

block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself.

When Mr Simon Cordell was on a phone call to Sarah Fletcher on the 22/11/2016 she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted on in 2013 when it was installed?

Why has it taken them until 2016 to say they feel this is an invasion of their privacy

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy.

The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them
