Referring to 6th 7th 8th June 2014

This statement refers to an illegal rave which took place between 6th June and 8th June 2014 on the industrial Estate near Woodgrange Avenue.

On Thursday 14th August 2014, police spoke with a resident who lives in Woodgrange Avenue, Enfield. The resident is an elderly female and both she and her husband are retired.

She has stated that on Saturday 7th June 2014, she contacted Police regarding a rave that was happening on the industrial estate close to her home address. Her reason for contacting Police was because the music noise was horrendously loud and this was disturbing their peace and had been going on for sometime. She states that both her and her husband were extremely distressed about this whole incident because something similar had happened in the past.

She states that lots of youths had been jumping over fences and she was very concerned and frightened about this and feared that something would happen to them or one of their neighbours. This made them both extremely anxious, nervous and made them worry.

This lady is worried that an incident like this could happen again. She did not want to provide Police with a direct statement as she is frightened that the organizers could trace where they live and make their lives even more of a misery. She is extremely concerned that something like this may happen again in the future.
