Katie: He is frustrated as well.
Sam: But is that, is this the usual self.
Simon: This is how I will find myself and I will explain my self simply if I find some body who is of a higher profession and gets paid the living wage the same as you do when and got the education took to be able to look after my self or another member of the public I respect you the amount of time it would have took you to do that and the hardship it would take for you to get that stage so I know that I am educating my self an d that I am of a lower education to you so I believe that you should be able to understand and keep up the pace your time is valuable to your self and valuable `to me so I want to use that to its most efficient as possible if you want me to slow down and speak to you a bit slower.
Sam: If you could slow down because it would also show us that ability to be calm because that would make us be able to understand your mental Heath at the moment.

Sam: He always speaks very so this is Simon's usually personality. **Mother:** Yes he speaks fast.

Doctor: We can understand all that we can understand all of that, but there Is concern raised about you that is why we are here, to assess the situation to see how and if you need any help or if we could offer any help, that is the reason why we are here.
Sam: How is your sleep at the moment?
Sam: Sorry to interrupt you Doctor.
Doctor xxx: So it is because there is concern about you and that is why we are here.
Sam: How is your sleep at the moment?

Doctor xxx: No before that.
