The news papers;
14/08/2015 Mutable Newspaper Articles were published with wrongful claims that I was given an Asbo under the applicants case stating Man given ASBO for organising illegal raves (From Enfield Independent.)
Do you hate things in life? In any similar way, to what I do? When people do not say sorry? In return to this happening to me, I ended up felling like a leprechaun, which had got robbed and was therefore without his pot of gold.
While looking into the court case paper work, when at my home address one day, trying to study, so that I could defend myself, I remember a different occasion when I was looking at the local newspaper, while trying to get my head around all of the banging that I got induced towards from members of my neighbours
When reading the paper I noticed a copy of an article that got contained in my local Newspaper.
What I read was about my person and was unjustified to get printed as a true and fair description of the truth events.
In fact, it got worse than unjustified as it was incorrect information that slandered my character.
The published articles in the newspapers that had gotten copied from the metropolitan police website and were in regard's to the Anti Social Behaviour Order application that the police had been pursuing in court against me, they stated that I got given an Anti Social Behaviour Order for organizing illegal raves.
The truth is that the case against me for the Anti Social Behaviour Order regarding "the organization of illegal raves" never got proven, this is because the judge could not find any illegal accept, that I the defendant was guilty of, as the application claimed to be for, but somehow, some way even low wrong in law the district judge sitting the court found me guilty of acting in an anti social way.
In the news papers it stated the following also: — "Cordell is well-known for organizing illegal raves in Enfield and across London." In truth, I have never been arrest for anything of that nature mentioned, so find this to be untrue and in other words this would be a lie inclusive as for I had never arrested.
I got so upset that my address got put into the metropolitan police website as I had requested and received a copy of the court transcripts of the day at trail, which prove that I am right, so had set the wheels' in motion for the appeal proceedings.
