

and letter (marked 03/04/2016 Ms Ward).

The Appellant barrister was listening to the phone call and after the Appellant ended the barrister got up and said I will need to think about still representing you as you called your solicitors a liar, the Appellant stated that he can prove that Miss Ward wrote the letter and she's denying as to doing so and further expressed himself in question the line of investigation by saying:- "how would anyone body else's feel, if she had lied about them," the Appellant barrister then replied that if he was still going to represent the Appellant then there would need to be a meeting at the Appellant barrister chambers, at this point the meeting concluded, with nothing else really spoke of about the Appellant Appeal yet again, this was days before the Appeal hearing was due to start once again.

Up to here for now

A while after the Solicitor wrote a letter and sent it to the Appellant and the Appellants mother, the date of this received email is dated 20/09/2016 and a copy had also been sent to the Court, this application was put in so for the acting solicitor to once again attempt to be removed from the record this was done to our surprise and was listed in Court to be heard on the 21/09/2016.

There were large sections of this letter that were incorrect and did not happen so therefore are not true; this can also be proven by the Court transcripts from the 16/09/2016.
