and sections just basically tell me what has happened.
Simon; All right basically, since then I have been to court and proved my innocents ad I got found not guilty (Further Amendment **15/05/2017** "under the respondent case.")
Simon; What I have managed to work out since then is that the developer of the application is a Steve Elsmore, and he done that under a Jane Johnson's Command who is the borough commanding officer for North London, I believe this.
Simon; Now what I understand is that the Urn numbers which are information reports means that every police officer has a special logging when logging into the police national computer and I understand in that development of what the police done 15 police officers sat down at a table and logged in one after the other creating unique urn numbers that run consecutively one straight after the other, and they changed the created dates on them information logs and what they done was then spread them out other a whole year at the same time they made loads of 999 calls in the actual system and in creating the 999 calls they actually managed to, the time stamps were wrong in all the 999 calls they are back dating each other now I have been continually trying to get a police officer a manager of Steve Elsmore to oversee the information I am proving that is beyond reasonable doubt, I have been sent them copies of it, the actually 999 calls when they were being created year.
Police Officer; are you saying police have been making 999 calls.
Simon; Year, Well I proof I have got evidence I have got a folder here right now I have got a bundle and what actually happened is.
Police Officer; Hang on, hang on, hang on, let me finish.
Simon; yes, sir, go on.
Police Officer; Hang on let me finish so you are also saying that police are changing reports on the police National computer is that correct.
Simon; Yes, yes that is correct and I have got evidence of that.
Police Officer; Oh hang, o hang on, hang on, let me stop you there police cant do that.
Simon; Sir may I say something to you.
Police Officer; Hang on let me finish let me finish let me finish OK, police can access the police Pnc as you know well, must know, year all right they can access the Pnc, but they only the only people that can change the reports and change the information on the Pnc are the people, who; actuary work for the Pnc buro who are people employed by the government who are not part of the police and don't even work in a police building.
Simon; Yes um so OK for this information I have listened to you I sort of
