

The case took over a year to deal with as the CPS would not give the discloser that my solicitors was asking for and the judge ordered them to give.

After a year and on the day the trial was due to start the Judge discharged the charges and found me not guilty in July 2014 this was before the trial started.

In this time my brother had a life changing accident.

My Nan was diagnosed terminal and passed away 30/08/2014

A close friend of the family passed away in Dec 2013

A close friend of the family passed away May 2014

A close friend of the family was diagnosed terminal and passed away on the 29/08/2014 the day before my Nan.

I will now state the facts and they are that the police knew that I could not have done any think of the sort to what they were saying and the errors on the police PNC database caused me to go to prison, and I feel victim to the way in which I was being treated by the courts, because of what was being told to the judge by the police and CPS and, this is also inclusive of the period of time leading to how long the case had taken due to myself not getting discloser from the police after the judge ordered it, we did not get disclosed until the trial date.

The reason why the prosecution would not give discloser was it because they knew that by giving me it they would have got the case dismissed much earlier and this is what did happen in the end, for reasons such as the information I and my family had obtained.

I could not do anything with my company and lost loads of contracts due to the bail conditions that I was under knowing that I had done nothing wrong so to be put under these conditions.

Due to how much the police had kept tarnishing my life when I had clearly not done anything wrong, this caused stress in my long time relationship till we had to depart from one and other, as she could not take know more with the police harassment.

The case took over a year to deal with, as the CPS would not give the disclosed that me and my solicitors did request thought, this was never even given after the judge had finally ordered it to happen himself, and he told the prosecution to provide us with our request.

This case got dismissed in July 2014 and got acquitted before the trial could start.
