

accept it. She was also writing my son letters and putting them trough his door, the letters are not really readable.  
The main problem with Debbie seemed to start when she came to my son's front door and saw a girl in his flat she saw the girl on more then once and I think this upset her.  
Since this time things have got worse and worse and my son's health is really suffering.  
Please cam something be done as we really do not know what to do any longer, if you can not do anything about the neighbours in the block can you please see if you can move my son as he can not take any more, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health.  
Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue which I do not understand why.  
Regards  
Lorraine Cordell

Hi mother This is what you and Dave have asked for I believe.

I would like to have some think like this at the top of the Business directory web page under the menu bar <http://codecanyon.net/item/jquery-goal-thermometer/6358236>, with room underneath it for a editable text with say 3 pictures.

The donation centre to be in the left hand side bar, were you would normally show the advertisements.

I would like it if no one can sign up, unless clicking on the donate button, which I would like to say support.

I would like it for a editable percentage, to go to the raised amount.
