**To Whom It May Concern:**

**Objective 1:** Complete Claim.

**Objective 2:** Be susses full in accomplishing the counterclaim.

I am writing this letter regarding a call that was made on the date of the 06/08/2020, I have been asked to send this letter over to explain that I have been preparing the official documentation that will be forwarded to the relevant departments as part of my claim against the Enfield Council / The Enfield Neighbourhood team including others E.g. Police and Doctors.

Due to the large amount of documentation that is involved to complete the listed objectives and myself being just one person this has taken a massive amount of my time and is still in possess. To aid in a speedier claim I have invited the Enfield Council and Insurance company's involved to help me document my evidence on a numerous number of different days, which the lack of support from officials involved has lead myself to completing the claim on my own as of so far.

My evidence does show case already the actions that have been taken against me wrongly and saving time is why I have tried to arrange prior meetings.

I would like this letter dated the 07/08/2020 to be registered as the start of my claim and would explain that I need further time form the date of this letter for my documents and evidence to be completed and put in order.

Once all my documents and evidence are completed, I am asking yet again if a meeting can be set up for the documents and evidence to be looked at due to the very large

amount that will come with this claim, with my mother and myself present as I am the victim and would like to explain my evidence in person to another.

Yours faithfully
