Subject: Some think like this.

I have taken time to listen to my solicitors advice in regards to the applicants proposal of an ASBO order that was on the

| 13/08/2014 | ASBO application was in progress and being created by Steve Elesmore |
|---|--|
| 13/08/2014 | A meeting was held with Steve Hodgson who is a representative for Enfield Local Authority Council and Jane Johnson on behalf of the Metropolitan police along side others. |
| 12/09/2014 | A ASBO Application bundle is said too have been served on Mr Simon Cordell at 109 Burncroft Avenue, to which he disputes. |
| 06/10/2014 | Mr Simon Cordell was meant to have a hearing for an interim Order but legal aid had not been granted. Michael Carroll acting solicitor came to court; the judge overturned and granted legal aid. The application for the Interim hearing the judge would not hear on this day. |
| 22/10/2014 | Interim hearing but could not go ahead due to Andy Locke Acting Barrister had a flood at his home address. |
| 05/11/2014 | Interim hearing and the order was granted. |
| 02/12/2014 | Mr Simon Cordell's mother has a note on her mobile phone, stating he was in court at Highbury Corner not sure what it was for in the ASBO Application. |
| 09th 10th 11th 03/2015 | Meant to have been set for the full ASBO Application trial but the court only booked 1 day hearing, this was then put off until the 03 rd and 04 th Aug 2015 |
| 03 rd 4 th 08/2015 | Highbury Corner full ASBO Application trial case part proven on the 04/08/2015 no Illegality was proven. |
| 26/10/2015 | 1^{st} hearing at Wood Green Crown to see if case was ready for appeal on the $09/11/2015$ this was put off until 22^{nd} 23td and 24^{th} 02/2016 |
| 09/11/2015 | Was 1 st appeal date which was set for an 1 hour hearing, this hearing was put off on the 26/10/2015. |
| $22^{nd}\ 23^{rd}\ and\ 24^{th}\ 02/2016$ | Set for appeal at the crown court. |

It is said that Mr Cordell had been found proven partly on the 3rd 4th August 2015, to which he disputes to be correct.

An appeal date has been set for Feb 22nd 23rd 24th 2016

Legal aid was re granted on the 00/00/2015

In understanding that Mr Simon Cordell's acting solicitor has explained to him that she can not arrange a barrister that every barrister that has been asked will not take the case on due to the size of the case and due to it being at appeal stage and legal aid will not cover the cost of such a large case. I have been explained that Andy Locke who did the trial at the lower court is on sabbatical leave till April 2016, and that the acting solicitors wish to put the appeal date of until April 2016 when Andy Locke will be back from sabbatical leave.

If granted by the Judge this would in fact set the new appeal date to be two months after the all ready agreed appeal date of 22rnd February 2016, if the court agreed to such a date, contained within the time scale of April 2016 and not any time after, due to the court diary all ready being pre booked.

Mr Simon Paul Cordell is asking for a Former judge to examine the role of police officers, who present the applicant cases of an ASBO order against him self.

Mr S. Cordell is asking for this to be assessed and agreed under the grounds of Article 6 of the European Convention on Human Rights, the Right to a Fair Trial Act 1998, Legislation.

Which in legal terms, should be the best means of separating the guilty from the innocent and protecting against injustice. Without this right, the rule of law and public faith in the justice system collapse. The Right to a Fair Trial is one of the cornerstones of a just society.

Article 6 the Right to a fair hearing:

The right to a fair trial is fundamental to the rule of law and to democracy itself.

The right applies to both criminal and civil cases, although certain specific minimum rights set out in Article 6 apply only in criminal cases.

The right to a fair trial is absolute and cannot be limited. It requires a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law. The procedural requirements of a fair hearing might differ according to the circumstances of the accused.

The right to a fair hearing, which applies to any criminal charge as well as to the determination of civil rights and obligations, contains a number of requirements and I believe the causes below full within them requirements.

An ASBO order has been appealed against after the magistrates court decided a decision to prove the application case in part but with no legality being proven, the decision had been made against Mr Simon Cordell, this was at Highbury Corner, Magistrates Court, on the 4th August 2015 in pursuant to s.1 of the Crime and Disorder Act 1998 it was agreed to make him subject to an Anti Social behaviour order. This was in pursuit for the Commissioner of Police of the Metropolis.

The respondent's case is that Mr Simon Cordell has been accused of being integrally involved in the organisation of illegal raves in London and Enfield.

Part of the Barrister submissions that represented Simon Cordell, had been that the allegations were that he was involved in the organizing of illegal raves, but the applicant hadn't adduced evidence, of trespass or evidence of breach of the licensing Act 2003 which is a requirement for proving, that an indoor rave was illegal. The Deputy District Judge ruled that the applicant did not need to prove illegality, - all the needed to prove was he had acted in an anti social manner. In the view of the barrister this was a very questionable decision: firstly, the applicant based their case on the illegality of the raves rather than the fact of the raves themselves and secondly, without proof of illegality the presumption of innocence leads to the conclusion that the raves were legal, and thus, Simon being prohibited from engaging in an ostensibly lawful activity requires more careful consideration on issues of proportionality.

It should be agreed with the barrister statement as when dealing with this case Mr Simon Cordell was addressing the applicant's case to prove that he had not been involved in organizing illegal raves, as this is what the application against him was. Yet in the application papers themselves and on trial at the lower court no police officer had said Mr Simon acted in an anti social manner, nor did any of the hearsay witnesses give an ID of any person's.

Other points of concern are;

Inaccuracy's leading to incorrect time stamps contained within the applicants bundle created by Steve Elsmore on the 13/8/2014.

Please note every day the met police call centre starts at CAD 01 and goes up to the average of 10,742 to 15,000 callers per day the clock is reset to 01 each day at 00:00 hours.

(We can tell this by the number of CAD incident numbers supplied, within the applicants ASBO bundle supporting the evidence supplied, for a stand alone ASBO order to be gained against Mr Simon Cordell.

On the average the Met police call centre will receive on the average of 300 callers per hour as marked and time stamped below.

Every half hour is 150 callers on average And every 15 mins is 75 callers on average Every 7 half mins is 33 callers on average And 3 half mins 17 callers on average

Please take note to (CAD number / Incident Number 10481 7th June 14) this is the 10,481 Met police call of the 7th June 2014 time stamped 22:47 hours.

So it is incorrect for (CAD 10506 7th June 14) externally inputted 25 calls later, to have an earlier time stamp of the 7th June 2014 at 22:44 hours.

In fact the time should have been 22:49 hours for CAD 10506.

Point 2

Blocked out Inc locations and other relevant information that should be contained within the cads that have been presented in the applicants bundle. Only in serious circumstances in cases such as were it is absolutely nessery to aid in the prevention of witness or victim intimidation should a officer be trusted to block out such information.

Under oath pc Steve Elsmore state to the district Jude that he "Intel would be by open source, checked by an officer but was not done by me." When in fact it is his login that created and printed the applicants bundle this can be proved by his signature and also by the computer id log that must be used to print the data contained within the Police National Computer and now has been submitted and is contained with the applicants bundle and is verified at the top of most of the pages or within.

Pc Elsmore states under oath that he did not carry out any further investigations in regards to speaking to the owners of any premises to fix that of a notice of trespass or conviction of twok as the main investigating officer. "I have not personal spoken to the owners of the venue"

Pc Elsmore states under oath "There was a rave on an adjourning RD but not on that day." (Please Take Note Here of inspector Hamill stating under oath that he was sure all locations were to do with progress way on this date.)

"Phone calls received were not relating to Crown Rd Rave on that day.

On the day in question phone calls related to this particular rave. (Progress Way)"

CADS CONTAINED WITHIN THE BUNDIL THAT ARE PRINTED IN Pc Steve Elsmore name and as the leading investigator he would have known the truth to the locations blocked out that are in fact crown road another house party a five minute drive from progress way and if not for the grid numbers being not blocked out inclusive of other landmarks such as A&J cars based in Enfield I would not have been able to prove my innocents in the on going application leading to an un fair trial.

Statement contained in tab 9-lead

DEF XEX

Intel would be by open source, checked by an officer but was not done by me.

The rave was taking place indoors.

I have not personal spoken to the owners of the venue.

I only see the D on the Saturday on the evening of the 7th Saturday. (This was in fact early Hours of the 8th around 1:00am.)

I did not go inside, the gates were closed.

I did not see any vehicles.

D'S Van reg is known to the police but I would not personally know.

There were vehicles parked but I did not notice whether defendants van was there.

He was not aware of people squatting in that building at that time.

(Hearsay of officers continues D @ venue but (unreadable text) Officer (unreadable text) Not present here today.)

There was a rave on an adjourning RD but not on that day. (Please Take Note Here of inspector Hamill stating under oath that he was sure all locations were to do with progress way on this date.)

Phone calls received were not relating to Crown Rd Rave on that day.

On the day in question phone calls related to this particular rave. (**Progress Way**)

DEF

Counsel argues that officers statement is designed to cause on evidence reaction of this of no value and speculatory in nature.

DJ

How many calls from public did police receive?

Witness

In excess of 15 calls – how many to the same venue and not other address.

Doe's not know the number of callers that are in relation to each of these occasions.

On page 15 – Allegations re: Millmarsh Lane, evidence from officer not first hand – relied on cads and other Intel.

Query Re: "3 massive nitrous tanks"

DJ

Were did you get such info officer.

Witness

From Page 65 – sergeant King – Crimits Re reports, other Intel but not from people at the venue.

COUNSEL

Officer you signed a statement of truth (unreadable text) to other witness statements.

DJ

We all know that on ASBO apps hearsay is allowed.

R V CORDELL

5

Counsel

Why did officer no and rely on Pc Kings Statements later than on the Crimits reported.

Officer no and involved in taking info from Pc King.

(Confesses he did it.)

He did not notice the discrepancy regarding official statements.

Have heard of Every Decibel Matters – They were advertising and I believe the D knows a member of the above company.

No evidence D is involved in running there operations.

No attempt has been made to speak to directors of company.

No reason to why you didn't /contact the company.

I think from memory have met D once @ Edmonton police station.

(At Page 16 1st paragraph – not consistent to fact that he met him on the 7/6/2014)

All notes with cad number were listed from reports not officers own words – same applies from Cads that had no input.

Has not made attempts too contact owners of premises.

Officers unable to assist courts in relation to why statements were not signed on note books profiles.

Another example of doings put in statements to blacken Mr Cordell's evidence in statement @ point 12, No convictions that of class A drugs unlike what's written in Statements – another example of untrue cut and past.

DJ

Ill ignore because no convections of class A drugs or supplying is present on the criminal record.

Counsel

You can not assist with witness reliability of info contained, can you?

Can Intel be wrongfully inaccurate? No

Officer

On that particular re post, it appears to be right.

I did not speak to Parcell he is force @ seven boroughs.

I believe he was not included in the email, because Intel (**unreadable text**) Email sent to LDE only.

Searched (unreadable text) for info on Cordell's convections.

Moving on to statement on Page 30

Does PO investigating unit have more info than it is letting on?

Officer

No

Are you aware that Miss Cordell has spoken to other officers Re: Rave?

This suggests that you do not want DS Tanner to be examined on these proceedings because she has information Re knowledge of raves and them not being connected to W/D.

Spoke to Pc Tanner but not written what – spoke to (**unreadable text**) this year You have no recorded that you emailed her but then spoken to her.

Emails have been deleted and no copies keep on record.
