I am Steve Elsmore, a Police officer attached to the Anti Social Behaviour Team within the London Borough of Enfield. I make this further statement regarding an ASBO matter in relation to Simon CORDELL.

On 16th May 2016, I was asked to check timings in relation to the schedule that is due to be served on the court.

Whilst searching for timings for Crimint HTRT00376798, I found an incident log attached to this Crimint. I do not recall previously seeing this log. Usually the inputting officer would put an indicator on the Crimint to say that there is an attachment. On this occasion there is no indicator referring to this attachment. It is possible that I may have previously missed this attachment due to the volume of incidents that I was searching through.

The attachment itself is an incident report from Canary Wharf Group and the incident summary states - Trespassers on site - illegal rave - forced entry shed 4 - Police tasked - no action - group left site. This is dated 12 January 2013.

The incident log details what action was taken by Canary Wharf Group during this particular incident. It also provides detail on the impact to the residents. On page 5 of the incident log there is an entry that states "P BOUZON (CW178) informs the ECC that the vehicle registrations that he gave me are actually the 2 vehicles that gained access through the fence and are located within the Shed 4 area".

One of the vehicles is MA57LDY. This vehicle was registered to Simon CORDELL as per the Crimint Report.
