

you had a nitro s oxide bottle on you at one of these days which is an ADR road traffic offence and it ant a traffic offence because it is not illegal to carry it she gave me a five year Asbo I had all ready been riding two years prior to that to the injunction so that is seven years plus I done a year for the other case the gazebo which I won that is eight years the maximum sentence under the raves bill is six moths and a 20 grand fine so I do not understand why I am riding eight years and my eight years don't get cut in half, now it said I was also further upset because it says the organisation of illegal raves now if some this is illegal I should have been arrest yes so I should have been arrested I should have been a loud to have my interview I should have been a loud to go through it with my solicitor's and the cps should have took my case yes from there now this has never happened but some how I seem to have a criminal recorded no no I do not have a criminal record but some how basically what they continue to say in the Asbo was this will not have an effect on my ability's of running my company objectives so I wrote to every other council boroh there are thirty three boroughs so I wrote to the other thirty two wrote and they basically write back to me and said these council are lying and these police are lying this has a massive effect of the running ability's of your company because every council has a different licensing department yes and that I have to go there and because it says a illegal offence

**Police Officer; Police Officer;**

**Simon;** massive effect of the running ability's of your company because every council has a different licensing department, yes and that I have to go there and because it says a illegal offence yes I have to basically have to go to a special committee with them and that I have to explain the Asbo which is un fair on me and it stops me working with the other thirty two boroughs yes now I have been in my house

**Police Officer;** can I just stop you there it is frustrating because what you are saying rings a bell one of my colleges you spoke you spoke to one of my colleges on **13th of February**

**Simon;** yes that is very possible

**Police Officer;** yes on cad 440

**Police Officer;** ok that is just fine I am just telling you that you did because it is recorded here

**Simon;** and they have told me that they can not do anything the only person that can do some think is yourselves a sergeant from the police
