

Sam: You are not going to the hospital what would in courage you to do is to meet up with goodies and see the doctor in the Goodies team because what I think is If we got some thinking on file to say that there has been an assessment no Mental Health illness was found so next time someone phones up we got that on our record because if you get some contact to say that there is concern about Metal Health we have a duty of care to check what is happening

Simon: A duty of care.

Sam: So having the assessment getting out of the way

Simon: So now that you have said that this is exactly `the point that I wanted to raise her up stairs your team does have a duty of care of her, now these letters are the letters that she has been writing me, I was in a 13 year relationship and she was stalking me, following me around but I never paid her too much bother to me because I did not have all the court dates and orders on me so I was not in my house all the time.

Simon: Eventually any way I broke up with my partner and this woman started writing me letters all of a sudden this shows how clearly drunk she was and her mental state of mind in the letters

Simon: She is like dear Simon I thank you for you support through alcoholism
Simon: So she is admitting that she is always drunk.

Simon: I was a where that I knocked on your door and borrowed money approximate £7 around 8 times.

Simon: So you can see that I am always giving her money.

Simon: I am always giving her money.

Katie: That is because she is asking for it.

Simon: Yes she is knocking on the door.

Simon: And then she is like I do not have the way or the means of stalking you.

Simon: So she clearly understands that she is stalking me and I am saying to her please can you stop what you are doing to me, she keeps writing it when she is drunk, it is an intrusion of my life.
