

Simon; yes that is correct.

Police Officer; yes.

Police Officer; and it is all to do with a complaint to do with an officer in regards to an Asbo Order that was issued against you.

Simon; yes that is correct.

Police Officer; yes from my records I got that you logged a complaint with us on the 11th of April and that was sent to the director of professional standard's who have then sent you a letter saying that your complaint will not be looked at until the court case is over.

Simon; yes and that is correct and that is in relation to return issues that are going on with the actual case itself but I made a separate issue of complaint now which is in regards to police practices and that is in regards to a Jane Johnson who is the commanding officer who is in charge of all the other police officers and basically what she has done is she has told a load of officers to go and make an application under section 107 permission which is for the organisation of illegal raves, she is supposed to be overseeing that herself they have clearly misplaced the case because I was neither arrested for something that states that it is an illegal offence.

Simon; I bet that in her memo in his memo to her if he did tell her to put an application in for illegal raves then that meant she was told to arrest me and I was not arrested, now I am looking to call her up to the witness stand and I might have to go litigant myself.

Police Officer; yes.

Simon; and what I am asking her to do is I have handed in two Article six's as well as the official complaints.

Police Officer; yes.

Simon; and I have a copy of this here now and I have tape recordings of every time I have spoken to the police, like now I am recording our conversation, I have recorded every other previous conversation.

Police Officer; yes.

Simon; with every other officer and I have memo's of every complaint

Simon; this is a complete breach, they have got the time stamps clearly wrong here in the application put toward s me and anyone can see that a lot of the grid numbers weren't taken out.

Simon; I have got all the police under oath under the transcripts and my barrister clearly asking them return questions, like when you was making the development of the application are you sure that ever incident on the 8th of June 2014 is in fact progress way, when you blocked them out and we all knew that they had not because they were not in fact Progress way, it was multiple incidents that had happened on that date across the UK, London.
