

A/Insp Hamill 201566 states" at 05:04hrs CAD 2290 8<sup>th</sup> June 2014 police were called to a male assaulted in the street. Officers and LAS have attended the location of wood Grange Avenue, were the male had injuries of suspected broken wrist and a bloody mouth, he initially stated that he had been attacked from behind but on investigation it transpired that this male had been one of the people seen on the roof earlier and had fallen whilst getting down."

" Mr Simon Cordell will state that he finds a time laps in the statements made by police PS 92YE attended at 03:10hrs and noted the boy had come down from a roof in Wood Grange Avenue the rear of Progress Way and then Police spoke to staff at progress way.

But CAD number 2290 8th June at 05:04 states the same boy is in wood Grange Avenue again and made a 999 call making a claim of assault 01:54 mins after and is believed to be the man fallen of the roof at 03:10 who was seen getting down safely and police state that they can see the roof top clearly from there police service centre.

It is also noted A/PS CHARLES MILES 724YE "statement at approximately 06:30Hrs we received a call to nearby Woodgrange Gardens, to reports of a male assaulted. Following an initial investigation this individual matched the description of a male earlier observed on the warehouse roof. It appeared that he had fallen off of the roof and into some bushes and his injuries were consistent with a fall from height. He was heavily under the influence of alcohol and quite probably illegal drugs. He went to North Middlesex Hospital with the London Ambulance Service."

Mr Simon Cordell will state that these times do not match up as in A/Insp Hamill 201566 statement he says he sent someone to the attack at 05:04 CAD 2290 and in A/PS CHARLES MILES 724YE statement he said the call did not happen until 06:30Hrs.

Was it 5 or 6 hundred hours or at 1 hundred hours and if it was at 100 hours why did police leave him to go and speak to people at the gate of progress way, if his injuries were so server he had to go to the hospital at 5 Or 6 hundred hours?

Mr Simon Cordell will state that the police already have on there systems, the persons name they were in contact with leading up to this. The public Order Unit at Scotland Yard would hold the information. And also the police in Essex would have information.

It has taken Mr Cordell and his mother months to gather information in regards to the dates in this ASBO application, and he feels that the police already hold the information that he is being accused off. This has come at a time when he was very unstable in his health due to the police actions toward him self over many years, and also the lost of his Nan's life which no one should have had to deal with in the manner she passed away, when Mr Simon Cordell should have been taking time with his family and trying to deal with his own health, while dealing with his brothers health, and personal family problems.

### WITNESS STATEMENT

Book 8

Statement taken by PC Donald Mcmikan

Dated 14 August 2014.

In regards to dates: 6th 7th 8th June 2014

This statement refers to an illegal rave which took place between 6th June and 8th June 2014 on the industrial Estate near Woodgrange Avenue.

On Thursday 14th August 2014, I spoke with a resident who lives in Woodgrange Avenue, Enfield. The resident is an elderly female and both she and her husband are retired.

She has stated that on Saturday 7th June 2014, she contacted Police regarding a rave that was happening on the industrial estate close to her home address. Her reason for contacting Police was because the music noise was horrendously loud and this was disturbing their peace and had been going on for sometime. She states that both her and her husband were extremely distressed about this whole incident because something similar had happened in the past.

She states that lots of youths had been jumping over fences and she was very concerned and frightened about this and feared that something would happen to them or one of their neighbours. 'This made them both extremely anxious, nervous and made them worry.

This lady is worried that an incident like this could happen again. She did not want to provide Police with a direct statement as she is frightened that the organizers could trace where they live and make their lives even more of a misery.
