

into Edmonton police station, she got a receipt that I have yes, with a stamp on it from Edmonton police station and it is in my name, the property of Mr Simon Cordell that has never been found, yes and now I have got that receipt and it got put in lost property and now that is true and this property is an Asbo application now it only ever had four witness statements CFS callers in it witness statements saying that they were kept up over night, now somehow since through the ongoing of the case getting dragged on since 2014 I have gone to go and get this folder and it has been stolen out of Edmonton lost property, now I am quite concerned about it being stolen because the property room was only burnt down a couple of years ago because of police corruption so I am quite shocked that it disorganized that stuff can still be stolen out of it by over officers so I would like to know where my folder is and I have got the receipt for that now the reason that I would like the folder is because it proves that the police fraudulently added an extra ten witness statements into the folder since the time that it has been going on now
