Dear Josey

What you are saying in your emails is that the judge says in his letter that I have got to have an assessment but this is not the case as part 3 of his letter states "

If the Appellant wishes to rely on any medical evidence as to his mental health, then any report dealing with such matters must be before the court on the 4th April 2016"

Which clearly states; "if I wish to rely on any mental health evidence then a report has to be submitted by the 04/04/2016," but this does not say I must rely on this, and I do not wish to rely on this.

Can you please take my case back to court so that my conditions can be defined, and also have a meeting once you get the letters you are waiting on so we can deal with the appeal.

Can you also please send me the notes from court from the public defender that was there for me please as I have not had these as of yet.

Also the issue about the public order unit if they are not willing to give the information then they need to be summons to court for the appeal.

Also what is going to happen as to the missing CAD and the errors in the CAD and with the statement of inspector coomb's.

The case is that I organised illegal raves on page two of the applicant's first bundle it clearly states I quote "The Defendant is involved in the organisation and conduct of illegal raves.

These primarily take place on disused or industrial land in London and cause alarm and distress to the local residents.

These raves are licensing activity, cause significant noise pollution and directly lead to destruction of property and breaches of peace.

In defense to my case the 2nd line down clearly states The Defendant is involved in the organisation and conduct of illegal raves, I have sent you the licensing act 2003 apex 4 which states, house party's and places of residents do not need a licence, which all the incidents in the applicants bundle are places of residence in contained fencing in private air.

In the licensing act it states this includes gardens and private car parks. I have linked index page 4 off the licensing act 2003 within this document, which clearly states unless profit is being made, to which I am not being accused off, then there is no breach of the law, and their for not illegal.

For members of the public to have a moving in house party is not a breach of law and there for not illegal.
