

Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need?  
If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater?  
With regard to the Safe guarding plan I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah.  
I am rising this directly with George Benyure Bolas manger.
