Simon; it is in Enfield I am a call er

Police Officer; what is the postcode

Simon; En3 7JQ

Police Officer; "mutter"

Simon; I am correct I am a call for services that is correct it is for the general public to call when they have a concern and that is why I am calling 999 or 101 I can even call 112 or I can call 0207 230 1212 and every one of them directs me back to you or a member of your team and you lot are allocated to help members of the public when they call for services and if I give you lot a call right now about a police officer outside my front door now and give you the badge number and I said I can look through my spy hole and I can see a police officer out side of my front door and I can see the badge number he is wearing but I do not think he is a real police officer if I call you now you should be able to tell me if that police officer is there or not if I ask you who is the sergeant for Edmonton police station you should be able to give that information or any other information that I require in regards to the company that you lot run, it is a company that you lot do run it is business yes and there are protocols for your business that you represent you have Sop regulations and laws

Police Officer; silence

Simon; Hello madam

Police Officer; yes I am listening to you

Simon; am I correct that you follow Sop laws and that you lot are in practice towards the pace codes and conducts A, b, c, d, and E and the rest and so forth and that use lot were built from the 1961 police reforms Act, which is how the first police station was built and right now you are running in Co-Hurst to the regulatory 2000 Act, which Treessa May took a big part in writing due to you recording this phone call and that is how we are having this conversation right now and the reasons that this services are put there to provide for and I am concerned about corruption from the police officers and I have the evidence and if I was phoning about a chocolate bar being stolen from a shop you lot would act and you would send active police officers and you would create a cad and say that you are the caller creating that cad you would cheek the location to were I am were the caller is the Geological location

Police Officer; ok, you wanted the cad reference number

Simon; yes, yes can I have the cad number please

Police Officer; right it is cad 32 87

Simon; 3287
