To: Darren Leonard Subject: Re: Enfield scouts

Hi Darren sorry for the late reply thank you for the email as we talked the cost for the Space Ball for the event for both days.

Bouncy Castles for the event for both days is one kids from up to 3 years old, one adventure playground 5 years old and above, and a 12x12 which is all ages.

I will do all of these for £300 this will include a man for the space ball and the Space Ball as this event is for the Enfield Scouts.

Can you tell me the power for this event and how it will be powered?

Also the 70KVA generator with all leads and distributor board for Saturday 2nd November in Enfield Town Park will be a cost of £300 for the generator plus fuel but the fuel would need to be paid up front which I would say is around £50.

The generator has all its Electrical-Certificates.

For Saturday 2nd November in Enfield Town Park there will be an Electrician with me for safely reasons the Electrician cost will be £80.
