walk back home to our block of flats, but I had not anticipated to see her with friend's, like she was then, so I had to re contemplate on my method of approach and started to hurry towards her and her associates.

On the **30/11/2014**, Emails also got sent to my Insurance Broker, who are Broadsure Direct and KGM who were my insurance underwriters the reason to why I contact them both is because KGM had not dealt with my subject access requests under the data protection Act 1998.

I wanted to sort out about being found guilty and I understood that KGM held the tapes from the roadside with the police officer talking to them and in turn I had to wait for the reply.

Result given wrong on phone.
