Police Officer; “muttering”

Simon; and I am telling you that one of your coppers that work for me is corrupt and I am giving you evidence

Police Officer; and if you do not leave your house, what do you do sir what do you do for a living

Simon; I was in the entertainment industry hire in sound equipment to lock to lock festival to Enfield Town Festival to kids with celerpualse I was doing Durant’s park festival Enfield town festival I was also managing my community hall down the road plus I had the keys to club juice night club plus I had the keys to a few other place I was a valid member of my community and I was networking with the homeless and people in poverty at the same time exactly how Glastonbury and the rest of the festivals were created from people who were stuck in poverty

Police Officer; “muttering”

Simon; madam and right now I am not aloud to hire any sound equipment to any body or even hire any equipment to any body even for a house party

Simon; in your house madam you have the maximum extent to your human rights the only law in our own houses that stops us for playing any entertainment to any body else is under the licensing act 2003 is if you make profit with an intention of making a profit in your own home so I do not understand how no one has talked about profit in over a thousand pages that have been wrote to destroy my life, yes so how is it illegal if there is nothing in the licensing act that says that and under section 63 says it is omitted in it that in open air only in public only unless trespass has taken place I have never been arrested for trespass not even one of the police officers even talk about trespass in the application let alone profit the laws that they are supposed to be representing they did not even build
