

**Simon;** I have been put on bail conditions no on conditions for my Asbo for an Asbo that has illegal been put against me it is forged and put against me basically I am being held for eight years in my house on well seven years on the Asbo two years on the injunction and five years for the Asbo in total that is seven years the maximum sentence and this was under the raves bill the maximum sentence that any one should get is six moths in prison and a 20 grand fine but some how I am riding eight years more than what most paedophiles and murders would get, hum I am quite upset about this but in my bail condition it says that I am not a loud on no industrial estate or that I am not a loud to do nothing of this nature now I would like to go to warehouse I would like to go out, I have not been a loud out for four years, I have not been aloud to go to out to anything, I would like to go to warehouse night club and I want to find out if I attend warehouse night club with my girlfriend then will I got to prison is that an arrest able offence

**Police Officer;** sir what I would advice you to do is speak to

**Simon;** Ian rafial

**Police Officer;** yes Ian rafiael

**Simon;** yes he is the new one

**Police Officer;** he wont contact me back because he understands what is going to happen to the officers he is supposed to be in charge of, when Jane Johnson was in charge of them who was the last sergeant, she as a gold member team allowed access in to the police computers and allowed information to be forged, she was transferred straight away once I recorded her conversation and was transferred to royal diplomatic protection in Westminster but she basically has walked away from her duty's of responsibility that she had at the time to the officers and to make sure there paper work was correct and now he is in charge of it, these officers are still on active duty I do not feel like I can leave my house I can not even walk down my street because I feel that these officers are going to attack me and further manipulate the truth and I am going to end up with a sentence because they would rather that to happen to me rather than lose there mortgages or pensions and face up to what they have really done them self's in fraud paper work the fraud paper work in my Asbo
