

pick up this case bundle and go to the page that I am referring to and see that I am correct and not hold me captive any longer I have got now another hundred and twenty days till I can even get to a trial again I have been told I have been waiting one thousand and one hundred all ready

Police Officer; right ok

Police Officer; and what is it that you agree wanting me to try and do for you what is it then

Simon; I want some body to oversee the Case I heard that there is a new Colin Andrews who has taken over Edmonton police station am I correct in believing that his the super intendent now and that he should be able to oversee the conduct of any other police officer below his rank is that correct

Police Officer; I could not tell you who the super intendment was to be honest because I deal with the whole of London if you want to file a complaint about the officer's conduct then we can do that if you want

Simon; I have done that bout the complaint keeps being suspended` every time I go to trial the case is being postponed because I have all ready handed in article six's about showing that I can not have a fair trial

Simon; I have done that bout the complaint keeps being suspended` every time I go to trial the case is being postponed because I have all ready handed in article six's about showing that I can not have a fair trial so I am being forced to another trial in one hundred and twenty days again and when I get to that trial I am going to refuse to have a trial because I have handed in an article six showing corruption in the time stamps and the Urn's numbers and that they were continuously logging in one after the other and the created dates being changed I have shown evidence boyned reasonable dought so I do not see why I should have to wait another one hundred and twenty days again for me to feel that I have to scream and shout article six to my human rights to be told that I can not have another trial that it is going to be suspended for another six months again and this is what keeps happening I have been to court over ten times now so some one must be able to over see this because I am clearly stating what is going to happen in a hundred and twenty days I am going to go to court and scream my article six to show that I am correct and write and there going to supposed it for another six months again and this is my life that is going to waste because no one wants to act correctly
