#### MID DATABASE

As a result of the Fourth EU Motor Insurance Directive you are obliged to provide the Motor Insurance Database (MID) with the registration numbers of all vehicles for which cover is required and that are owned by you and that will be driven, used or parked on a road or public place.

Failure to disclose such registration numbers may invalidate your policy with the result that any claim will be rejected.

You have provided details of such vehicles (shown above) and we will notify the MID on your behalf.

When any of the vehicles declared are sold and/or cover is no longer required or a new vehicle has been purchased that needs to be placed on the MID you need do one of the following:

1. Go to [www.coveainsurance.co.uk](http://www.coveainsurance.co.uk), select 'Our Products', 'Commercial Products', and then the 'MID Update Link'.
2. Notify your insurance broker who will pass this information to Covéa Insurance.
3. E-mail Covéa Insurance with the relevant details on MID@coveainsurance.co.uk.
