They never went there. I never got arrested for legal, so I went to Cole and I basically won the application, proved I've got the transcripts of the court proven. I was never found guilty under the applicant's case because there was no illegal concept to it, and the police admitted that these buildings were sectioned in the beginning.
- Speaker 2: [07:37](#) They never went to none of the landlords, none of the building owners or nothing. So I went and I noticed all the timestamps were wrong in in the, in the case papers once I noticed that the timestamps were wrong I noticed that there was 16 members of the public witness statements, but none of them had been signed by the police or by the witnesses themselves. Now that's been fully admitted that no, no one would sign. No one that was supposed to have got keep up overnight signed these things. Now all the timestamps were wrong. The in the case papers they're saying, because it wasn't me. I'm a mixed-race male. IC3 the police call it. Yeah. Now I noticed that all of the, in the case papers when they were setting me up, these people were white people and it says, all white, when the nine, nine, nine caller phoned up for one of the events for instance, he said it's all white males and females and they went there and arrested all these white people.
- Speaker 2: [08:26](#) They held them hostage for eight hours. Then I went there to go and see these people. I couldn't gain access

to the premises or anything. It was all surrounded the police DE-arrested all the people in the building, eight hours later and arrested me and set me up for what these so-called white people done as the nine, nine, nine, caller would say, now I've been trying to prove all this. Yeah. Ever since then they got my personal life and twisted my personal life around in the public view to darken my name. Yeah, and started pushing out different stories about myself so I went and got all the recordings and everything. I needed all my medical evidence of that and proving that I was of good healthy and had a full bill of health and everything throughout and I've got all the recordings of that. Like I'm recording this conversation between us now for instance.

Speaker 2: [09:07](#)

And I've been doing that.

New Speaker: [09:08](#)

yep.

New Speaker: [09:08](#)

from the beginning. Yeah. And I'm just basically would like to get this resolved cause I feel that I can't walk down my own home town street right now because of what Steve Ellis has done, who's under Colin Pearson's control has been in support of, I've got loads of phone calls on me phoning up and asking the Council now I can show this evidence to yourselves. Yeah. Is there any way that you won't be in support? Cause you know, truthfully, I'm an innocent person that the Council have refuse to acknowledge this from the first point of time. that I've told them, and they refused to come and look at it or call me in for a meeting, but they've somehow, I'm ridding eight years for something I haven't done. Everyone knows that I am correct, and no one would deal with everything correctly. So now I would just like to speak to anybody that may be able to help me with this problem because I understand that maybe that might not be yourself.

New Speaker: [09:55](#)

year.

New Speaker: [09:55](#)

and that you have just come in.

All I wanted to do was hold an event in my local community and support my local community members and be a valid citizen. Hi Josey

I hope you have had a great Christmas and a great new year for you and the family. Can you let me know when you will be free so we can start to go over the papers for the Asbo there is a lot of data I would like to ask for and the case is listed for 10/03/15 so we only have 11 weeks to get all the information that will be needed. I am going to start putting data requests in, but I think you will need to get the information that the police hold on their systems about the dates they are saying Simon set these events up. The police know full well who setup these party's up as they had contact with said people and sent police to their homes and was making calls to them and sent helicopters out looking for the said locations. I know you are busy but we have done nothing on the Asbo since it was last in court and I am getting worried due to the information that will be needed, and due to how long it took the CPS the last time, which held the case up for so long. I know Simon statement will need to be redone due to when your computers crashed at the office as a lot of what was said is missing also Simon was not great at doing so much over the 2 days in your office. I have information also that should be helpful in doing the statement of the events but Simon is not really willing to hand over people's names, but the police already have this information so it will be that data I think Simon would like to run this case on. We will just need to get the team at Scotland Yard that was doing all the investigation into these events, and making all the calls and going to their homes and other things. I do have information that will help with this. Simon is still not great so trying to go over everything in a few days will not be possible I do not think as he gets upset and it is too much for him. I have texted you but have had no replies, I know this is due to how busy you are but can you please get back to me with an update as to when you will be free.

I asked for a lot of this information when Simon attended the office last week. I have had four hours sleep last night. I am attaching Simon's proof of evidence that I am sending on to the barrister. We will be challenging on each and every aspect from definition of rave to whether anti-social behaviour occurred, distances, locations from residential areas etc, lack of CADs etc. Email over what you can, and I will somehow get it to court tomorrow in the afternoon.

To Whom It May Concern:

I am writing this email after a call that was made to the City of London Magistrate Court on the 10/02/2014 about a list that is on my PNC that is incorrect. I was told to write this email including as much information as I could to get this updated. I have contacted you a few times before about this Error on my PCN and was told that you would get it updated but as of now this has never been done. I was told on the 10/02/2014 when I called due to the date that it would be down to the police to update this. You would have only forwarded the information to the police to get this updated. The Error is for a case that was heard on the 03/03/2008 at the City of London Magistrate Court, for failing to surrender to custody at appointed time, on the 25/01/08.

1228,

The error is that I did not go to go but my mum called the court and a sick note was handed to the court and the case was dismissed, so should not be on my record This has caused me problems with bail on a few times and this is why calls have been made before to the court, at this time it has been causing me problems again with a case I am at Woolwich Crown court for. I have attached the page for the PNC print out the police did for the case at Woolwich crown court that I am on bail now for. This print out was done by the police on or around the 26 June 2013 for the Woolwich case. I do feel this is causing me problems with my bail and I am therefore asking for this to be dealt with as fast as possible in order that I can show the court this should in fact not be on my record. I was told on the 10/02/2014 when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record. I am there for asking for the court transcript to be sent to me if there are costs for this please email me back with the cost for this to be sent to me and I will get this paid to the court. Please see attached file for the page in my PNC record which is there in error I have highlighted the case. If this can be done as a matter of urgency due to the impact this is having on my life.

Many Thanks Mr Simon Cordell DOB 26/01/1981
