it all out blue printed it, if you ever see a copy of it you would go wow yes and the judge is going right now I do not won't, how can I give him a trial Mr Cordell with him showing me all of this, I do not want, there ant no members of the public the only witness that is supposed to be in there as a member of the public supposed to be saying some think.
Police Officer; I thought you was appealing the Asbo.
Simon; yes I am appealing the Asbo but how can I have a fair trial with there being so much corruption in the case and there being no witness, it's the police who have brought this case against me not members of the public.
Police Officer; so you was given an Asbo is that right yer
Simon; yes I have been given an Asbo wrongfully and I have got the transcripts to prove it.
Police Office; ok.
Police Officer; but you are appealing that decision aren't you.
Simon; Yes.
Police Officer; right so when are you going to court to appeal that decision.
Simon; I was supposed to of had my trial a couple of moths ago on the February 22 23 24 but the judge has said that because I keep screaming article six that I can not have a fair trial it seems like he keeps sending theses cops away helping them hoping one of them is going to wake up like they should put a letter through my front door and just drop the case and all the cops are safe and I am safe but no body wants to do that and none of them are waking up at the other end and keep bring the case back to court and I am screaming again how am I suppose to have a fair trial in September now and this has been going on for god knows how long now and I am trapped captive in my house now hoping one of the cops hold there hand's up and say well do you know what like.
Police Officer; it is quite simply if there is no court case the complaint can be looked at or if there is a trial the complaint can not be looked at
Simon; all I want is some one to over see Steve Elmore's work.
Police Officer; no, no, no, no, no, it's not going to happen is it until the court case is finish and if there is no court case yes then it will be investigated.
Simon; oh ok.
Police Officer; we are going round in circles any way.
Simon; ok I understand there is not much that I can do other than be captive in my own home, is there? to wrongful laws that do not exist and should have not been imposed.
Police Officer; like I said I am not going to make any comment on your case at all.
